- RTE will invoice customer upon completion of work, regardless of delivery status.
- Delivery to and acceptance by Customer shall be F.O.B. RTE's final assembly location. Customer is responsible for any freight, shipping, insurance and handling charges for such Vehicle(s) unless otherwise specified in the RTE quotation. RTE shall have no liability whatsoever for damage, loss or deterioration of the Products after delivery of the units to a common carrier, regardless of whether RTE charges Customer for freight. - Approved Changes to an Order will be subject to any charges related to the price of goods or additional labor required to implement the change. Additionally any delivery timing implications that occur for such change will be estimated by RTE at the time of the change. Customer may be subject to any costs or fees related to any product or material rendered unnecessary after the change.
- Cancelled orders regardless of reason are subject to a charge for time and material incurred by RTE plus any costs or fees related to returning or disposing of product acquired for the order.
- In addition, Customer agrees to reimburse RTE's current lot lease expenses for every month past fourteen (14) calendar days of the date of the Release Notice that the Vehicle(s) remain on RTE's lot.
