

## CITY COUNCIL COMMUNICATION

**DATE:** July 17, 2023

**FROM:** Alina Ciocan, Assistant City Manager

**AGENDA ITEM:** Consideration and possible action on selecting conceptual graphic design elements for the IH-35 corridor.

**SUMMARY:**

- The City is considering design concepts to enhance the aesthetics of the IH-35 corridor through Sanger.
- Kimley-Horn has been retained to assist with preliminary design concepts and develop a set of schematic plans for the City entry monumentation as well as the sound wall design.
- Based on feedback received from City Council on May 1, 2023, has been narrowed to include two concept designs and the sound wall.
- Once the final concept design elements are selected, staff will proceed with the design phase.

**FISCAL INFORMATION:**

Budgeted: -                      Amount: -                      GL Account: -

**RECOMMENDED MOTION OR ACTION:**

Staff recommends Council selecting the concept designs they would like to incorporate in the IH-35 corridor.
