DATE: July 25, 2023

FROM: Shani Bradshaw, Director of Economic Development

AGENDA ITEM: Future Sports Complex and Miracle League Field Update

SUMMARY:

- The City of Sanger Future Park Concept Plan was created in July 31, 2012.
- The park land located on the east side of 35 will include a six-plex baseball complex with restrooms and a concession stand, along with soccer fields, hike & bike trail, playground area, 450 space parking lot, pedestrian bridge, skate park and pavilion, disc golf, and disc golf.
- The Board has expressed interest in developing a Miracle Field that will allow children and adults with disabilities to safely play baseball.
- The existing Park Plan does not include a Miracle Field and will need to be amended to accommodate the new field.
- Staff will prepare a request for proposals to conduct a conceptual design for the entire project.
