Subject: Quick Trip 6" Water Line

Jim,

On December 14, 2022, I asked Mabak for a quote to replace the 6" water line on the Quick Trip property. To date I have not received their quote. In addition, on December 15, 2022, I sent emails to the following Historically Underutilized Business (HUB):

1. A. J. Contracting
2. Falkenberg Construction Company
3. PBS Construction
4. Westhill Construction

As of this email, I have not received any correspondence from the HUB venders.

Please let me know if you need additional information.
