

## CITY COUNCIL COMMUNICATION

**DATE:** September 5, 2022

**FROM:** Clayton Gray, Finance Director

**AGENDA ITEM:** Consideration and possible action on Resolution No.2022-11 to take a record vote specifying the proposed tax rate; establishing the date, time and place for public hearings on the proposed 2022-23 budget and tax rate; and providing for the publication as provided by the Texas Property Tax Code.

### **SUMMARY:**

- The City has received tax rate calculations from the Denton County Tax Assessor/Collector's office for the coming year and must set a proposed property tax rate for the upcoming year.
- The no-new-revenue rate (\$0.542505/\$100) evaluates the relationship between current year taxes and proposed taxes for next year if applied to the same properties in both years.
- The voter-approval tax rate (\$0.561763/\$100) provides the same amount of tax revenue as last year plus a 3.5% increase for maintenance and operations.
- The de minimis tax rate (\$0.589497/\$100) allows some relief to entities with a population less than 30,000 from the 3.5% voter-approval rate. It adds an amount that would equal \$500,000 in tax revenue to the voter-approval rate.
- In accordance with Texas law, the City is required to vote to place a proposal for adoption of the budget and tax rate, publish notices, and conduct public hearings. Public hearings on the 2022-23 budget and tax rate will be scheduled for September 5, 2022, at 7:00 pm, which is a regular meeting date of the City Council.
