

CITY COUNCIL COMMUNICATION

DATE: July 3, 2023

FROM: Ronnie Grace, Interim Director of Electric

AGENDA ITEM: Consideration and possible action on a Standard Utility Agreement with TXDOT for the relocation of Electric utilities for the I-35 Expansion project, including the reimbursing expenses spent and authorizing the City Manager to execute the agreement and all necessary documents.

SUMMARY:

- The proposed IH-35 Project will necessitate the adjustment, removal, and relocation of the Electric Utilities as indicated in the following statement of work: The City of Sanger Electric Department will relocate approximately 25,500 circuit feet of electric power distribution facilities that are in conflict with TXDOT construction from approximately STA 2542+20 to STA 2822+00; and more specifically as shown in the Utility's plans.
- The State will participate in the costs of the adjustment, removal, and relocation of certain facilities to the extent as may be eligible for State and/or Federal participation.
- The State, upon receipt of evidence it deems sufficient, acknowledges the Utility's interest in certain lands and facilities that entitle it to reimbursement for the adjustment, removal, and relocation of certain of its facilities located upon the lands as indicated in the statement of work above.
- The State will pay to the Utility the costs incurred in adjustment, removal, and relocation of the Utility's facilities up to the amount said costs may be eligible for State participation.
