I, \_\_\_\_\_, a duly authorized and qualified representative of  
City of Sanger, hereinafter referred to as **Owner**, am fully cognizant of the  
facts and make the following statements in respect to work which will or may be done on a contract basis as it appears in the  
estimate to which this statement is attached.

It is more economical and/or expedient for **Owner** to contract this adjustment, or **Owner** is not adequately staffed or equipped to  
perform the necessary work on this project with its own forces to the extent as indicate on the estimate.

Procedure to be Used in Contracting Work

- ☒ A. Solicitation for bids is to be accomplished through open advertising and contract is to be awarded to the lowest  
qualified bidder who submits a proposal in conformity with the requirements and specifications for the work to be  
performed. Associated bid tabulations will be provided to the **State**.
- ☐ B. Solicitation for bids is to be accomplished by circulating to a list of pre-qualified contractors or known qualified  
contractors and such contract is to be awarded to the lowest qualified bidder who submits a proposal in conformity  
with the requirements and specifications for the work to be performed. Associated bid tabulations will be provided to  
the **State**. Such presently known contractors are listed below:
- 1.
  - 2.
  - 3.
  - 4.
  - 5.
- ☐ C. The work is to be performed under an existing continuing contract under which certain work is regularly performed  
for **Owner** and under which the lowest available costs are developed. The existing continuing contract will be made  
available to the **State** for review at a location mutually acceptable to the **Owner** and the **State**. If only part of the  
contract work is to be done under an existing contract, give detailed information by attachment hereto.
- ☐ D. The utility proposes to contract outside the foregoing requirements and therefore evidence in support of its proposal  
is attached to the estimate in order to obtain the concurrence of the State, and the Federal Highway Administration  
Division Engineer where applicable, prior to taking action thereon (approval of the agreement shall be considered as  
approval of such proposal).
- ☐ E. The utility plans and specifications, with the consent of the State, will be included in the construction contract  
awarded by the State. In the best interest of both the **State** and the **Owner**, the **Owner** requests the **State** to include  
the plans and specifications for this work in the general contract for construction of Highway \_\_\_\_\_ in this area, so  
that the work can be coordinated with the other construction operations; and the construction contract is to be  
awarded by the **State** to the lowest qualified bidder who submits a proposal in conformity with the requirements and  
specifications for the work to be performed. If this option is chosen, attach form ROW-U-48-1, the terms of which are  
incorporated herein by reference.
