SUMMARY:

- The development will consist of approximately 23.425 acres.
- The property is currently zoned B-2 Business 2.

- The development will allow RC – Regional Commercial and NC – Neighborhood Commercial uses. These uses are equivalent to the previous B-2 Business 2 and B-1 Business 1 uses.

- Landscape percentage will be calculated on entire development and not per individual tract.
- Staff mailed out 129 public hearing notices to owners of properties within 200 feet of the subject property and has received 6 responses Opposed.
- This zoning aligns with our Comprehensive Plan.
- Planning & Zoning recommended approval on 8-12-25.
