Grantee warrants and assumes responsibility for all goods that it sells to the State under this Agreement for a period of one year, unless a longer period is specified elsewhere in this Agreement. Grantee acknowledges that all warranties granted to the buyer by the Uniform Commercial Code of the State apply to this Agreement. Product liability disclaimers and warranty disclaimers are not applicable to this Agreement and are deemed void. Remedies available to the State include but are not limited to: Grantee will repair or replace goods and services at no charge to the State within ten days of written notification. If the repaired or replaced goods and services are inadequate or fail their essential purpose, Grantee will refund the full amount of any

payments that have been made. Nothing in this warranty will be construed to limit any rights or remedies the State may otherwise have.

13. **TIME OF THE ESSENCE:** Services shall be completed by the deadlines stated in this Agreement. For all Services, time is of the essence. Grantee is liable for all damages to DWS, the State, and anyone for whom the State may be liable as a result of Grantee's failure to timely perform the Services.
14. **BILLINGS AND PAYMENTS:** Payments to CONTRACTOR will be made upon receipt of itemized billing for authorized service(s) supported by appropriate documentation. Billings and claims for services must be received within thirty (30) days after the last date of service for the period billed including the final billing, which must be submitted within thirty (30) days after contract termination or they may be delayed or denied. Billing for services for the month of June must be received no later than July 15th due to DWS's fiscal year end. Billings submitted after this date may be denied. DWS will not allow claims for goods or services furnished by CONTRACTOR which are not specifically authorized by this contract. DWS has the right to adjust or return any invoice reflecting incorrect pricing.
15. **PAYMENT RATES (Does not apply to contracts with DWS set rates or fee-for-performance rates):** Initial payment rates for negotiated contracts may be calculated based on actual expenditures for prior period, available budget and changes in the type or quality of service. The rates may be adjusted up or down during the Contract term in accordance with prior paid actual costs or a review of current costs verified by audit or fiscal review. Such a rate adjustment may be retroactive to the beginning of the Contract. Rates for contracts awarded as a result of the competitive bidding process will not be changed during the Contract term unless rate change is specifically stated in the contractual terms.
16. **PAYMENT WITHHOLDING:** CONTRACTOR agrees that the reporting and record keeping requirements specified in this Contract are a material element of performance and that if, in the opinion of DWS, CONTRACTOR'S record keeping practices and/or reporting to DWS are not conducted in a timely and satisfactory manner, DWS may withhold part or all payments under this or any other Contract until such deficiencies have been remedied. In the event of the payment(s) being withheld, DWS agrees to notify CONTRACTOR of the deficiencies that must be corrected in order to bring about the release of withheld payment.
17. **OVERPAYMENT/AUDIT EXCEPTIONS/DISALLOWANCES:** CONTRACTOR agrees that if during or subsequent to the CONTRACTOR'S CPA audit or DWS determines that payments were incorrectly reported or paid, DWS may amend the Contract and adjust the payments. To be eligible for reimbursement, CONTRACTOR expenditures must be adequately documented. Upon written request, CONTRACTOR will immediately refund to DWS any overpayments, as determined by audit or DWS. CONTRACTOR further agrees that DWS shall have the right to withhold any or all subsequent payments under this or other contracts with CONTRACTOR until recoupment of overpayment is made.
18. **PRICE REDUCTION FOR INCORRECT PRICING DATA:** If any price, including profit or fee, negotiated in connection with this Contract, or any cost reimbursable under this Contract was increased by any significant sum because CONTRACTOR furnished cost or pricing data (e.g., salary schedules, reports of prior period costs) which was not accurate, complete and current, the price or cost shall be reduced accordingly. The Contract may be modified in writing as necessary to reflect such reduction, and amounts overpaid shall be subjected to overpayment assessments. Any action DWS may take in reference to such price reduction shall be independent of, and not be prejudicial to, DWS'S right to terminate this Contract.
19. **FINANCIAL/COST ACCOUNTING SYSTEM:** CONTRACTOR agrees to maintain a financial and cost accounting system in accordance with accounting principles generally accepted in

the United States of America. An entity's accounting basis determines when transactions and economic events are reflected in its financial statements. An entity may record its accounting transactions and events on a cash basis, accrual basis, or modified accrual basis; however the cash method of accounting is not appropriate for governmental entities. CONTRACTOR further agrees that all program expenditures and revenues shall be supported by reasonable documentation (e.g., vouchers, invoices, receipts), which shall be stored and filed in a systematic and consistent manner. CONTRACTOR further agrees to retain and make available to independent auditors, State and Federal auditors, and program and contract reviewers all accounting records and supporting documentation for a minimum of six (6) years after the final payment, or until all audits initiated within the six (6) years have been completed, whichever is later. CONTRACTOR further agrees that, to the extent it is unable to reasonably document the disposition of monies paid under this Contract, it is subject to an assessment for over-payment.

20. **DWS COST PRINCIPLES FOR COST REIMBURSEMENT CONTRACTS:**

- a. Federal cost principles determine allowable costs in DWS Contracts. CONTRACTOR may locate the Federal Cost Principles applicable to its organization by searching the appropriate federal government websites.
- b. Compliance with Federal Cost Principles: For CONTRACTOR'S convenience, DWS provides Table 1 below, "Cost Principles," as a reference guide to the applicable cost principles. However, the information in this table is not exhaustive, and CONTRACTOR understands that it is obligated to seek independent legal and/or accounting advice. As shown in Table 1, "Cost Principles," the principles applicable to a particular CONTRACTOR depend upon CONTRACTOR'S legal status.

Table 1: Cost Principles

Subrecipient	Federal Cost Principles
State/Local/Indian Tribal Governments	2 CFR 200 Subpart E
College or University	
Non-Profit Organization	
For-Profit Entity	48 CFR Part 31.2

- c. Compensation for Personal Services - Additional Cost Principles:
In addition to the cost principles in the federal circulars concerning compensation for personal services, the following cost principles also apply:
 - i. The portion of time a person devotes to a program should be disclosed in the budget as a percent of 40 hours per week.
 - ii. Employees who are compensated from one or more contracts or from programmatic functions must maintain time reports, which reflect the distribution of their activities.
 - iii. If total work time exceeds 40 hours and CONTRACTOR wants reimbursement for the time devoted to DWS programs over 40 hours, the following two conditions must be met: 1) A perpetual time record must be maintained and 2) Prior written approval must be obtained from DWS'S Finance- Contracting Division.
 - iv. Compensation for Personal Expenses: DWS will not reimburse CONTRACTOR for personal expenses. For example spouse travel when the travel costs of the spouse are unrelated to the business activity, telecommunications and cell phones for personal use, undocumented car allowances, payments for both actual costs of meals and payments for per diem on the same day, and business lunches (not connected with training).
- d. Third-Party Reimbursement and Program Income: CONTRACTOR is required to pursue reimbursement from all other sources of funding available for services performed under this Contract. Other sources of funding include, but are not limited to, third party reimbursements and program income. In no instance shall any combination of other sources of funding and billings to DWS be greater than

“necessary and reasonable costs to perform the services” as supported by audited financial records. Collections over and above audited costs shall be refunded to DWS.

21. **ADMINISTRATIVE EXPENDITURES:** DWS will reimburse administrative expenses as allowed by the budget terms of this agreement. CONTRACTOR with a federally approved Negotiated Indirect Cost Rate Agreement (NICRA) must provide DWS with a copy of their approval letter from the federal cognizant agency along with information on the base(s) used to distribute indirect costs.
22. **CHANGES IN BUDGET (cost reimbursement contracts only):** The budget attached hereto shall be the basis for payment. CONTRACTOR may not make any adjustment in budgeted funds from Category III, “Program Expenses” to either Category I, “Indirect Expenses” or Category II, “Direct Administrative Expenses” or between Categories I and II, without prior written approval by DWS. Expenditures in excess of those budgeted in either Category I or II may be considered questioned costs. Resolution of such questioned costs will normally result in a request that such excesses be refunded to DWS. CONTRACTOR may, however, shift between either Category I or II to Category III with prior approval from DWS. Expenditures in excess of those budgeted in Category III will not normally result in questioned costs unless restrictions have been placed on subcategories within this major category. When the grant restricts expenditures within defined subcategories, any unapproved excess will be considered a questioned cost.
23. **WORKFORCE SERVICES JOB LISTING:** CONTRACTOR must post employment opportunities with DWS for the duration of the Contract.
24. **GRIEVANCE PROCEDURE:** CONTRACTOR agrees to establish a system whereby recipients of services provided under this Contract may present grievances about the operation of the program as it pertains to and affects said recipient. CONTRACTOR will advise recipients of their right to present grievances concerning denial or exclusion from the program, or operation of the program, and of their right to a review of the grievance by DWS. CONTRACTOR will advise applicants in writing of rights and procedures to present grievances. In the event of a grievance, CONTRACTOR will notify DWS contract owner of the grievance and its disposition of the matter.
25. **FINANCIAL REPORTING AND AUDIT REQUIREMENTS:** CONTRACTOR shall comply with all applicable federal and state laws and regulations regarding financial reporting and auditing, including but not limited to 2 CFR 200, Subpart F; Utah Code: 51-2a-201.5, Utah Code: 53A-1a-507. Utah Admin. Code Rule R123-5, the *State of Utah Compliance Audit Guide* (SCAG). Further information on financial reporting and audit requirements is available at auditor.utah.gov.
26. **PROTECTION AND USE OF CLIENT RECORDS:** The use or disclosure by any party of any personally identifiable information concerning a recipient of services under this contract, for any purpose not directly connected with the administration of DWS’S or CONTRACTOR’S responsibilities with respect to this contract is prohibited except as required or allowed by law. CONTRACTOR shall be responsible for any breach of this duty of confidentiality, including any required remedies and/or notifications under applicable law. CONTRACTOR shall indemnify, hold harmless, and defend DWS and the State of Utah, including anyone for whom DWS or the State of Utah is liable, from claims related to a breach of this duty of confidentiality, including any notification requirements, by CONTRACTOR or anyone for whom the CONTRACTOR is liable. This duty of confidentiality shall be ongoing and survive the termination or expiration of this Contract.
