

My Reappointment to the San Juan, UT, Public Health Board

From Lois Young <visionpool@gmail.com>
Date Tue 1/27/2026 8:04 PM
To Ron Skinner <ron@monticelloutah.org>

Dear Ron Skinner, Chairman; Mike Moulton, Public Health Director; and the San Juan County Commission,

I've served on the San Juan County Public Health Board as the Bluff City representative since January 2019. It has come to my attention that my tenure has expired and I would like to extend my service on the Public Health Board for another term.

The Bluff Town Council members, including the new Mayor, Josh Ewing have been informed regarding my desire to renew my position on the San Juan Public Health Board. They unanimously voted on January 13, 2026 to support that action.

Also, the San Juan Board of Public Health met on January 22nd, 2026. The issue of the renewal of my service on the Board was on the agenda and there was an unanimous vote to accept me for another tenure.

I request a copy of this letter be submitted to the San Juan County Commission, for ratification of my renewed appointment.

Thank you,

Lois Young
