### MONTICELLO LIBRARY SUMMER EVENTS

**Scales & Tails** brought our largest crowd yet. A thanks to Monticello City for partnering with us to share their park and pavilion.

Park Ranger Isabel from the Needles District has partnered with the Monticello Library for several Story Time events. The next one is August 9<sup>th</sup>. I loved her method of using a Jack the Rabbit and Coyote as supporting characters while reading books about local wildlife.

Library Float created by the amazing Blanding Library Staff under Ginnie Brook’s direction with a special thanks to Monticello’s Sally Jack for some float supplies. This float was used in Blanding for the 4<sup>th</sup> of July and will be used again in Monticello for the 24<sup>th</sup> of July parade. It was designed so that we can easily store the supplies for future years too, freshening the design as needed but recycling most of the supplies.

The Coworking Space has earned more than last year and we still have a few months to go. All three private booth spaces have a regular monthly renter so we have some steady income.
