

Letter of Interest

To: San Juan County Library Board

From: Tim Schulte

Re: Joining the SJC Library Board

Hello, this letter is to confirm my interest in volunteering to join the San Juan County Library Board.

My name is Tim Schulte and my wife and myself moved to Blanding in June of 2020. My wife works for UNHS as a Registered Dietician and I am self employed as a Publishing Consultant.

I have always loved books and libraries and have been involved with books in one way or another for the last 25 years. I think my experience as well as my passion for the mission of libraries and reading would hold me in good stead in joining with you. The first thing I did in Blanding as soon as I had proof of utilities, was to get my library card. (It's always the first order of business in a new town.) In fact, some of my best memories involve libraries and way back in the day in Kaibito, AZ, it was like Christmas when the BookMobile would come.

I would appreciate you considering my petition to join with you. We plan on being in Blanding for quite a while, so I would like to contribute where I can.

Thank you for the opportunity.

Best,

Tim Schulte
