To Whom It May Concern,

The San Juan County Board of Commissioners is pleased to extend our full support for the San Juan County Economic Development Department's application for the 2025 Rural County Grant (RCG) in the amount of \$200,000.

Obtaining this grant will empower us to address several key challenges in the county, including improving access to financial resources for local businesses and making critical infrastructure upgrades, especially in relation to Main Street enhancements. Furthermore, the funding will drive business growth, foster community engagement through event sponsorship, and support strategic efforts that align with the Governor's broader goals of promoting economic diversification and creating new job opportunities statewide.

We are confident that these efforts will lead to lasting positive impacts for residents and businesses alike.

Sincerely,

Jamie Harvey, Commission Chair
San Juan County
