Subject: Mental Health/Substance Abuse Special Service District

To:<mmcdonald@sanjuancounty.org>

Good afternoon Mr McDonald,

I'd like to be considered to join the Mental Health/Substance Abuse Special Service District board. I have lived in San Juan County for a little over a decade and am happy to be raising my family here.

I've been working in health care, as a pharmacist, all throughout the county during my time here. I recognize that our area faces special challenges and needs when managing the physical and mental health issues of our residents.

After conversing with Lynn Stevens and Tammy Squires about the board, I would be pleased to serve the county by giving a small amount of time.

Please let me know if you have any questions or concerns.

Thank you for your consideration,

Andy Bayless
