

Contract Document No. : 17

Project: San Juan County Pack Creek Emergency Watershed Protection Projects

CERTIFICATE OF SUBSTANTIAL COMPLETION

The contract work on the following construction project has been inspected by an authorized representative of San Juan County, NRCS and the Pack Creek Water Association.:

Project: San Juan County Pack Creek Emergency Watershed Protection Projects

The contract work is declared by this certificate to be substantially complete as defined in and in accordance with the Contract Documents as of the ____ day of _____, 2024 .

A tentative list of items to be completed or corrected is attached to this certificate. The list is not an exclusive list and other incomplete items or items to be corrected may exist. The failure to include such other items in this list does not constitute a waiver by the Owner of any rights under the Project Contract or the obligation and responsibility of the Contractor to complete or correct such items. The Contractor shall complete or correct the items specified in the attached tentative list on or before _____, 2024 .

1. This certificate does not constitute:
 - a. An acceptance of any contract work, workmanship, materials, services, or equipment which does not comply with the Contract Documents; or
 - b. A release of the Contractor from any further obligations to complete or correct the contract work in accordance with the Contract Documents.
