Applying for a Conditional Use Permit in San Juan County

The term "conditional use permit" refers to a land use which would not be permitted under normal regulations of a zoning district, however, the proposed use may be acceptable within the zoning district if development of the use complies with special conditions provided by the Planning Commission. Specified conditions associated with a conditional use permit (CUP) may only be amended by the Planning Commission. The conditional use permit is revocable by the County if any of the conditions are violated or not met with certain time frames.

Overview:

Conditional use permit applications are reviewed by the Planning Commission and San Juan County staff to determine compliance with the following county code:

Chapter 6, 6-4. Determination

The Planning Commission, or upon authorization, the Zoning Administrator, shall approve a conditional use to be located within any district in which the particular conditional use is permitted by the use regulations of this Ordinance. In authorizing any conditional use the Planning Commission shall impose such requirements and conditions as are necessary for the protection of adjacent properties and the public welfare. The Planning Commission shall not authorize a conditional use permit unless the evidence presented is such to establish:

- (1) That such use will not, under the circumstances of the particular case, be detrimental to the health, safety or general welfare of persons residing or working in the vicinity, or injurious to property or improvements in the vicinity; and
- (2) That the proposed use will comply with intent, spirit, regulations and conditions specified in this Ordinance for such use and the zoning district where the use is to be located, as well as make the use harmonious with the neighboring uses in the zoning district.
- (3) The Planning Commission shall itemize, describe, or justify the conditions imposed on the use.

All conditions outlined in the permit must be maintained in order for the permit to remain valid and in effect.

The Planning Commission may grant one extension up to six (6) months, when it is deemed in the public interest.
