PO Box 9 – 117 South Main Street – Monticello, Utah 84535 – 435-587-3225

---

San Juan County EMS put out needing bids for ambulance cots and received two bids. One bid was from Stryker and one bid was from Ferno. Both bids came in at the same cost but Ferno came in with more product than Stryker. Ferno and Stryker are the only two manufacturers that make cots for ambulances. We are picking the Ferno bid so we don't have to do any altering of the ambulances. Ferno is also buying back the old cots as a trade in for the upgraded cots.
