RECOMMENDATION: Approval

SUMMARY

San Juan County received homeless prevention funds totaling \$180,081.00, to be distributed over three years, with an annual allocation of \$60,027. This funding aims to provide homeless services through projects approved by the Utah Homeless Services Board (UHSB), with the goal of making episodes of homelessness rare, brief, and nonrecurring.

Last year, \$22,863.88 of the allocated funds were utilized for radio and newspaper advertisements, part-time employee hours, and client rental and deposit assistance. Consequently, \$37,163.12 was lost, leading Workforce Services to amend this year's allocation to \$142,917.88.

These services may include:

1. Housing stabilization
