

COMMISSION STAFF REPORT

MEETING DATE: April 6, 2021

ITEM TITLE, PRESENTER: Approval of Amendment No. 3 to the San Juan County Contract with Jviation, A Woolpert Company for Engineering Services for the Pavement Maintenance Project at the Cal Black Airport.

RECOMMENDATION: Approve the Amendment

SUMMARY

The County entered into a service agreement for Engineering and Design Services with Jviation, A Woolpert Company on March 1, 2016. They have since assisted the County in completing our required Masterplan, our 5 Year Capital Plan and have assisted us on our applications for this year's runway replacement project. This amendment provides them additional funds for the engineering services they will perform throughout the project. Funds are reimbursed through the budgeted and FAA funded project.

HISTORY/PAST ACTION

March 1, 2016, the County executed the original agreement and contract with Jviation.

FISCAL IMPACT

\$32,875 of County and FAA budgeted funding for this year's project.
