-General Terms and Conditions-

The Purchaser and Dealer further understand and agree that, coupled with terms and conditions provided on page 1, the following terms and conditions govern the subject matter of this Vehicle Buyer's Order and Purchase Agreement (hereinafter "Agreement"):

1. Purchaser agrees to purchase the vehicle(s) listed on the front page of this Agreement within five (5) days of signing this Agreement or in the case of special ordered vehicle(s) (defined in paragraph 2), within five (5) days of receipt of said vehicle(s) by Dealer. This Agreement is non-cancellable for any reason.
2. Any vehicle(s) not in the Dealer's inventory as of the date of this Agreement are defined herein as special ordered vehicles and are referred to herein as SOV(s). SOV(s) are non-cancellable for any reason.
3. Purchaser shall deliver the original bill of sale and the title to any used vehicle traded herein along with the delivery of such vehicle in the same condition containing the same equipment as when appraised, reasonable wear and tear excepted, and the Purchaser warrants such vehicle to be its property free and clear of lien and encumbrances except as otherwise disclosed to Dealer on the front page hereof. If no trade is listed on the front page of this Agreement, then no trade will be accepted by Dealer.
4. The failure or refusal of the Purchaser to complete the purchase contemplated herein shall be a material breach of this Agreement and Dealer shall be entitled to all rights and remedies under the law, including, but not limited to, lost profits, damages, specific performance and its attorney's fees and court costs. The Purchaser agrees, that in addition to any other legal remedy available to Dealer, any deposit provided to Dealer shall be retained and forfeited to Dealer, and/or in the event a used vehicle has been taken in on trade, the Dealer may sell said used vehicle, and the Dealer shall be entitled to reimburse itself out of the proceeds of such sale, to cover its expense and losses incurred or suffered as the result of Purchaser's failure to complete said purchase.
5. The manufacturer has the right to make changes in the model or design of any accessories and part of any new motor vehicle at any time without creating an obligation on the part of either the Dealer or the manufacturer to make corresponding changes in the vehicle covered by this Agreement either before or after the delivery of such vehicle to the Purchaser. Purchaser agrees to accept the vehicle as manufactured and delivered, even if specific parts or components are not installed or not available at delivery.
6. In no event shall Dealer be liable for delays or failure to deliver the vehicle on a specified day, including delays caused by the manufacturer, accidents, sureties, fires or other causes or acts beyond the control of the Dealer. Any delays caused by pandemics, war, shortages, civil unrest or similar circumstance are at Purchaser's risk.
7. From time-to-time manufacturer surcharges are added to the vehicle(s) listed on the front page of this Agreement. Purchaser agrees to be responsible for any such surcharges at the time of delivery. Surcharge amounts will be added to the final invoice and documentation supporting surcharges will be provided to the Purchaser.
8. NO WARRANTIES EXPRESSED OR IMPLIED, ARE MADE OR WILL BE DEEMED TO HAVE BEEN MADE BY THE DEALER. ANY WARRANTY BY THE MANUFACTURER WILL BE PROVIDED IN WRITING AT THE TIME OF DELIVERY. DEALER MAKES NO WARRANTY, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, AND THE REMEDIES SET FORTH IN THE MANUFACTURER'S WARRANTY, IF ANY, WILL BE THE ONLY REMEDIES AVAILABLE TO PURCHASER. NO WARRANTIES, EXPRESS OR IMPLIED, ARE MADE BY THE DEALER WITH RESPECT TO USED MOTOR VEHICLES. THIRD PARTY WARRANTY MAY BE AVAILABLE FOR PURCHASE AND ARE SOLELY ADMINISTERED BY SAID THIRD PARTY.
9. In case the vehicle covered by this agreement is a used or demonstrator vehicle, no warranty or representation is made as to how such vehicle has been used, regardless of the mileage shown on the speedometer of said used vehicle.
10. In the event that it becomes necessary for the Dealer to enforce any of the terms and conditions of the agreement, Purchaser agrees to pay reasonable attorney's fees and court costs, including collections costs.
11. All past due amounts and payments due to Dealer hereunder shall bear interest at the rate of eighteen (18%) percent per annum.
12. This agreement is non-transferable by the Purchaser nor may any of Purchaser's rights or obligations hereunder be assigned. Dealer may assign all of its rights and obligations hereunder, including to its Affiliates, upon reasonable notice to Purchaser.
13. PURCHASER REPRESENTS that he/she is 18 years of age or older at the time of the consummation of the purchase hereunder.
14. Title/MSO to the vehicle shall remain with the Dealer until purchase price is paid in full; and, until such payment is paid in full, Purchaser hereby grants to Dealer a security interest in the subject vehicle for the purpose of securing payment therefore.
15. No agreement, verbal or otherwise, not contained in this agreement will be recognized.
16. In case of the vehicle covered by this agreement is a used vehicle, the information you see on the window form (Buyer's Guide) for this vehicle shall be made part of this Agreement. Provided, any terms or conditions on such window form which conflict with the terms and conditions of this Agreement, shall govern.
17. The parties agree the term "DEPOSIT" (as used herein) means any deposit paid by the Purchaser to secure, order, or hold Vehicle(s) from Dealer, or its Affiliates. Deposit made by Purchaser is **non-refundable**.
18. Federal Excise Tax will be remitted on the vehicle(s) listed on the front page of this agreement. Purchaser agrees any additions added to the vehicle(s) and not listed on the front page of this agreement which are subject to said tax will be reported to and paid directly by the Purchaser to the Internal Revenue Service.
19. Purchaser is solely responsible to conduct its own due diligence when determining engine size, torque ratings, tires and wheel size, and all other specifications necessary for the proper use of any motor vehicle. Purchaser is solely responsible to ensure any changes made by the manufacturer to the vehicle in the build process conforms to its uses, needs, and requirements. Dealer is not responsible for any changes between orders submitted to the manufacturer and vehicles delivered by the manufacturer. Purchaser is solely responsible for understanding emission requirements and the states' laws where it intends to operate any Vehicle(s) purchased from Dealer. Purchaser is not relying on any recommendations by Dealer as to the legality of operating any Vehicle(s) in any country, state, city or location.
20. Purchaser acknowledges, understands, and agrees that Dealer may commingle the deposit with Dealer's other funds, and that neither Dealer nor its Affiliates shall be required to place the deposit in a trust account or to pay Purchaser interest thereon.
21. For the purposes of this Agreement and all attendant documents, "Affiliates" shall mean any individual, joint venture, partnership, corporation, business entity, member or stockholder which controls, is controlled by, or is under common control with, or the management and operations of which are substantially influenced by, Dealer.
22. This Agreement is the exclusive agreement between the parties with respect to its subject matter and as of its reference date supersedes all prior agreements, negotiations, representations, and proposals, written or oral, related to its subject matter. Its terms cannot be modified, supplemented or rescinded except by an agreement in writing signed by an authorized representative of all parties. There are no conditions precedent to the effectiveness of this Agreement other than those expressly stated in this Agreement. In entering into this Agreement, neither party has relied upon any statement, representation, warranty or agreement of the other party except for those expressly contained in this Agreement.
23. In the event that any portion of this Agreement shall be held to be unenforceable, the remaining portions of this Agreement shall remain in full force and effect.
24. Except as otherwise provided in this document, this Agreement may be modified, superseded, or voided only upon the written and signed agreement of the parties.
25. This Agreement and any disputes arising out of or in connection with this Agreement shall be governed by and construed in accordance with the laws of the State of Utah except for that portion relating to conflicts of laws. Any matter involving interpretation or enforcement of this Agreement shall be brought in the state or federal courts in Salt Lake County, Utah. The parties hereby accept the jurisdiction of those courts.
26. The Dealer does not have control of additional surcharges added by the manufacturer after the order date. Any such surcharges will be passed on to the Purchaser, and documentation supporting those surcharges will be provided to the Purchaser.
