

COMMISSION STAFF REPORT

MEETING DATE: February 15, 2022

**ITEM TITLE,
PRESENTER:** Consideration and Approval for Collection of the Annual Gross Sales for San Juan County for CY 2021 to determine the Sales Tax Leakage, Elaine Gizler, Economic Development & Visitor Services Director

RECOMMENDATION: Approve

SUMMARY

Utah Tax Commission to provide the Annual gross Sales for San Juan County for 2021 with the business name, business address, NAICS code, and gross sales in Excel format to determine the Sales Tax Leakage in San Juan County. This information will be proprietary, all data will be kept confidential, and no information will be disclosed for groups of less than ten businesses. Zions Public Finance will create a sales Tax Leakage report, prepare the information, and present the findings to San Juan County.

SEUALG will include Grand and San Juan Counties this year in the report. SEUALG will cover the costs of processing the information.

HISTORY/PAST ACTION

The BEAR group in Carbon and Emery Counties has constantly completed a retail sales leakage report in Carbon and Emery Counties. Zions Public Finance creates the information, and they usually do a presentation on the findings to whatever group we wish to work with. This year Southeast Association of Local Governments would like to include San Juan County.

FISCAL IMPACT

None- Southeast Association of Local Governments will pay for the cost of the report
