Dear San Juan County Commissioners,

I am writing to express my interest in serving on the San Juan County Mental Health/Substance Abuse Board.

I would like to bring my experience and perspective as a former educator to support the county's mission to improve treatment for mental health and substance abuse. I have worked with elementary, middle, and high school students over the years and have witnessed the impacts that lack of resources, information, or access to mental health services have on their futures. I believe I would be an effective board member with my willingness to listen, learn, and collaborate with others.

Thank you for your consideration,

Ann Austin
