**RE: Sole Source Justification – CBA/Custom Blend – A Dust Suppressant**

To Whom It May Concern,

San Juan County Road Department would like to purchase Custom Blend – A Dust Suppressant for routine dust control projects in 2023. The CBA/Custom Blend – A Dust Suppressant has been used by San Juan County for approximately seven years and works better than regular Magnesium Chloride and lasts longer.

Desert Mountain Corporation has been San Juan County Road Department's supplier for many years and introduced this project to our area. Desert Mountain will deliver and apply the product and we have been pleased with their performance and their product's performance.

Thank you for your consideration in approving this purchase.

Sincerely,

Todd Adair  
San Juan County  
Road Superintendent
