	<b>Cemb laptop for the DWA 1000 netbook.net</b>	<p>This is the current laptop updated with the latest software</p> <p>Please make sure the address is all correct before signing and returning this quote. As soon as we get this signed and returned an invoice will be sent out. When payment is received the product will ship directly to you</p> <p>Cemb is saying to replace the laptop every 5 years to stay current on the computer other wise just selling you the update for \$765.82 and then finding out the computer is outdated and wont accept the update. This unit was installed in 2011 and will more than likely not take the update. Software is non refundable</p>	1	1,276.57	1,276.57T
