TJ,

This is for this years pricing on the 938 Loaders if you wanted to trade any in for new.

Regards,

Marco

Marco,

Let's go with the following for this year's 4 machines:

Sale Price, FOB, San Juan Cnty Rd: \$231,000 includes Bucket only and 4 year/4000 Hr PHT Warranty

Guaranteed Buyback for current trades coming in and for next year: \$231,000 each.

Yes, it will be a \$0 difference but that is what we need to do.
