Utah Division of Water Quality
195 N 1950 W
Salt Lake City, UT 84116

The Southeast Utah Health Department (SEUHD) requests approval to manage graywater systems within its jurisdiction. The SEUHD can adequately meet all of the following necessities to administer a graywater program:

Adequacy of staff and resources to manage the increased workload.

The technical capability to administer the new program including any training plans that are needed;

The legal authority to implement and enforce correction of any malfunctioning system and its commitment to exercise this authority.

Agrees to advise the owner of the system of the type of system, and information concerning risk of failure, level of maintenance required, financial liability for repair, modification or replacement of a failed system and periodic monitoring requirements;

Will advise the local building authority of the approved graywater system on the property;

Will provide oversight of installed systems; record the existence of any graywater system on the deed of ownership for that property

Will implement a graywater system operating permit program consisting of:

(1) Tier 1 system operating permits may be issued at the discretion of the regulatory authority; and

(2) Tier 2 system operating permits issued with a renewal frequency not exceeding five years and inspection by the regulatory authority prior to renewal, or annual inspections by the regulatory authority consisting of the greater of 20 percent of all installed systems or the minimum of ten installed systems.

Will maintain records of all installed systems, failures, modifications, repairs and all inspections recording the condition of the system at the time of inspection such as

overflow, surfacing, ponding and nuisance; and submit an annual report to the Division on or before September 1 for the previous State of Utah fiscal year's activities showing:

- (1) the type and number of graywater systems approved, installed, modified, repaired, failed, and inspected;
- (2) a summary of enforcement actions taken, pending, and resolved;
- (3) number of variances granted or denied; and
- (4) a summary of any water quality performance data collected.

APPROVED this 26th day of May, 2020.
