

STAFF REPORT

MEETING DATE: July 11, 2024

ITEM TITLE, PRESENTER: 2024 Land Use, Development and Management Ordinance Update, Kristen Bushnell, Planning Administrator

RECOMMENDATION: Informational Item Only

SUMMARY

Our legal team is continuing work on the 2024 Zoning Ordinance. We continue to receive feedback from the public, which will be forwarded to all Planning Commissioners. The deadline for legal review has been pushed back to August 8th (to be updated at the next regularly scheduled Planning Commission meeting).

Once completed, we will arrange dates and times for a community workshop for La Sal and surrounding communities, have further reviews with the Planning Commissioners of finalized documents based on all stakeholder input, post public hearing notices and send postcards to property owners of the anticipated legal adoption meetings.
