SUMMARY

The County has received a Temporary Conditional Use Application from Frank Herrmann to be located on his property on parcel #000650000040 in Old La Sal. The RV trailer will be temporarily used as a living quarter while building house. Once the home is constructed the RV trailer temporary set up will be disassembled.

This property is located within the Agricultural Zone (A-1) north from State Road 46. Under the Agricultural Use District, temporary buildings for uses incidental to construction work, including living quarters for a guard or night watchman – such buildings must be removed upon completion or abandonment of the construction work are permitted as a Conditional Use.

By definition, a Temporary Permit may be issued for any use listed as conditional use for that zone for no longer than six (6) months but may be extended for an equivalent period with a maximum of three (3) extensions, for a maximum of 24 months total.

In authorizing any temporary conditional use, the Planning Commission shall impose such requirements and conditions as are necessary for the protection of adjacent properties and the public welfare. The Planning Commission shall not authorize a conditional use permit unless the evidence presented is such to establish:

- (1) That such use will not, under the circumstances of the particular case, be detrimental to the health, safety, or general welfare of persons residing or working in the vicinity, or injurious to property or improvements in the vicinity; and
- (2) That the proposed use will comply with intent, spirit, regulations, and conditions specified in this Ordinance for such use and the zoning district where the use is to be located, as well as make the use harmonious with the neighboring uses in the zoning district.
- (3) The Planning Commission shall itemize, describe, or justify the conditions imposed on the use.

Possible Conditions to Consider:

- *Must protect any existing well water sources from contamination.*
- *Must comply with the Utah Division of Drinking Water requirements for any water storage tanks on the site.*
- *Must comply with all building code and permit requirements.*
- *Must comply with San Juan County Health Department requirements.*
- *Must comply with San Juan County business license requirements.*
