

Tuesday, December 17, 2024

Hi this is Jackie Jeppson and I'm interested in filling your library board position in Blanding. I am a native of Blanding. I have a BS in Marketing and a Masters in Special Education. I taught school for most of my career. I also ran the vocational education program at USU for 8 years. I am retired and don't see a problem that interferes with other programs that I am currently involved with.

Thanks for your consideration,
Jackie Jeppson
