The indemnity obligation shall include, but not be limited to, loss of or damage to property, bodily or personal injury to, or the death of any person. The Customer's obligation under this provision of the Agreement shall not extend to liability caused by the sole negligence of the Company.

Company agrees to use commercially reasonable efforts towards work completion. Such completion is subject to timely Customer performance of any Customer required items including execution of this Agreement and associated payment. When there are emergencies or unanticipated events which cause power outages or threaten the Company's ability to provide electric service as it is legally required to provide as an electric utility company, then the Company personnel assigned to perform the work may be withdrawn from the work until such time as the unanticipated event or emergency is concluded. In the event that the Company personnel are removed from the work in response to such an event or emergency, then the time for completion of the work shall be extended by a period of time equal to that period from the time the personnel are removed from the work until they are available to continue the work plus 48 hours.

Under no circumstances shall Company be liable for economic losses, costs or damages, including but not limited to special, indirect, incidental, punitive, exemplary or consequential damages.

The Customer may, at reasonable times and by written agreement with the Company, request additional work within the general scope of the work as described in this Agreement or request the omission of or variation in the work, provided, however, that the Customer and Company agree to increase or decrease the amount the Customer is to pay the Company and such changes in scope are reasonably acceptable to the Company.
