- 2) **Procurement** - The Project Sponsor will designate a qualified project engineer from its staff or hire a project engineer from the Project Sponsors consultant pool or the prequalified UDOT pool, who will be responsible for project delivery.  - b) **Environmental Work** - The Project Sponsor will acquire the appropriate clearances and permits through the design process. The Project Sponsor can follow their own adopted environmental process or follow the Recommended Environmental Guidance / Mountainland & Utah County Programmed Projects document (including designating with the Program Manager the type of environmental work to be completed), or any other stricter environmental process under local or federal law. The Project Sponsor must follow any National Environmental Policy Act (NEPA) requirements required (Endangered Species Act, Clean Water Act, etc.), and any other local or government agency requirements for the Approved Project.
 - c) **Design Work** - The Project Sponsor will involve the Program Manager at the following design milestones:

- (1) Kickoff Meeting,
 - (2) 30% Scope and Schedule Review,
 - (3) 60% On Site Plan Review,
 - (4) 90% Plans, Specifications and Estimate,
- d) **Final Design Approval** - Once project design is completed, the Project Sponsor will review the final design with the Program Manager. Both parties shall agree that the project is ready for the construction phase.
 - e) **ROW Acquisition** - The Project Sponsor will be responsible to acquire all necessary ROW adhering to state and local laws. The Project Sponsor can follow their own adopted ROW acquisition process or follow the Recommended Right of Way Acquisition Guidance / Mountainland & Utah County Programmed Projects guidance document, or as required by Utah law.
 - f) **Construction Advertising** - To advertise construction, the Project Sponsor shall follow Utah state code Section 63G-6a-101 or its own procurement/purchasing policy. All construction bids will include a 10% construction contingency. The Project Sponsor will provide a copy of the advertisement and the notice of award to the Program Manager.
- 4) **Project Signage/Contact Info** - It is recommended that the Project Sponsor install signage informing the public of the following:
- a) Project name.
 - b) Project description.
 - c) Start and completion dates (general).
 - d) Contact name, phone number, website address, email.
 - e) Use the sentence “This project funded with Mountainland Transportation Funding”.
 - f) List project sponsors and their logos (Project Sponsor, Mountainland, Utah County).
 - g) Generally, one sign at each access point to the project shall be installed.
 - h) Signs should be at least 4’ x 6’, or large enough for passing motorists to read.
 - i) Signs should be installed prior to construction and stay in place through construction.
- 5) **Construction Process** - The Project Sponsor will manage the construction process.
- a) The Program Manager will be notified of any changes that affect the scope of the project or costs that exceed the construction contingency.

- 6) **Project Completion** - Program Manager staff will be notified and allowed to attend the final inspection of the completed project.
- 7) **Project Hold** - The Program Manager has the authority to place a project on hold at any time during the project development process or withhold reimbursement of invoices during the construction process if the Program Manager deems that the Approved Project is not within the Approved Project scope or budget. The Program Manager shall notify the Project Sponsor of the hold in writing and will work with the Project Sponsor to rectify the issues promptly. If the Project Sponsor and Program Manager cannot bring the Approved Project back into scope or if additional funding is needed above what the Program Manager or the Project Sponsor can provide, the issues will be brought to the Mountainland MPO committees for their review, recommendations, resolutions, and approvals.
- 8) **Total Project Cost** - Both the Program Manager and Project Sponsor acknowledge that the Approved Project has been authorized by the Mountainland MPO Regional Planning Committee (Utah County Commission must also approve if county funds are used) to be funded at an amount not to exceed \$4,400,000.00 (Total Project Cost) for the direct costs of the Approved Project.
 - a) **Matching Funds** - The Project Sponsor is required to pay a match or portion of the Total Project Cost. This amount is 6.77% of the Total Project Cost. The use of Project Sponsor equipment and/or Project Sponsor employee time for the project shall not be reimbursable, but can be claimed by the Project Sponsor as a soft match toward the required 6.77% matching funds required from the Project Sponsor. Soft match being used as the required match for this project is N/A, equating to \$ 0.00. The Project Sponsor is required to pay the difference between the required match and the value of the soft match, if any.
 - b) **Multi-Year Funding** - Some projects require funding across multiple fiscal years. Reimbursement for Approved Project activities can only be made up to the available amount identified in a single fiscal year. Any balance from a prior year where available funds have not been expended for the Approved Project are then advanced to the next fiscal year and are added to the funds available that fiscal year. Fiscal years for MAG Exchange Funds begin each year on October 1st or as otherwise designated in the Cooperative Agreement between MAG and UDOT, and for County Transportation Sales Tax Funds on January 1st. The Approved Project has \$4,400,000.00 in 2022, N/A in 2023.
 - c) **Funding Availability** - MAG Exchange funds are distributed to the MPO generally in

October each year through a cooperative agreement with UDOT. The exchange process requires that MPO federal funds be exchanged with UDOT for state funds on an annual basis. The federal funds are made available by congress, the release of funds can fluctuate yearly. County Transportation Sales Tax funds are generally available each January and are generated by sale tax revenue, which can fluctuate with the economy. MAG will not reimburse expenses on an Approved Project unless funding is made available by UDOT and Utah County. This could require the Approved Project to be placed on hold by the Program Manager or that the Project Sponsor advance their own funds toward the Approved Project with reimbursement to be made by the Program Manager upon receipt of available funding from UDOT and/or Utah County.

- d) **Reimbursement** - The Project Sponsor, if desiring reimbursement for the direct costs of the Approved Project, will provide the Program Manager with one monthly itemized invoice detailing actual costs for the ROW acquisition, design, utility relocation, construction, or other approved elements of the project. Appropriate backup materials shall also be supplied by the Project Sponsor to the Program Manager without requiring separate inquiry. The Program Manager agrees to reimburse the Project Sponsor within 30 days of receiving acceptable itemized invoices establishing the validity of the direct costs of the Approved Project. The maximum amount of reimbursement from the Program Manager to the Project Sponsor for any fiscal year shall be the available funds actually received by the Program Manager for such fiscal year. The maximum amount of reimbursement from the Program Manager to the Project Sponsor for the entire cost of the Approved Project shall not exceed \$4,100,000.00 (Total Project Cost less Matching Funds). Any costs which exceed \$4,100,000.00 shall be the sole responsibility of the Project Sponsor. The Program Manager will review and approve monthly each itemized invoice and will reimburse the total invoice amount less the required matching funds.

- e) **Cost Overruns** - The Program Manager maintains a contingency account for cost overruns. The Project Sponsor may request additional funds above the approved Total Project Cost with supporting documentation demonstrating the need for additional funds. The Program Manager may approve up to 10% of the Total Project Cost up to a maximum of \$500,000. The MPO Regional Planning Committee can approve higher amounts (Utah County Commission must also approve if county funds are used). The addition of these contingency funds would require a modification to this Agreement. If no additional funds are awarded or the Approved Project still requires additional funds, the Project Sponsor will be responsible to fund the overrun.

- f) **Surplus Funds** - Any surplus funds remaining after the completion of the Approved Project will be returned to the Mountainland or Utah County fund balance to be reallocated to other projects selected through the MPO project selection process. Note that Mountainland and Utah County selects and funds projects, not project sponsors. Surplus funds cannot be moved to a new project not already approved through the MPO project selection process. Any surplus funds paid by the Project Sponsor shall be returned to the Project Sponsor.
- 9) **Liability, Ownership and Maintenance of Approved Project** - The Project sponsor bears all liability through all stages of project development and construction. The Project Sponsor shall own and be responsible for maintenance, repair, and replacement of the completed project.
- 10) **Inspection of Approved Project** - The Program Manager and its designees, upon reasonable notice, reserve the right to enter upon the Approved Project to inspect the same to verify compliance with this Agreement.
- 11) **Other Expenses** - Except as otherwise expressly stated herein, all expenses not identified as a part of the Approved Project or executed prior to the Agreement shall be the sole responsibility of the Project Sponsor.
- 12) **No Third-Party Rights** - The obligations of the parties set forth in this Agreement shall not create any rights in or obligations to any persons or parties other than to the Project Sponsor and Program Manager. This Agreement is not intended to, nor shall it be construed to benefit any third party.
- 13) **Recitals** - The Recitals portion of this Agreement constitutes a part of this Agreement.

Section 7. FILING OF INTERLOCAL COOPERATION AGREEMENT.

Executed copies of this Agreement shall be placed on file with the official keeper of records of the Program Manager and the Project Sponsor and shall remain on file for public inspection during the term of this Agreement.

Section 8. AMENDMENTS.

- 1) **Amending this Agreement** - This Agreement may not be amended, changed, modified, or altered except by an instrument in writing which shall be one of the following: (a) approved

by Resolution of the governing body of each of the parties, (b) executed by a duly authorized official of each of the parties, and (c) filed in the official records of each party.

- 2) **Change Orders** - Changes can occur throughout a project. Changes that are outside the scope outlined in this Agreement must be amended as stated above. Minor changes and adjustments that fall within the original project scope can be addressed with a change order. A change order does not require amending this agreement. A change order is defined as that additional effort necessary by reason of changed conditions which are radical, unforeseen, and completely beyond the control of the Project Sponsor. The Project Sponsor shall create the change order and keep records of them. Any additional costs incurred can be covered by the construction contingency or by added local funding and should be addressed in the change order. If additional costs are more than the construction contingency and available local funds, the Project Sponsor shall contact the Program Manager to review funding options.

Section 9. EXTRA WORK

Extra work shall be undertaken only when previously authorized in writing by the Program Manager and is defined as additional work which is neither shown nor defined in this Agreement. Extra work includes additional improvements adjacent to the Approved Project or in other locations that the Project Sponsor desires to complete as a package of other approved projects. Extra work can be for utility projects, facilities that tie into the Approved Project, project betterments, or other work desired by the Project Sponsor. No costs incurred by extra work can be billed to the Approved Project. Any invoices submitted by the Project Sponsor shall clearly detail costs incurred by the Approved Project and list separately costs incurred by the extra work. Extra work shall be outlined in a new exhibit.

Section 10. SEVERABILITY.

If any term or provision of this Agreement or the application thereof shall to any extent be invalid or unenforceable, the remainder of this Agreement, or the application of such term or provision to circumstances other than those with respect to which it is invalid or unenforceable, shall not be affected thereby, and shall be enforced to the extent permitted by law. To the extent permitted by applicable law, the parties hereby waive any provision of law, which would render any of the terms of this Agreement unenforceable.

Section 11. GOVERNING LAW.

All questions with respect to the construction of this Agreement, and the rights and liability

of the parties hereto, shall be governed by the laws of the State of Utah.

Section 12. INDEMNIFICATION.

The Project Sponsor shall indemnify and hold the Program Manager harmless from any and all claims of liability for any injury or damage to any person or property whatsoever occurring in, on or about the Approved Project or any part thereof. The Project Sponsor shall further indemnify and hold the Program Manager harmless from and against any and all claims arising from any breach or default in the performance of any obligation on the Project Sponsor's part to be performed under the terms of this Agreement, or arising from any act or negligence of the Project Sponsor, or any of the Project Sponsor's agents, employees, contractors, subcontractors, or invitees and from and against all costs, reasonable attorney's fees, expenses and liabilities incurred in the defense of any such claim or any action or proceeding brought thereon. Both the Project Sponsor and Program Manager agree that the terms of this Agreement are subject to, and not a waiver of, the protections, immunities, and liability limits of the Governmental Immunity Act, U.C.A. 63G-1-101, et. seq. The Project Sponsor's obligations under this provision shall survive the expiration or other termination of this Agreement.

Section 13. ENTIRE AGREEMENT

This Agreement shall constitute the entire agreement between the parties and any prior understanding or representation of any kind preceding the date of this Agreement shall not be binding upon either party except to the extent incorporated in this Agreement.
