To: Mayor & Council  
From: Benjamin Reeves, City Manager  
Date: March 16, 2021  
Subject: Admission into the Utah State Retirement System (URS) for Firefighter Retirement

---

Mayor & Council,

With the recent appointment of our very first full-time firefighter position within Santaquin City, we need to expand Santaquin City's eligibility and participation in the URS System to allow for firefighters. The attached resolution facilitates this effort.
