

MEMORANDUM

February 6, 2023

To: Chair and Board Members
Community Development and Renewal Agency of Santaquin City

From: Jon Lundell, P.E., City Engineer

RE: **Santaquin Peaks Offsite Utilities – Materials Purchase**

Chair and Board Members,

For the Santaquin Peaks offsite utilities project, Santaquin City will be providing the materials for the water pipelines for the Santaquin Peaks Offsite Utilities Project. Staff has received quotes from Mountainland Supply Company and Western Water Works for these materials.

During review of the quotes, consideration was given to the availability of materials, in addition to price. Because of the availability of materials, staff recommends that the Community Development and Renewal Agency of Santaquin City purchase the needed pipe materials for the Santaquin Peaks Offsite Utilities project from Mountainland Supply Company for the amount of \$675,359.05.

I am happy to answer any questions you may have on this item.

Recommended Motion:

Motion to authorize the purchase of pipe materials for the Santaquin Peaks Offsite utilities project from Mountainland Supply Company for the not to exceed the amount of \$675,359.05.
