WHEREAS, Santaquin City (the “City”) is a political subdivision of the State of Utah, authorized and organized under applicable provisions of Utah law; and

WHEREAS, Santaquin has experienced significant growth in the past and anticipates more growth in the future; and

WHEREAS, a Master Plan, IFFP, & IFA are necessary for the management of wastewater within the community, and Santaquin anticipates needing to expand its sewer collection and treatment systems and facilities as future growth occurs; and

It is the intent of the City Council that the provisions of this ordinance be made part of the Santaquin City Code as adopted, that sections of this ordinance may be re-numbered or re-lettered, and that the word ordinance may be changed to section, chapter, or other such appropriate word or phrase in order to accomplish such intent regardless of whether such inclusion in a code is accomplished. Typographical errors which do not affect the intent of this ordinance may be authorized by the City without need of public hearing by its filing a corrected or re-codified copy of the same with the City Recorder.

If any part of this ordinance or the application thereof to any person or circumstances shall, for any reason, be adjudged by a court of competent jurisdiction to be unconstitutional or invalid, such judgment shall not affect, impair or invalidate the

It is hereby declared to be the intent of the City Council that this section would have been adopted if such invalid section, provisions, subdivision, sentence or part of a section or application had not been included.
