

# Request For A Traffic Control Device

110 S. Center Street, Santaquin, Utah 84655  
801-754-1011 [www.santaquin.org](http://www.santaquin.org)

**Note:** This application, in addition to all required information and exhibits, must be turned into the Community Development Department 14 days prior to a regularly scheduled Development Review Committee meeting for it to be on an agenda. All submitted proposals will be reviewed in accordance with Santaquin City Code.

**Meetings:** Development Review Committee meetings are held the 2<sup>nd</sup> and 4<sup>th</sup> Tuesdays of each month at 10:00 A.M. The meeting is held in the City Offices, located at 110 S. Center Street. Depending on the date of application, the Community Development Department will inform you of the day and time in which your request will be considered by the Development Review Committee.

## Applicant Information

Applicant Name:

MaryAnn Lauritzen

Address:

[REDACTED]

Telephone:

[REDACTED]

Email:

[REDACTED]

Application Date:

9/6/2025

## Requested Traffic Control Device Information

Address of Proposed Traffic Control Device:

Royland Drive 120 East Santaquin/Royland Drive

Type of Traffic Control Device Requested:

4 way stop signs

## Description and Justification for the Request

On September 2, 2025, a young boy in our neighborhood was struck in a hit-and-run accident.

This incident highlights the ongoing danger posed by speeding vehicles on our residential streets, mainly

Royland Drive. Our neighborhood is home to families with children, grandparents, and pedestrians who deserve to feel

safe walking and crossing the street. The recent accident makes it clear that immediate action is

needed. We strongly urge the city to install 4-way stop signs at specific intersection(s), Royland Dr

and 120 East. These signs would slow traffic, increase driver awareness and help prevent future tragedies.

## Applicable Exhibits

Please attach any drawing, map, or other information that can illustrate your request.
