Requested Traffic Control Device Information

Address of Proposed Traffic Control Device:

610 N. 200 E (or 710 N or 730 N)

Type of Traffic Control Device Requested:

Crosswalk, School Zone Signs,

Description and Justification for the Request

There is a steady stream of cars before and after school on 200 E. Kids that need to cross 200 E have no safe way of doing so. I have watched multiple times when kids have to jolt across inbetween the stream of cars, nearly getting hit. It is irresponsible of our city, school district (all in charge) to not have a crosswalk, or any signage. PLEASE do something.

Applicable Exhibits

Please attach any drawing, map, or other information that can illustrate your request.
