RE: Chip Seal Bid Alternate on S. River Street Waterline Replacement Project

Hello,

Due to the inability to secure a Chip Seal subcontractor and the weather turning for a successful chip seal, we are unable to complete the bid alternate for chip seal and fog seal items this construction season. We are requesting an extension of our contract in order to complete these items during the 2025 construction season.

We apologize for the inconvenience and sincerely appreciate your consideration in this matter.

Respectfully,

Crystyn Lasley, CEO

Rocky Mountain Sand & Gravel, LLC
