To Whom it May Concern:

I am writing to express my interest in joining the recreation board in Saratoga. I understand there are a couple openings for this board and was approached by a few citizens to fill one of the openings. I would be happy to fill a position and sit for the remainder of a term or a full new term, whatever is most convenient for the group.

I grew up in Saratoga and am now back to finish raising my kids here in this great community. I think my familiarity with Saratoga and the people here, along with my life experiences in coaching and leadership would help add a good voice to the Rec board.

Thank you for your consideration, please get in touch with me if you have any questions or concerns.

Sincerely,

Casey Jones
