Scope of Work

This will complete the upgrade of spin bikes for our cycling room. We currently have roughly 40-50 members and cycling class attendees who use the cycling room. Instructor-led classes have been limited to 5 people with the current bike arrangement.

Budget

Budget line item 10-445-486 Gym Equipment has a balance of roughly \$5000.00 for the 2022-2023 fiscal year.

Director's Comments

I have been working the last year to update equipment in the PVCC/Town Gym according to the most used and most outdated pieces we have. They cycling bikes are increasingly more popular with the addition of the internet building wide. The purchase of three new bikes will upgrade to have 9 cycling bikes in the cycling room to accomodate larger classes and community involvement.
