

Petition for the construction of a new Bike Track/ Pump Track in Saratoga

We, the undersigned children and youth of Saratoga, would like a new bike track in town. We believe that having a dedicated bike track in Saratoga would benefit our community and provide us with a safe and fun space to ride our bikes.

Reasons for Supporting a new Bike Track Project:

1. **Safety:** The current bike track is not well designed and has many safety issues. By rebuilding it, we can improve on how it works, but also make it a safer place for everyone to ride.
2. **Recreation:** A developed bike track would give kids something to do other than playing sports.
3. **Everyone Loves Bikes:** Bike riding is something that almost everyone can participate in.
4. **Lifelong Bikers:** Many kids lose interest in riding their bikes at a young age. By creating a bike course, we can give kids a more challenging space to ride their bike, keeping kids riding bikes longer.
5. **Builds Community:** A bike track is a place the whole family can use and enjoy as well as a place to make new friends and share the joy of riding a bike.

Therefore, we, the undersigned, ask that the Town to consider our request for the construction of a new bike track/pump track in Saratoga. Thank you for your time.
