## Letter of Interest

*Friday, July 17<sup>th</sup>, 2026*

Dear Mr. Mayor and Council Members,

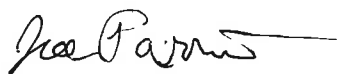

I would like to express my interest in being considered to fill the remaining term of Councilman Cooley's position on the council.

I have worked with the public for my entire life and have served the town in the past as a representative on the Carbon County Economic Development Corporation board. I am currently serving on the Carbon County Land Use Plan Steering Committee, and I am the chairman of The Platte Valley Legacy Foundation. I also own Parrie Properties, a retail rental company on Bridge Street, with my wife and my mother.

I worked at Carbon Power & Light for 25 years. As the Director of Member Services and Marketing I was a supervisor and a member of the staff. I have a State of Wyoming Low Voltage Communications license and an electronics degree from Central Wyoming College.

I have lived in Saratoga my entire life, am now retired, and can take the time to do my best in the interest of the community.

Thank you for your consideration,

Joe Parrie
