That would be good, I need to get Council approval. Could you send be a quote to run it two weeks?

Thank you,

Sorry, I was out delivering newspapers, it's publication day today.

If you want all the information that you sent over in the ad, the smallest I could make it is a 4x8 ad which runs \$344.00. If there is some of the information that can be taken out, we could get it smaller.
