Attached is your Community Project Distribution Form for 2022. Please have this filled out and sent back to me by December 31st, via fax or e-mail.

Again this year the Wyoming Community Gas Board has decided to hold the Community Project Distribution checks until May 2023. The total distribution each year is based on anticipated monies received by Wyoming Community Gas from June 2022 through May 2023. Because our total distribution continues to increase, we do not have the funds available to distribute all checks in the fall/winter like we have in previous years.

If your community needs the distribution money, or any part thereof, prior to May 2023, please let me know and I will try to accommodate all requests as funds become available throughout the year.

The continued success of Wyoming Community Gas is due to the help of you, our member communities, and we greatly appreciate it!

Please let me know if you have any questions or need any additional information.

Community Project Designations

Every year Wyoming Community Gas makes a distribution of earnings to member communities. This year our Board of Directors would like you to designate the project(s) your City or Town wants the money used for before we issue the check. This will give Wyoming Community Gas more direct exposure to the citizens in each community.

Please return this form as soon as possible, preferably by December 31, 2022.
