To Whom It May Concern,

I am writing to express my enthusiastic interest in joining the Membership Board for the Saratoga Recreation Commission. With over 10 years of experience in strategic leadership and a deep passion for community service, I am excited about the opportunity to contribute to your impactful mission.

In my role as Saratoga Lion's Club President (2021) and current Chairman of the Junior Golf Committee, my leadership has driven significant growth in youth sports participation and contributed to several community-oriented initiatives. These experiences have honed my skills in financial oversight, strategic planning, and team management, which I believe will be valuable assets to your Board.

I am impressed by the Recreation Commission's goal of continually expanding access to indoor and outdoor recreational programs, aligning with my values and experience in community outreach. I also admire Carter Edward's dedication to service, and I would love to explore how my strategic input and leadership skills could contribute to your team's success. Enclosed is my resume detailing my professional employment history in Saratoga. I am eager to discuss how my skills align with the Board's needs. Please contact me at (307) 329-6688 or email tgdziadon@gmail.com to arrange a meeting. Thank you for considering my application. I look forward to connecting soon.

Best regards,
Tim Dziadon
