Lori Richmond, City Clerk

TO whom it may concern,

I Richard nemanic am writing this letter to apologize for removing the two pieces of the fallen totem pole from the city of saxman parking lot. My intent was to save the pieces from completely rotting away by stabilizing the pieces and attaching them back together to hopefully preserve the pieces from further decomposition.

Until today I was unaware of the traditions that coincide with the totems, knowing now after having it explained the traditions of a fallen totem it is clear to me why it is so important to leave the totems in there fallen/resting place.

I truly am sorry I meant no disrespect I thought I was doing some thing positive but I was clearly wrong

Again i apologize to all I have offended I am very sorry.

Richard Hulse Nemanic
