

City of Saxman, Alaska -- Letter to the City Council

For the Year Ended June 30, 2020

January 6, 2021

To the Honorable Mayor and City Council of the City of Saxman  
Saxman, Alaska

I have audited the financial statements of the City of Saxman (the City) as of and for the year ended June 30, 2020, and have issued my report thereon dated January 6, 2021. Professional standards require that I advise you of the following matters relating to my audit.

**My Responsibility in Relation to the Financial Statement Audit**

As communicated in my engagement letter dated May 1, 2020, my responsibility, as described by professional standards, is to form and express an opinion about whether the financial statements that have been prepared by management with your oversight are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. My audit of the financial statements does not relieve you or management of its respective responsibilities.

My responsibility, as prescribed by professional standards, is to plan and perform my audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control over financial reporting. Accordingly, as part of my audit, I considered the internal control of the City solely for the purpose of determining my audit procedures and not to provide any assurance concerning such internal control.

I am also responsible for communicating significant matters related to the audit that are, in my professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, I am not required to design procedures for the purpose of identifying other matters to communicate to you.

**Planned Scope and Timing of the Audit**

I conducted my audit consistent with the planned scope and timing that I previously communicated to you.

**Compliance with all Ethics Requirements Regarding Independence**

I have complied with all relevant ethical requirements regarding independence.

## **Qualitative Aspects of the Entity's Significant Accounting Practices**

### *Significant Accounting Policies*

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by the City is included in Note 1 to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during the fiscal year. No matters have come to my attention that would require me, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

### *Significant Accounting Estimates*

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.

### *Financial Statement Disclosures*

The financial statement disclosures are neutral, consistent, and clear.

## **Significant Difficulties Encountered During the Audit**

I encountered no significant difficulties in dealing with management relating to the performance of the audit.

## **Uncorrected and Corrected Misstatements**

For purposes of this communication, professional standards require me to accumulate all known and likely misstatements identified during the audit, other than those that I believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require me to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole. Management has corrected all identified misstatements.

In addition, professional standards require me to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures. The following material misstatements that I identified as a result of my audit procedures were brought to the attention of, and corrected by, management:

- Adjustments to the net OPEB and net Pension Liabilities and related accounts as of June 30, 2020. For the government as a whole, the adjustments reduced net pension liability by \$29,000 and decreased net OPEB liability by \$34,600, increased deferred outflows of resources by \$48,300, decreased deferred inflows of resources by \$12,300, and increased pension and OPEB benefit by \$69,000 for the year ended June 30, 2020.
- Record debt service for the first half of the year on the City's governmental outstanding debt obligations of \$16,000.

- Record the receipt of CARES funding from the State of Alaska prior to year-end of \$239,300.
- Accrue June 2020 utility revenue of \$19,700.
- Properly State CARES funding related deferred income and interfund receivable and payables totaling \$36,600.

### **Disagreements with Management**

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to my satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to the City's financial statements or the auditor's report. No such disagreements arose during the course of the audit.

### **Representations Requested from Management**

I have requested certain written representations from management, which are included in the attached letter.

### **Management's Consultations with Other Accountants**

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed me that, and to my knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

### **Other Significant Matters, Findings or Issues**

In the normal course of my professional association with the City, I generally discuss a variety of matters, including the application of accounting principles and auditing standards, operating conditions affecting the entity, and operating plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to my retention as the City's auditor.

---

This report is intended solely for the information and use of the Board of Directors and management of the City and is not intended to be and should not be used by anyone other than these specified parties.

Sincerely,

A handwritten signature in cursive script, appearing to read 'MEM'.
