Hello [redacted]

Unfortunately the deadline for the December Utility/Rental assistance grant was on Monday 12/14. Our office closed for the holidays at noon on Friday 12/18. We will be open again on Monday 1/4. Please do check our website (City of Saxman) in January to see if we are able to continue any of our COVID Relief grant programs. At this point we are not sure what will be offered. Wish I could be of more help.

Hey Frank. I would like to ask you, if you can, to intervene for us with Crystal Williams on our mortgage assistance application. Apparently we submitted it a few days late and now the office is closed for several weeks. I have requested an exception based on us not checking our mail as often as we would normally due to covid-19. This is a big chunk of money for us to be missing out on. Anything you might be able to do would be appreciated.

Thank you and Happy Holidays.
