

City of Sedgwick
City Council Meeting
December 17, 2025

TO: Mayor and City Council

SUBJECT: Staff Report

INITIATED BY: Administration

Council Orientation: It is that time of year, where we host the annual council orientation for new and current sitting members. Council orientation will be here at city hall from 10am – Noon on Saturday, January 17th.

Sewer Cleaning: Mayer Specialties will be in town performing the annual sewer cleaning from December 15th – 18th. This is a contracted service where they come and clean 1/3 of the town each year and inspect the pipe conditions via tv cameras. Staff receive reports of pipe conditions and utilize that information to determine which lines may need rehabbed in the coming years. Thus far, there are two segments of pipe that have been determined to be candidates for rehab.
