ARTICLE I: INTRODUCTION

Section 1.01 AUTHORIZATION

The following Employee Handbook was adopted by the City of Sheboygan Common Council pursuant to the authority granted under State Statutes. The Human Resources Director shall be responsible for the day-to-day administration of the Employee Handbook.

Section 1.02 COMPLIANCE WITH POLICIES, RULES AND STANDARDS OF CONDUCT

The City of Sheboygan has established these policies and its rules of conduct in furtherance of the effective operation of the City and to provide high quality service to all of its citizens, those persons interacting with the City, and visitors. The City expects all employees to demonstrate professional, competent and reasonable behavior, and to continually serve, both on-duty and off-duty, as positive examples of the high-quality personnel affiliated with the City and consistent with the high expectations of the public.

The purpose of these policies is also to reduce misunderstanding, promote uniformity of policy throughout the City, and provide employees with a clear outline of benefits and responsibilities. These policies recognize the value of City employees and outline the duties and responsibilities of employees. They are offered to help employees understand what is expected of them in an effort to create a workplace that makes it possible for employees to maximize their potential and achieve professional growth.

Compliance with the policies, rules and general expectations of conduct is important in order to fulfill these objectives. Failure to comply with the policies spelled out herein is taken seriously by the City. Violations of these policies, rules, and general expectations of conduct can subject an employee to discipline, up to and including termination.

Section 1.03 APPLICABILITY

This handbook applies to all employees of the City of Sheboygan who are not represented by a union. This handbook also applies to all employees of the City of Sheboygan who are represented by a union or who are members of a collective bargaining unit to the extent this handbook is not in conflict with the collective bargaining agreement between the City of Sheboygan and such collective bargaining unit.

Section 1.04 SCOPE AND APPLICATION – AT WILL EMPLOYMENT

This handbook sets forth employment policy guidelines, rules of conduct, and guidance regarding general expectations of professional behavior and conduct which employees are expected to follow.

NONE OF THE STATEMENTS, POLICIES, PROCEDURES, RULES, OR REGULATIONS CONTAINED IN THIS HANDBOOK CONSTITUTE A GUARANTEE OF EMPLOYMENT, A GUARANTEE OF ANY RIGHTS OR BENEFITS, DO NOT CREATE OR GRANT COVERED EMPLOYEES WITH A PROPERTY INTEREST IN THEIR EMPLOYMENT OR TENURE RIGHTS OF ANY KIND AND DOES NOT CONSTITUTE A CONTRACT OF EMPLOYMENT, EXPRESS OR IMPLIED. UNLESS SPECIFICALLY REQUIRED BY STATUTE, ORDINANCE, OR LAW, THE CITY'S EMPLOYMENT RELATIONSHIP WITH EMPLOYEES IS AT WILL AND EMPLOYMENT MAY BE TERMINATED AT ANY TIME FOR ANY REASON, WITH OR WITHOUT CAUSE AND WITH OR WITHOUT NOTICE AT THE OPTION OF THE CITY OR THE EMPLOYEE. A CONTRACT BETWEEN AN EMPLOYEE OR GROUP OF EMPLOYEES AND THE CITY SHALL NOT EXIST UNLESS A WRITTEN AGREEMENT BETWEEN THE EMPLOYEE OR GROUP OF EMPLOYEES AND THE CITY HAS BEEN APPROVED BY THE CITY OF SHEBOYGAN COMMON COUNCIL AT A DULY NOTICED MEETING OF THE COMMON COUNCIL.

Notwithstanding anything else contained in this handbook, the City of Sheboygan possesses the sole right to operate City government, and all management rights repose in it. The rights retained and exercised by the City include, but are not limited to, the following:

- To direct all operations of City government.
- To maintain efficiency of City governmental operations.
- To change existing methods or facilities or to introduce new or improved methods or facilities.
- To hire, promote, transfer, assign, and retain employees in positions with the City and to suspend, demote, discharge, and take other disciplinary actions against employees.
- To lay off or furlough employees or otherwise relieve employees of their duties due to lack of work, lack of funds, budgetary, or other reason.
- To establish work rules and schedules for employees.
- To schedule overtime work as appropriate in the manner most advantageous to the City.
- To determine the methods, means, facilities, and personnel by which City governmental operations are to be conducted.
- To contract out for goods or services.
- To take whatever actions are necessary to comply with Federal, State, or local law.
- To take whatever actions are necessary to carry out the functions of City governmental operations in emergency situations.

There are several types of employees:

- Regular, Full-Time, Benefit Eligible (40 or more hours per week)
- Regular, Part-Time, Benefit Eligible (20-39 hours per week)
- Seasonal (non-benefited)
- Limited Term (non-benefited)
- Temporary (non-benefited)

Regular employees are eligible for benefits at rates identified in the City's Benefit Guide. Limited Term, Seasonal, and Temporary employees are not eligible for benefits.

Section 1.05 AMENDMENTS

No Employee Handbook can anticipate every circumstance or question about policy. As time goes on, the need may arise to alter, modify, change or eliminate policies described in this handbook. The City reserves the right to revise, supplement or rescind any policies or portion of the Employee Handbook from time to time as it deems appropriate, with or without prior notice. Employees will, of course, be notified of such changes as they occur. Supplements to this handbook will be issued to update or revise present rules or policies as deemed necessary.

Section 1.06 CONFLICTING POLICIES

The policies contained in this handbook may cover subjects addressed in other sources, such as collective bargaining agreements, State or Federal laws, City ordinances and resolutions, or Police Commission or Library Board rules and or policies. Should any provision of this handbook conflict with a valid collective bargaining agreement to which the City is a party, the terms of the collective bargaining agreement shall control to the extent that these policies are in conflict with the terms of the collective bargaining agreement. These policies do not grant any additional benefits over and above or in addition to any employment contract.

Employees should be aware that their Department may have policies that supplement these policies. Employees are expected to follow both the policies in this handbook and their Department's policies. This handbook will control to the extent that the handbook policies are in conflict with Department policies.

Most employee questions should be answered in this handbook. If there are any questions regarding the handbook or matters that are not covered in it, employees are asked to discuss them either with their supervisor, Department Head, or Human Resources Department.

Section 1.07 DISTRIBUTION

This Employee Handbook should be distributed to every current and future City employee. City employees should maintain a current copy of this booklet and become familiar with its contents. Employees shall be required to individually acknowledge receipt of a copy of this handbook by signing and dating the Acknowledgment of Receipt form. A copy of the Employee Handbook will be kept in the Shared Drive and posted on the City's Intranet under the Human Resources Department.

ARTICLE II: EMPLOYMENT POLICIES AND PROCEDURES

Section 2.01 EQUAL EMPLOYMENT OPPORTUNITY POLICY

The City of Sheboygan is an equal opportunity employer and believes in equal opportunity for all employees and applicants. Accordingly, all employment decisions are based on the principles of equal opportunity. These decisions include recruitment, selection, promotion, transfer, discipline, compensation, benefits, training, and other personnel actions involving persons in all job titles and shall occur without regard to race, color, religion, sex, age, national origin, disability, genetic information, military status, gender identity, creed, ancestry, sexual orientation, marital status, familial status, arrest and conviction records, the use or nonuse of lawful products off the employers' premises during non-work hours, declining or choosing to attend meetings or participate in communications about religious or political matters, or any other characteristic protected by law.

The policy of equal employment opportunity (EEO) and anti-discrimination applies to all aspects of the relationship between City of Sheboygan and its employees, including:

- Recruitment
- Employment
- Promotion
- Transfer

- Employee benefits and application of policies

The policies and principles of EEO also apply to the selection and treatment of independent contractors, personnel working on our premises who are employed by temporary agencies and any other persons or firms doing business for or with City of Sheboygan.

The officers of City of Sheboygan will be responsible for the dissemination of this policy. Directors, managers and supervisors are responsible for implementing equal employment practices within each department. The HR department is responsible for overall compliance and will maintain personnel records in compliance with applicable laws and regulations.

City of Sheboygan administers our EEO policy fairly and consistently by:

- Posting all required notices regarding employee rights under EEO laws in areas highly visible to employees.
- Advertising for job openings with the statement "We are an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, protected veteran status, or any other characteristic protected by law."

- Promptly notifying the Director of Human Resources or City Attorney of all incidents or reports of discrimination or harassment and takes other appropriate measures to resolve the situation.

Remedies

Violations of this policy, regardless of whether an actual law has been violated, will not be tolerated. City of Sheboygan will promptly, thoroughly and fairly investigate every issue that is brought to its attention in this area and will take disciplinary action, when appropriate, up to and including termination of employment.

Section 2.02 ANTI-HARASSMENT, DISCRIMINATION, AND RETALIATION POLICY

 - c. Encouraging any employee who confides that he or she is being harassed, discriminated or retaliated against to report these acts to a supervisor
3. Failure of any employee to carry out the above responsibilities will be considered in any performance evaluation or promotional decisions and may be grounds for disciplinary action.

E. Definitions

1. **Verbal Harassment:** Sexual innuendoes, degrading or suggestive comments, repeated pressure for dates, jokes of a sexual nature, unwelcome sexual flirtations, degrading words used to describe an individual, obscene and/or graphic description of an individual's body or threats that job, wages, assignments, promotions or working conditions could be affected if the individual does not agree to a suggested sexual relationship.
2. **Non-Verbal:** Sexually suggestive or offensive objects or pictures, inappropriate usage of voicemail, e-mail, the internet or other such sources as a means to express or obtain sexual material, comments, etc., printed or written materials including offensive cartoons, suggestive or offensive sounds, whistling, catcalls or obscene gestures. Any material which inappropriately raises the issues of sex or discrimination. Treating an employee differently than the other employees when they have refused an offer of sexual relations.

3. **Physical:** Unsolicited or unwelcome physical contact of a sexual nature, which may include touching, hugging, massages, kissing, pinching, patting, or regularly brushing against the body of another person.
4. **Other Forms of Harassment:** Persistent and unwelcome conduct or actions on the basis of disability, sex, arrests or conviction record, marital status, sexual orientation, gender identity and gender expression, membership in the military reserve, or use or nonuse of lawful products away from work is prohibited under this policy and Wis. §111.31 -- 111.39.
5. **Harassment on any basis (race, sex, age, disability, etc.,) exists whenever:** Submission to harassing conduct is made, either explicit or implicit, a term or condition of an individual's employment; submission to or rejection of such conduct is used as the basis for an employment decision affecting an individual; the conduct interferes with an employee's work or creates an intimidating, hostile, or offensive work environment. Such conduct is prohibited under this policy and Wis. §111.31 – 111.39.
6. **Unwelcome:** Sexual conduct is unwelcome whenever the person subjected to it considers it unwelcome. The conduct may be unwelcomed even though the victim voluntarily engages in it to avoid adverse treatment.

8. **Retaliation:** Any materially adverse action taken against an employee "because of" protected conduct is prohibited. The scope of retaliation goes beyond the workplace-related or employment-related actions and includes conduct that would dissuade a reasonable worker from making or supporting a charge of harassment and/or discrimination. The significance of the act of retaliation may depend on the particular circumstances, but must be considered "materially adverse" (separating significant from trivial harms that would not deter victims from filing a complaint). Examples of conduct that may be considered retaliation include:
 - a. Discharge
 - b. Demotion or failure to promote
 - c. Reduction in pay
 - d. Reassignment of job duties
 - e. Giving a less distinguished job title
 - f. Filing false criminal charges against an employee
 - g. Significantly diminishing an employee's responsibilities
 - h. Unwarranted negative performance evaluations (impacting promotional opportunities)
 - i. Increased scrutiny of the employee's work
 - j. Refusing to restore lost leave time
 - k. Isolation or shunning an employee

F. Procedures

1. Any employee encountering harassment is encouraged but not required to inform the person that their actions are unwelcome and offensive. The employee is to document all incidents of harassment to provide the fullest basis for investigation.
2. Any employee who believes that they are being harassed shall report the incident(s) to their supervisor and/or director as soon as possible so that steps may be taken to protect the employee from further harassment, and so that appropriate investigative and disciplinary measures may be initiated. Where doing so is not practical, the employee may instead report the conduct to the Human Resources Director, Human Resources Generalist, City Attorney, Assistant City Attorney, City Administrator, or any other supervisor and/or director from the city. Employees may also utilize the Whistleblower Protections Policy and submit concerns and complaints through any of the following methods:

- Phone: 920-550-2847 (920-550-2TIP)
- Direct extension: 2847 (2TIP)

5. The Human Resources Department shall be responsible for investigating any complaint alleging harassment or discrimination and shall do the following:
 - a. The internal investigative authority shall immediately notify the Police Department and the City Attorney's office if the complaint contains evidence of criminal activity, such as battery, rape, or attempted rape.
 - b. The investigation shall include a determination as to whether other employees are being harassed by the person, and whether other persons covered by this policy participated in or encouraged the harassment.
 - c. The internal investigative authority shall inform the parties involved of the outcome of the investigation.
 - d. A file of harassment and discrimination complaints shall be maintained in a secure location. The City Attorney shall be provided with an annual summary of these complaints.
 - e. There shall be no retaliation against any employee for filing a harassment or discrimination complaint, or for assisting, testifying, or participating in the investigation of such a complaint.

- f. Any employee who believes they are being retaliated against should report the incident as soon as possible to their supervisor and director so steps may be taken to protect the employee. Where doing so is not practical, the employee may file a complaint with another supervisor, Human Resource Director, the City Attorney, the City Administrator or utilize the Whistleblower Protections Policy.
- g. The complaining party's confidentiality will be maintained throughout the investigatory process to the extent practical and appropriate under the circumstances.
- h. This policy does not preclude any employee from filing a complaint or grievance with an appropriate outside agency.
- i. Complaints of employees accused of harassment and/or retaliation may file a grievance in accordance with the city's Grievance Procedure Policy when they disagree with the investigation or disposition of a harassment or retaliation claim.

6. Retaliation

- a. Retaliation against any employee for filing a harassment or discrimination complaint, or for assisting, testifying, or participating in the investigation of such a complaint, is illegal and is prohibited by the City of Sheboygan and by federal statutes.
- b. Retaliation is a form of employee misconduct. Any evidence of retaliation shall be considered a separate violation of this policy and shall be handled by the same complaint procedures established for harassment and discrimination complaints. Retaliation may subject an individual to additional punishment up to and including termination.
- c. Monitoring to ensure that retaliation does not occur is the responsibility of the supervisor and/or director, and the appropriate internal investigative authority.
- d. All of the laws enforced make it illegal to fire, demote, harass or otherwise "retaliate" against others, either employees or applicants, because they filed a charge of discrimination, because they complained to their employer or other covered entity about discrimination on the job, or because they participated in an employment discrimination proceeding, such as an investigation or lawsuit. For example, it is illegal for an employer to refuse to promote an employee because they filed a charge of discrimination with the EEOC, even if EEOC later determined no discrimination occurred.

- e. The law forbids retaliation when it comes to any aspects of employment, including hiring, firing, compensation, job assignments, promotion, lay-off, training, fringe benefits, and any other term or condition of employment.

7. Falsification or Mis-Representation of Information

An employee will be subject to disciplinary action up to and including termination for falsifying any information or mis-representing any information required or requested as part of a complaint, investigation, or proceeding under this policy.

4. The Human Resources Department shall be responsible for investigating any complaint alleging bullying and shall do the following:
 - a. The complaining party's confidentiality will be maintained throughout the investigatory process to the extent practical and appropriate under the circumstances.
 - b. This policy does not preclude any employee from filing a complaint or grievance with an appropriate outside agency.
 - c. Complaints of employees accused of bullying and/or retaliation may file a grievance in accordance with the city's Grievance Procedure Policy when they disagree with the investigation or disposition of a claim.
 - d. The investigation shall include a determination as to whether other employees are being bullied by the person, and whether other persons covered by this policy participated in or encouraged the behavior.
 - e. The internal investigative authority shall inform the parties involved of the outcome of the investigation.
 - f. There shall be no retaliation against any employee for filing a complaint, or for assisting, testifying, or participating in the investigation of such a complaint.
 - g. Any employee who believes they are being retaliated against should report the incident as soon as possible to their supervisor and director so steps may be taken to protect the employee. Where doing so is not practical, the employee may file a complaint with another supervisor, Human Resource Director, the City Attorney or utilize the Whistleblower Protections Policy.

5. Retaliation

- a. Retaliation against any employee for filing a complaint, or for assisting, testifying, or participating in the investigation of such a complaint, is prohibited by the City of Sheboygan.
- b. Retaliation is a form of employee misconduct. Any evidence of retaliation shall be considered a separate violation of this policy and shall be handled by the same complaint procedures established for harassment and discrimination complaints. Retaliation may subject an individual to additional punishment up to and including termination.
- c. Monitoring to ensure that retaliation does not occur is the responsibility of the supervisor and/or director, and the appropriate internal investigative authority.

6. Falsification or Mis-Representation of Information

An employee will be subject to disciplinary action up to and including termination for falsifying any information or mis-representing any information required or requested as part of a complaint, investigation, or proceeding under this policy.

Section 2.04 ADA & REASONABLE ACCOMODATION POLICIES

The City of Sheboygan is committed to complying with all the relevant and applicable provisions of the Americans with Disabilities Act (ADA) and State law. The City will make reasonable accommodation wherever necessary for all employees or applicants with disabilities, provided that the individual is otherwise qualified to safely perform the essential duties and assignments connected with the job and provided that any accommodations made do not impose an undue hardship on the City.

- A. Title I: In compliance with the Americans With Disabilities Act of 1990, the Rehabilitation Act of 1973, the ADA Amendments Act of 2008, and the Wisconsin Fair Employment Act, the City of Sheboygan prohibits discrimination against qualified individuals with disabilities in all employment practices, including job application procedures, hiring, firing, advancement, compensation, training, and other terms, conditions, and privileges of employment. The City is committed to providing accommodations for eligible employees and applicants with documented disabilities.

1. Job Application Process

- a. All applicants for City positions must have accessibility to all steps in the selection process and are protected from disability related questions that could potentially screen them out of the application process. Reasonable accommodation will be provided to qualified applicants during the selection process, which may include supplying an interpreter or reader, to ensure that all applicants have accessibility to all phases of the process.

- b. Pre-offer physicals are prohibited by the City, as are inquiries regarding the existence of an applicant's disability or the nature and severity of the disability. After an offer of employment has been extended, it may be conditioned on the results of a medical examination. The information received during a medical exam will be held confidential, but a supervisor must be told of any restrictions or necessary accommodations. If the existence of a disability is revealed during the medical exam, an offer of employment may not be withdrawn unless the reason is job related and consistent with business necessity and no reasonable accommodation can be made or the disability poses a direct threat to the health and safety of the applicant, other employees or the general public and which cannot be eliminated by reasonable accommodation.
- c. The City is committed to making reasonable accommodation in the application process, job duties, and the work environment in compliance with equal employment opportunity, as long as such accommodations do not constitute an undue hardship on the City.
- d. If an applicant or employee believes they have been discriminated against in employment on the basis of a disability, he or she may file a complaint through the City's harassment complaint procedure, or he or she may file a formal complaint with the Wisconsin Equal Rights Division of the Department of Workforce Development and/or the Federal Equal Employment Opportunity Commission.

2. Procedure for Requesting an Accommodation

- a. An employee who believes that he or she needs a reasonable accommodation to perform an essential function of their job should make that request through their direct supervisor, the ADA Coordinator or Human Resources Director.
- b. When a request for accommodation is received by the supervisor or when it is apparent that a reasonable accommodation may enable a disabled individual to perform the essential functions of the position, the employee will be directed to submit a Reasonable Accommodation Request Form with appropriate supporting documentation to his or her direct supervisor and the Human Resources Director for consideration.
- c. All requests for accommodation shall be responded to in a timely fashion, after the supervisor has engaged in the interactive process with the employee requesting the accommodation.
- d. The City reviews all requests for accommodation on a case by case basis and may provide a reasonable accommodation that allows the qualified

individual with a disability to achieve the same level of job performance as other similarly skilled employees. The City is not obligated to provide an accommodation that causes an undue hardship on the City.

- e. All requests and documentation will be kept confidential and in a separate file.

3. Definitions

- a. Disability as defined under the Americans With Disabilities Act of 1990: A qualified individual who has a physical or mental impairment that substantially limits one or more major life activities;
 - b. Disability as defined under the Wisconsin fair Employment Act: A physical or mental impairment that makes achievement unusually difficult or limits the capacity to work;

 - e. Interactive Process: The process by which an agent of the employer and individual requesting accommodation engage in, to discuss physical or mental abilities and limitations as they relate to the job's essential functions and to determine possible job accommodations;
 - f. Major Life Activities: Caring for one's self, walking, sitting, standing, speaking, etc.;
 - g. Qualified Individual with a Disability: A person who meets legitimate skill, experience, or other requirements of the position that he or she holds and who can perform the essential functions of the position with or without reasonable accommodation;
 - h. Reasonable Accommodation: Any modification or adjustment to a job or the work environment, such as job restructuring, modifying tests, modifying equipment, etc., that will enable an employee with a disability to perform the essential job functions; and,
 - i. Undue Hardship: An action that is excessively costly, extensive, substantial, or disruptive or that would fundamentally alter the nature or operation of the business.
- B. Title II: It is the policy of the City to ensure that all citizens have an equal opportunity to participate in and receive the benefits of the services, programs, or activities of the City. The City is required to ensure all programs and activities are accessible, but are not required to make each and every facility accessible as long as all programs are readily accessible. There are several means by which the City can make its programs readily accessible to and usable by disabled individuals, including redesigning equipment, reassigning services or programs to alternative, accessible buildings, and altering existing facilities or building new facilities.

Section 2.05 FITNESS FOR DUTY

A Department Head may request a medical or psychological evaluation when: (1) an employee's conduct creates a reasonable belief that a threat to the health or safety of the employee, co-workers, the public, or to City property exists; or (2) there is objective evidence that the employee cannot effectively perform the essential job functions of their position. An appointment will be scheduled with a physician/psychologist upon agreement by the employee to attend an evaluation.

Employees who cooperate in attending a Fitness for Duty Evaluation will be placed on administrative leave status until such time as the report of results is received from the physician, recommendations are reviewed and work or leave status is re-evaluated. When the Fitness for Duty evaluation is ordered by the City and not due to an injury/illness, there will be no cost to the employee for the evaluation or any other evaluations or tests that the physician or psychologist may recommend. Employees will be required to sign a release to grant the physician or psychologist access to the employee's medical records. Results of the exam will be forwarded to the Human Resources Department, and will be reviewed with the department in question only as necessary. The information will be treated with the highest degree of confidentiality, and a copy of the report will remain in a confidential medical file within the Human Resources Department. A copy of the report will be made available to the employee upon request to the Human Resources Director. The employee will have the option to present this report to his/her personal physician for review and rebuttal, if the employee does not agree with the opinion.

If an employee chooses not to attend a City authorized Fitness for Duty Evaluation, the employee will either be placed on sick leave or leave without pay status, until the employee provides medical documentation from his/her personal physician/psychiatrist at his/her own expense that states that the concerns noted by the employee's department have been reviewed, the essential functions of the employee's position have been reviewed, and that the employee is fit for duty and does not pose a threat to one's self or someone else. The City maintains the right to request a 2nd opinion and have the employee sign a release granting full access to the employee's medical records.

Section 2.06 BACKGROUND CHECKS

Prospective employees of the City of Sheboygan may be subject to a background check. Depending on the nature of the position and the applicants applying for the position, the Human Resources Department will conduct varying levels of background screening to determine whether candidates for employment, promotion, assignment or transfer are suitable for the position they desire to obtain. Information that may be obtained or requested includes information relating to references, past employment, work habits, education, judgments, liens, criminal background and offenses, character general reputation, social media presence, and driving records. The City may also obtain information from a consumer reporting agency. Before denying an extension, assignment, promotion, or other benefit of employment, based in whole or in part, on information obtained in the consumer credit report, the City will provide a copy of the report and a description in writing of the applicant's rights under the Fair Credit Reporting Act.

As part of the application process, new applicants seeking employment will be required to sign an employment application that constitutes the employee's full waiver and release of any liability related to the background investigation. The application form also notifies the applicant that any false statements may be grounds for not employing or for dismissing the applicant after beginning employment. Applicants who refuse to sign the employment application will not be considered for employment.

Section 2.07 NEPOTISM POLICY

It is the City's policy that relatives of persons employed by the City may be hired, promoted, assigned or transferred into positions only if they will not be working for or supervising a relative. This policy will be broadly interpreted in a manner that addresses the issue of inequitable consideration in decisions concerning work assignments, transfer opportunities, performance evaluations, promotions, demotions, disciplinary actions, and discharge. For the purpose of this policy, a relative is defined as spouse, parent, grandparent, child, brother, sister, brother-in-law, sister-in-law, father-in-law, mother-in-law, stepparent, stepbrother, stepsister, stepchild, aunt, uncle, niece, or nephew. A supervisor is defined under this policy as a person who directs or has authority to direct the activities of, or has the authority to effectively recommend the hiring, promotion, transfer, discipline, or discharge of, employees under his/her purview.

Section 2.08 PROMOTIONS

When position vacancies exist above the entrance level, in most cases they shall be posted on the city website and governmentjobs.com. Employees wishing to be considered for a vacancy must apply for the positions via the website. While tenure and work history are important aspects when determining promotions, no promotion shall be given to any employee without first going through the required posting and interview process.

Section 2.09 SHORT-TERM TEMPORARY ASSIGNMENTS

When a temporary vacancy occurs of more than two calendar weeks but less than six months in a non-represented position, the Director of Human Resources, in consultation with the affected Department Head, may recommend to the City Administrator an appropriate subordinate non-represented employee to fill the position on an acting basis for the duration of the temporary vacancy. Positions in the transit, police and fire departments require the approval of the respective commissions. If the subordinate is in a lower salary grade while serving in such an acting capacity, the subordinate shall receive additional compensation for the additional work assigned. An increase of ten (10) percent is assigned when acting in full capacity; a reduced amount will be issued for limited acting duties or when partial duties are assigned. This amount will be issued after a replacement starts in the form of a lump-sum for all acting time. In no case shall the temporary increase in pay be greater than the salary of the person who left.

Within six (6) months of the beginning of a temporary vacancy, the City Administrator will determine whether the opening will remain or a change in the table of organization needs to be made and will inform the employee filling the position on an acting basis as to the status of the

replacement. The employee may be reclassified to the position the employee is actually performing. In case of such a reclassification, the employee's pay will be adjusted to match the new classification based on the employee's performance.

Section 2.10 PERFORMANCE EVALUATIONS

It is the City's objective that individual employees are being regularly evaluated by their supervisor throughout the year, and that problems are addressed as they arise. In addition to these regular conversations and evaluations, once a year employees and supervisors are required to meet to discuss the past year, review goals of that year, and set goals for the next year. Once the employee completes a self-evaluation, they will meet with their supervisor to discuss their evaluation and goals. After the supervisor meets and completes the evaluation and goal setting with the employee, the form must be approved by the Department Head before being sent to the HR Department for final review and filing.

These evaluations are not meant to be the basis for Performance Improvement Plans, terminations, or other forms of discipline. Those conversations and evaluations are expected to be occurring throughout the year as individual concerns with performance arise.

Section 2.11 LAYOFFS AND FURLoughS

A. Layoff: The city in its discretion shall determine whether layoffs are necessary. The City may lay off an employee because of shortage of funds, shortage of work, discontinuance of services, changes in organizational unit; or for any other reasons, which do not reflect discredit on the service of the employee. Duties performed by laid off employees may be reassigned to other employees already working or holding positions in appropriate job classifications.

B. Recall Provisions:

1. Employees who are laid off or displaced shall be placed on a recall list for a period no more than eighteen months maximum, after which time all recall rights are terminated. Should a vacancy occur in a position authorized to be filled from which an employee was laid off or displaced, said employee shall be recalled in order of their departmental seniority. Should a new position be created from which no employee was laid off, employees on a recall list may apply for the position but the City retains sole discretion in selecting the candidate from either the recall list or outside sources.
2. Employees to be recalled shall be notified by mail addressed to the most recent address appearing on the Human Resources Department's records. Laid off employees shall notify the Human Resources Department of any change of address. Employees so recalled shall notify the City of their acceptance or rejection within seven calendar days of the date of the recall letter and report for work within 10 calendar days from the date of the recall letter. Failure to notify or failure to report or the refusal of an offer of re-employment shall terminate an

employee's right to recall.

3. An employee on layoff status shall not lose credit for seniority accumulated at the time of layoff nor shall continuous service be considered interrupted if the employee is recalled within eighteen months of layoff. An employee recalled within 18 months of layoff shall be credited with sick leave accumulated as of the date of layoff.
 4. Employees shall be granted the option of remaining in the group health insurance plan in accordance with the COBRA Act of 1986 from the effective date of layoff (according to policy provisions) provided the employee pays to the City of Sheboygan the full premium. Employees shall be granted the option to remain in the group life insurance plan based on salary for up to 18 months from the effective date of layoff, provided the employee pays the full premium.
- C. Furloughs: Voluntary or mandatory employee furloughs involve placing employees in temporary non-duty, non-pay status for budgetary reasons as authorized by the Common Council. A furlough differs from a normal layoff in that employees continue to work on a fairly regular basis, with the City or individual departments scheduling employees to have certain days off. For example, a City department may elect to furlough a non-exempt employee by asking or requiring him/her to take off one or more days without pay.

Section 2.12 SEPARATION FROM EMPLOYMENT

A. Categories of Separation:

1. *Resignation* is a voluntary act initiated by an employee to end employment with the city. The employee who plans to resign or retire should provide written notice to their supervisor at least two (2) full weeks prior to their final work day in order to leave employment with the city in good standing. An employee in a supervisory role shall provide written notice to their supervisor at least four (4) full weeks' notice prior to their final work day in order to leave employment with the city in good standing. If the employee does not provide a full two (2) weeks' or four (4) weeks' notice, the employee will forfeit any paid time-off which they have accrued. An employee's paid time off requests can be denied or rescinded during the final two (2) week or four (4) week period. Upon receipt of the resignation, the supervisor should notify the Director of Human Resource or their designee. Any non-represented employee submitting their resignation is required to participate in an exit interview with Human Resources before any accrued leave will be paid out.

a. Withdrawal of Resignation

The Director of Human Resources, along with the Department Head, may choose to accept an employee's request to rescind his/her resignation. In the event an employee revokes a resignation, this will be reviewed and considered on a case by case basis.

2. *Retirement* is separation from employment with the City, either with or without notice, under the provisions of the Wisconsin Retirement System (WRS).
3. *Job Abandonment*. An employee who fails to report to work or contact their supervisor for more than one (1) working day or fails to return from approved leaves of absence (i.e. FMLA, worker's compensation, unpaid leave of absence) or as outlined in the employee's collective bargaining (CBA) will be considered having abandoned their job. Supervisors shall notify their Department Head, Human Resource Director and City Administrator at the expiration of the second (2nd) work day and initiate the paperwork to terminate the employee.
4. *Total Disability* is separation from employment with the City, due to total physical or mental impairment, under the provisions of the WRS. The City will pay any accrued but unused PTO as provided by the terms of this manual.
5. In case of the Death of the employee, the employee's estate may be eligible to receive earned but unused PTO/overtime as provided by the terms of this manual.
6. *Resignation without Notice* is a voluntary permanent separation initiated by the employee without providing a written two week notice prior to leaving. The employee will be paid all proper compensation up to his/her final day of employment, but the employee will not receive severance benefits and payouts. The City reserves the right to terminate the employee before that date.
7. *Involuntary termination* is a permanent separation initiated by the City due to unsatisfactory work performance or misconduct including violations of the work rules. A Department Head or supervisor shall not terminate an employment relationship prior to consulting with the Human Resources Director. The employee will be paid all proper compensation up to their final day of employment.
8. *Layoff* can be a temporary or permanent severance of the employee's position with the City due to a reduction in the work force. Employees who are laid-off shall receive, as a severance gratuity, pay equal to the amount of PTO time he/she would be entitled to in the calendar year. If recalled in that same year, the employee would not be eligible for PTO for that year. Employees recalled

subsequent to the calendar year they are laid-off would receive pro-rated PTO based on their years of service and the number of full months worked in such subsequent year. Accrued sick leave will be retained, but no further accumulation will be allowed during the period of layoff.

9. A *Furlough* is not a severance of the employee's position or a separation from employment.

B. Final Paycheck:

Every effort will be made to send employees who resign or are terminated his or her final paycheck on his or her final scheduled payday. The final paycheck will include all of the pay for hours worked as well as any payout of accrued time.

C. Return of Property, etc.:

Upon separation, the employee must return all property, records and complete required forms prior to receiving final payment for compensation or payment for any accrued PTO or sick leave as may be required by this manual. When an employee separates employment from the City of Sheboygan, the owning department supervisor shall complete a PCN at the time they receive notice. The completed worksheet shall be forwarded in its electronic format to the Human Resources Department. The employee should return their City P-Card to their Department Head or Purchasing Department no later than one (1) week prior to his or her last day worked, and shall return his or her City cell phone no later than the last day worked. The employee's network access, security and accounts shall be terminated on the last day of work.

D. Exit Interview

Every employee who voluntarily resigns from the City shall be required to participate in an exit interview with the HR Department in order to be eligible to receive any PTO payouts. This interview is intended to be beneficial for both the city and the departing employee. Employees will have the opportunity to air concerns or receive answers to specific questions. And, it is the intention of the City to obtain information that will help in recruitment and retention efforts. This interview shall be scheduled by the employee with any HR Generalists or the Director of HR prior to the employee's last day. Information obtained from the exit interview will be shared with the appropriate department managers and/or staff. Failure to participate in an exit interview may result in the employee not receiving their PTO payouts.

E. Use of Accrued PTO and Sick Leave Upon Termination:

Employees who terminate their employment with the City of Sheboygan and still have unused, accrued PTO will not be allowed to extend their time on the payroll in an attempt to use up the remaining, unused PTO.

Employees are expected to work every day during the required notice period after giving proper written notice.

Section 2.13 PERSONNEL RECORDS

It is the policy of the City of Sheboygan Human Resources Department to maintain personnel files and records on each of its employees. This is to be done in a consistent and fair manner, while complying with State and Federal regulations. The Human Resources Department will maintain Primary Personnel Files, including Confidential Personnel Files, Medical Files and other miscellaneous files for all City of Sheboygan employees.

The contents of the file are discoverable in the event of legal action so supervisors need to appropriately document and maintain the files.

Article III: WAGE AND SALARY POLICIES AND PROCEDURES

The purpose of wage and salary policies and procedures is to fairly allocate each position to an appropriate grade or classification in such a way as to maintain equity between positions while taking into consideration factors such as education, experience, problem solving, work environment, supervisory responsibilities and other related factors contributing to the nature of the position. It also sets initial hiring rates and salary ranges, procedures for increases, as well as promotions and reclassification guidelines. The development and administration of the compensation program is the responsibility of the Human Resources Department, subject to approval of the City Administrator, with final approval of major adjustments remaining with the City Council.

Note: If possible, it is preferred to use Flex-Time in lieu of Overtime. Flex-Time is a schedule arrangement that is preapproved by the Department Director, should be used to ensure the department stays within its approved salary budget as a means to reduce Overtime costs. Flex-Time must be used within the same work week, and cannot carry over into another work week.

Upon a qualified retirement (WRS eligibility requirements), employees with a balance in their sick bank account are eligible to receive a portion of the account to either use towards the cost of post-employment medical insurance premiums (including COBRA) or a cash payout of 50% of the maximum qualified value. This provision does not apply to protective service command staff employees who are eligible to access their complete bank. The maximum eligible amount an employee

“qualifies” for depends on the employee/union group the employee was part of as of December 31, 2011:

Eligible Payout Values:

Non-Rep Employees: Up to 576 sick bank hours = qualified max value OR a cash payout of 50% of the qualified max value

AFSCME (DPW) & City Hall: Up to 672 sick bank hours = qualified max value OR a cash payout of 50% of the qualified max value

Professionals: Up to 640 sick bank hours = qualified max OR a cash payout of 50% of the qualified max value

Example: DPW Employee/City Hall Employee

A long-term DPW employee decides to retire. He was hired in 1980 (employees hired before 1978 do not have their bank divided by 2). On December 31, 2011, this employee made \$17.86 per hour and he had 972 hours in his Sick Bank. The value of his Sick Bank \$17,359.92 as of December 31, 2011, and he has not used time from the bank since then. Upon actual retirement (WRS eligible, receiving an annuity), he has the ability receive a portion of that bank in one of two ways:

Option 1: Qualified Portion applied to COBRA medical insurance continuation
The retiring employee may apply the qualified portion of his Sick Bank to apply towards the medical Insurance election (COBRA). (This money is not available for dental or other COBRA benefits.) This employee’s Qualified Max Value is 672 hours x \$17.86 or \$12,001.92.

Option 2: Qualified Portion 50% Payout
The retiring employee may choose to receive a lump-sum payout equal to 50% of his qualified portion of the max value. His qualified Maximum Value payout is \$6,000.96.

Option 3: Qualified Portion applied to Retirement Health Reimbursement Account

Retirement of Non-Rep Command Staff: Upon a promotion from Local 483 into a Fire Command Staff position or promotion from the Sheboygan Professional Police Officer Supervisors’ Association into a police command staff position, and upon reaching a WRS qualified retirement for protected-service, sworn employee and who actually retires, a Fire Command Staff or Police Command Staff employee may retain the retirement severance benefits earned at time of promotion “OR” follow applicable Non-Represented retirement

benefits (Tier II or III, depending on start-date of promotion). Said election to be made at time of retirement notification.

Section 3.07 POST EMPLOYMENT HEALTH INSURANCE

Non-represented employees qualify for continuation of coverage in health and dental insurance. Due to the changes in benefits over time, some employees may have grandfathered benefits. For reference purposes, there are 3 classifications employees may fall into relating to post-employment health insurance:

A. Class / Tier II

Non-represented employees as of December 31, 2011 (employee was not in a bargaining unit) who did not meet eligibility for retirement under WRS guidelines as of December 31, 2011. Upon retirement, providing an employee in this group achieves at least 15 years of service as a non-represented employee and retires from an exempt position, the employee is eligible to remain on the health insurance plan for 5 years post-retirement. A non-exempt employee who has been a non-rep for at least 15 years is eligible to remain on the health insurance plan for 2.5 years post-retirement. Premium payment in either situation is 50% City funded and 50% employee funded for either Single or Family coverage until either the retired employee or spouse becomes Medicare eligible.

B. Class / Tier III

All new employees hired on or after January 1, 2012, and employees hired before January 1, 2012 who were covered under an employment contract prior to January 1, 2012 are qualified for COBRA continuation of coverage. C. Surviving Spouse

In the event an active employee dies, the surviving spouse may remain on the City of Sheboygan Health Insurance Plan. The spouse would be responsible for 100% of the premium contribution plus 2% administrative fees. In the case of death of a retired employee in Class I or Class II, the spouse would be eligible to continue on the City of Sheboygan health insurance plan until the spouse becomes eligible for health insurance through his/her own employer, by marriage, or becomes Medicare eligible. Salary ranges within the Compensation Plan shall be determined with regard to factors including, but not limited to: training and ability; level of work; physical demands; independence of actions; supervision exercised; experience required; human relations skills; working conditions or hazards and impact of errors; and prevailing rates of pay for similar jobs in public and private employment as determined by the city.

ENTRANCE PAY RATE

The entrance pay rate shall be within 60% of the minimum pay range. All appointments, including Department Heads, **above the 60% must be authorized in advance**, by a majority of the Finance and Personnel Committee Chair, City Administrator and the Human Resources Director.

NEW POSITION REQUEST PROCESS

A. Classification Consideration

A request for classification of a new position may be initiated by a Department Director, or by the Human Resources Director. The Department Director will work with the Human Resources Director to complete a Job Description for the new position. Requests for classifications may occur throughout the year as positions are created.

A request for classification consideration of a new position must be in writing to the Human Resources Generalist. This request includes completion of the new position's Job Description. The Human Resources Generalist will initiate the external market analysis review process to determine the appropriate compensation rate. A JDQ may need to be completed during the review process as well.

B. Review of Requests

Following the internal review by the Human Resources Director, the Human Resources Generalist will submit the JDQ and any supporting documentation to the consultant for evaluation. The consultant will recommend a grade assignment for the position. The consultant may request further information to complete the review.

C. The Employer's Response to the Consultant's Recommendations

The Department Director will be informed of the final decision in writing. Following approval by the Common Council, the Human Resources Department shall proceed with the hiring process and will be based on findings of the consultant in respect to this new position classification

CLASSIFICATION AND/OR RECLASSIFICATION

The Position Classification Review Process is the method for determining pay range assignment of new positions and/or reclassification actions involving substantial changes in the duties and responsibilities of an existing position or external market changes.

A. Classification or Reclassification Consideration

A request for reclassification of a current position may be initiated by a Department Director, or by the Human Resources Director. Requests for reclassifications for existing positions are due by September 1st, reclassifications may occur throughout the year if positions are created or become vacant.

Reclassification requests due to substantial changes in position for existing positions requires that the employee and the Department Director document substantial changes in existing duties since the most recent review. Duty changes may be from substantial, immediate reassignment of duties due to reorganization, or may be the result of a logical and gradual change of responsibilities over a period of time. To be considered for reclassification, changes should be stable and typically at least 51% of the duties have changed and should have been in effect for at least six (6) months preceding the reclassification request so that it is clear that the changes that exist become a part of the

position description going forward. Reclassification will not be considered for temporary changes in duties.

Reclassification requests due to external market changes for existing positions requires that the employee and the Department Director submit the current Job Description and the most recent or up to date JDQ.

A request for classification or reclassification consideration must be in writing to the Human Resources Generalist. The Human Resources Generalist will guide the appropriate process for a review.

B. Review of Requests

Following the internal review by the Human Resources Director, the Human Resources Generalist will submit the JDQ and any supporting documentation to the consultant for evaluation if the criteria for reclassification is met. If the reclassification is appropriate, the consultant will recommend a grade assignment for the position. The consultant may request further information.

C. The Employer's Response to the Consultant's Recommendations

The employee and the Department Director will be informed of the final decision in writing. The effective date of any compensation changes will be based on the specific circumstance of the reclassification.

COMPENSATION PLAN COMPONENTS

The Compensation Plan drives annual salary changes. The annual salary changes within the Compensation Plan are subject to Common Council approval, and propelled by adequate budgetary factors.

Compensation Plan adjustments are typically made on an annual basis as adequate budgetary factors allow. The Human Resources Director shall recommend such adjustments to the City Administrator and Finance Director based on ageing the existing Compensation Plan according to an annual adjustment which may correlate to inflationary factors experienced during the current year. The Compensation Plan Adjustment takes the form of a modification to Compensation Plan with the goal of maintaining market competitiveness of the Compensation Plan.

PAY RATE ADJUSTMENTS

The Human Resources Director, applicable Department Director, Finance Director and City Administrator shall determine the pay status of an employee based on the following:

- A. Transfers – When an employee is transferred from one (1) classification to another with a common salary range, the employee shall continue to receive the same pay rate unless a different rate is deemed appropriate by the Director of Human Resources.

The employee will receive a minimum of a five percent (5%) increase for any promotion and be placed at the step closest to, but above five percent (5%).
- C. Demotion – When an employee accepts a position in a lower salary grade for any reason, a rate of pay shall be determined. For consideration of the placement into the new salary range, such factors as experience, qualifications as they related to the position being filled, length of service, average value of overtime lost and the level of pay similar to employees in the pay range shall be considered.
- D. Upward Re-Classification – When an employee’s position is reclassified into a higher salary grade, the employee will remain at the same step they are in under the new grade.
- E. Downward Re-Classification – When an employee’s position is reclassified into a lower salary grade, the employee’s pay will remain the same until they reach the step above their pay at the time of re-classification.
- F. Equity Adjustments – Equity adjustments are salary changes outside of the normal programs (as listed above) to remedy salary issues such as external pressure in high demand areas, internal salary compression, and/or retention considerations. Equity adjustments may also be used when additional duties are added.

On January 1 following the start date, that employee will receive 160 hours of PTO per the schedule above.

***** ANY EMPLOYEE WHO LEAVES EMPLOYMENT WITHIN THE FIRST YEAR WILL NOT BE ELIGIBLE TO RECEIVE ANY PAYOUT OF PTO*****

Section 4.04 SICK LEAVE BANK

Sick leave was discontinued in 2012 and for all employees hired after 2012 should use PTO for their sick time. Employees who were hired prior to 2012 and have a balance in their sick bank accrual may use the sick leave immediately during the duration of any state or federal qualifying Family Medical Leave.

Section 4.05 FMLA

It is the policy of the City of Sheboygan to comply with all applicable State and Federal laws concerning military family leave, family leave, medical leave, or caretaking leave.

This policy applies only to leave designated under State or Federal law. Leave designated under this policy may overlap or duplicate leave available under collective bargaining policies or other

personnel policies. Sick leave, vacation, and leave of absence provisions under any collective bargaining agreements remain in effect.

Leave provided by the City which is taken for the same reasons as leave covered by the FMLA is not in addition to leave provided under the FMLA. If leave qualifies for family or medical leave under either or both the Federal and State laws, the leave used counts against the employee's entitlement under both State and Federal FMLA concurrently. Leave covered by the FMLA will be deducted from the entitlement under the FMLA.

Both State and Federal Family and Medical Leave entitlement will be counted based on a calendar year (January-December).

A. Eligibility

Employees are entitled to FMLA benefits as follows.

1. *Federal FMLA*

In order for employees to be eligible for leave under the Federal Family Medical Leave provisions, they must have been employed by the City of Sheboygan for at least 12 months (whether consecutive or not) and have worked at least 1,250 hours during the 12 months prior to the start of the requested leave.

- a. Any absence from work due to military service covered under the Uniformed Services Employment and Reemployment Rights Act (USERRA) must be counted toward the employee's 12-month employment period when determining FMLA eligibility.
- b. Time spent on paid or unpaid leave does not count in determining the 1,250-hour eligibility

2. *State FMLA*

In order for employees to be eligible for leave under the Wisconsin Family Medical Leave provisions, they must have been employed by the City of Sheboygan for at least 52 consecutive weeks and must have been paid for at least 1,000 hours during the 52 weeks prior to the start of the FMLA leave. If an employee is maintained on the payroll for any part of the week, the week counts as a week of employment.

B. Benefits

1. *Federal FMLA*

Federal law allows employees a total of 12 weeks for:

- a. Family leave for the birth of an employee's child or because of the placement of a child with the employee for adoption or foster care. Federal law requires that leave conclude within 12 months after the birth.

- b. Family leave to care for a child, legal ward, spouse, parent, or covered service member suffering from a serious health condition.
- c. Medical leave for an employee to care for their own serious health condition which renders them unable to perform the essential functions of the job.
- d. Exigency leave due to a spouse, child, or parent who is on active military duty or who has been notified of an impending call to active duty status in the National Guard or Reserves, in support of a contingency operation. Also included are servicemembers in the regular armed forces who are on active duty in a foreign country or are called to active duty in a foreign country.
 - i. Eligible employees may take leave to care for a military member's parent who is incapable of self-care when the care is necessitated by the member's covered active duty.
 - ii. The amount of time an eligible employee may take for Rest and Recuperation qualifying exigency leave is expanded to a maximum of 15 calendar days.

Federal law allows employees a total of 26 weeks of leave in a single 12-month period (regardless of calendar year) for caring for a spouse, son, daughter, parent, or next of kin who is a covered servicemember/veteran recovering from a serious illness or injury sustained in the line of duty. A covered veteran is defined as an individual who was discharged or released at any time during the five (5) year period prior to the first date the eligible employee takes FMLA to care for the covered veteran. A dishonorable discharge disqualifies the veteran from coverage.

2. *State FMLA*

State law allows employees leave as follows:

- a. Up to six (6) weeks of family leave for the birth or adoption of a child. This leave must commence within 16 weeks of the birth or adoption of a child. If nonconsecutive leave is taken, the last increment of the nonconsecutive leave must commence no later than 16 weeks after the birth or adoption date.
- b. Up to two (2) weeks of family leave to care for a child, legal ward, spouse, domestic partner, or parent (including parents-in-law and parents of a domestic partner) suffering from a serious health condition.
- c. Up to two (2) weeks of medical leave for an employee to care for their own serious health condition which renders them unable to perform the essential functions of the job.
- d. Up to six (6) weeks of medical leave for bone marrow or organ donation, in accordance with the Bone Marrow and Organ Donation Leave law (Section 103.11 Wis. Stats.). [Note: This leave may run concurrent with FMLA if the bone marrow or organ donation qualifies as a serious health condition under Federal or State FMLA.]

3. *Concurrent Leave*

Leave qualifying for both Wisconsin and federal FMLA leave will count against the employee's entitlement under both laws and will run concurrently. However, when the reason(s) for qualified leave differ, the leave may not run concurrently under federal and state law, and an employee may be entitled to more than 12 weeks of leave in a calendar year. This type of leave occurrence will be evaluated and reviewed with the employee at the time of the leave. Qualified leave taken under Worker's Compensation also will run concurrently with federal FMLA leave.

4. *Non-Continuous or Intermittent Leave*

Employees are permitted to take leave provided for in this subsection C on an intermittent (blocks of time) or reduced work schedule in no less than one-hour increments, as follows:

a. Federal FMLA

- i. To care for a sick family member or for an employee's own serious health condition when medically necessary, or when it is necessary to care for a family member or next of kin who suffered an injury or illness while on active duty.
- ii. To care for a newborn, adopted, foster child when approved in advance by the City.
- iii. For military family leave when approved in advance by the City.

Note: Employees requesting non-continuous federal FMLA leave that is foreseeable based on planned medical treatment for purposes of providing care to a child, spouse or parent with a serious health condition or for the employee's own serious health condition may be required to transfer temporarily to an available alternative position for which the employee is qualified and which better accommodates recurring periods of leave than the regular employment position of the employee. An employee temporarily transferred will receive the same pay and benefits, but may be assigned different duties.

- b. State FMLA for any purpose provided for in subsection C.2, so long as it does not unduly disrupt the department's operations.

The employee may not take, or be required to take, more leave than medically necessary to address the circumstances that caused the need for the leave.

5. *Pregnancy-Related Conditions*

The City does not discriminate against anyone who requests an excused absence for medical disabilities associated with pregnancy. Such leave requests will be evaluated according to the medical leave policy provisions outlined in this policy and all applicable laws.

Upon request, the City will consider providing reasonable accommodations for health conditions related to pregnancy or childbirth in accordance with all applicable laws. Depending on the accommodation requested, an employee may be required to provide medical substantiation of the need for accommodation. Accommodations may not be available if such health conditions prevent the performance of the essential functions of the employee's position.

Requests for accommodations or time off associated with pregnancy and/or childbirth that are not related to medical incapacity (such as time off for bonding, pre-birth house preparations, or child care) will be considered in the same manner as other requests for unpaid personal leave.

6. Nursing Parents

Under the PUMP Act and Section 4207 of the Patient Protection and Affordable Care Act of 2010, employees are allowed reasonable break time to express breast milk. Supervisors should, as much as possible and consistent with efficient operations, exercise the necessary flexibility to allow employees who wish to use paid breaks to express breast milk to do so even if do so falls outside of standard times for such breaks. The City shall provide appropriate private, lockable locations in each building which is the primary worksite for the employee. Bathroom facilities or facilities immediately adjacent to bathroom facilities are not appropriate locations.

7. Payments while on FMLA Leave

In general, both Wisconsin and federal FMLA leaves are unpaid. Under the Federal FMLA, the City of Sheboygan requires the leave to be charged against available and accrued paid leave (such as PTO, floating holidays, or compensatory time), including leave provided by a collective bargaining agreement. Under the Wisconsin FMLA, employees may choose substitute leave.

An employee on FMLA Leave will continue to accrue all benefits provided by City policies and collective bargaining agreements.

8. FMLA Leave for planned medical treatments

Employees who take medical leave should make reasonable efforts to schedule planned medical treatments so as not to unduly disrupt business operations.

C. Procedure

1. Employee's Request

Employees requesting leave must submit a Request for Leave form to the Human Resources Department at least 30 days, or as soon as practicable, in advance of taking

leave. If circumstances do not permit an employee to give notice in advance of taking leave, the employee must notify the Human Resources Department and submit the Request for Leave form as soon as reasonable and practical. This should be interpreted to mean within one to two working days of the employee learning of the need for leave. Failure to give timely notice may result in the delay or denial of FMLA leave and may subject you to discipline under Municipality policies.

In emergencies, if the leave request cannot be made by the employee in writing, the employee's supervisor should fill out a leave request in writing and forward it to the Human Resources Department.

Upon receipt of the request, the Human Resources Department must approve or deny the request, give reasons for any denial, and specify any additional information required as well as the employee's rights and responsibilities under federal and state FMLA, as applicable. Additionally, the Human Resources Department shall inform employees and Department Heads if leave will be designated as FMLA-protected or if it has determined that the leave is not FMLA-protected. The Human Resources shall also inform employees of the amount of leave counted against the employee's leave entitlement. Appeal of any denial or other adverse decision may be made first to the Human Resources Director, and then to Common Council, which may, at its discretion, provide for a committee thereof to hear such appeals.

When approving requests, the Human Resources Department shall provide a Designation Notice setting forth the designation of anticipated leave under federal and state FMLA law and any other designation that may be appropriate.

2. Medical Certifications

If the leave is for a family member's or the employee's serious health condition, the employee must submit a medical certification from the employee's or the family member's health care provider within 15 days. Documents containing family information must be kept confidential pursuant to the Genetic Information Nondisclosure Act (GINA).

If an employee does not provide the required certification by the designated deadline, or if the City determines that an employee's absence is not covered as FMLA leave, the leave may not be designated as Wisconsin and/or federal FMLA leave, and the employee may be subject to discipline under City attendance policies unless the employee uses accrued paid leave and/or is granted a non-FMLA leave of absence.

The City may require a second opinion and periodic certification. If a first and second opinion differ, the City may require the binding opinion of a third health care provider, approved jointly by the City and the employee and paid for by the City. When required by the City, second or third certifications shall be at the City's expense and periodic re-certifications shall be at the employee's expense. The City requires periodic reports during federal FMLA leave regarding the employee's status and intent to return to work.

3. Employer Designation

The City will require completion of FMLA documentation, including a Request for Leave, when an employee misses more than three (3) consecutive scheduled work days due to a qualifying FMLA event. If the leave is determined eligible, it will automatically be counted against the employee's FMLA entitlement. In such a case, the Human Resources Department shall provide a Designation Notice setting forth the designation of anticipated leave under federal and state FMLA law and any other designation that may be appropriate. Said notice shall also include any of the relevant information required by virtue of Subsection D.1 of this policy.

4. Worker's Compensation and Light Duty

Federal FMLA will run concurrent with worker's compensation provided that the injury meets the criteria for a "serious health condition", as defined by law. Substitution of accrued paid leave is not allowed for Worker's Compensation absences unless an applicable labor agreement provides otherwise.

If an employee accepts a light duty assignment while on worker's compensation, that time may not count against the employee's family or medical leave entitlement. If the light duty position is declined and the employee elects to stay on FMLA leave, the employee may give up their worker's compensation benefits.

5. Health Insurance Benefits

Group health insurance coverage will be maintained for employees while they are on FMLA leave, on the same terms as if the employee continued to work. The employee will be required to pay their regular portion of health insurance premium payments on a monthly basis.

The City may recover its share of health insurance premiums paid during a period of unpaid FMLA leave from an employee if the employee fails to return to work for a minimum of 30 calendar days after the expiration of the leave. The City may not collect the premiums if the reason the employee does not return is due to continuation, recurrence, or onset of a serious health condition that would entitle the employee to leave under FMLA, or other circumstances beyond the employee's control.

The City may discontinue health insurance benefits if the employee fails to make a premium payment within 30 days of the due date after providing written notice to the employee of the cancellation of coverage for non-payment.

6. Other Benefits

Other benefits under the City's Benefit plan may be continued during periods of unpaid FMLA leave, and arrangements should be made for employee's portion of the payments with the Human Resources Department.

7. Status While on Leave

During the leave, the employee must update the Human Resources Department at least every 30 days of their status with health care provider certification and the intention to return to work. The Human Resources Department will inform the employee's supervisor of the status of the employee's intention to return to work.

8. Extra Leave

Leave beyond the FMLA entitlement must be approved in advance and is subject to any collective bargaining agreements or policies and procedures.

9. Return to Work

The City shall provide all employees on FMLA a list of the essential functions of their position along with the "Designation Notice." All employees returning from FMLA for their own serious health condition must provide a Fitness for Duty statement signed by their treating physician and specifically indicating that the essential functions of the job can be performed. A form is available in the Human Resources Department that includes information about the requirement that the statement address the employee's ability to perform the essential functions. Upon return from FMLA leave, an employee shall be restored to his or her original position or, if the position is not vacant, to an equivalent position with equivalent pay, benefits and other terms and conditions of employment. Notwithstanding these provisions, before an employee who is unable to perform the functions of their job upon expiration of FMLA leave is terminated, the City shall consider whether other provisions of City policy or a collective bargaining agreement are applicable and whether the Americans with Disabilities Act, provisions of the Wisconsin Fair Employment Act, or other legal provisions are applicable.

Employees who return from an absence that they desire to be counted as FMLA must give notice within two (2) days of returning to work. If notice is not timely, the employee may not assert FMLA protection.

10. Availability of Forms

Forms referred to in this section are available through the Human Resources Department. The Human Resources Director is responsible for maintaining, updating, and making available all such forms.

D. Additional Provisions

1. Correspondence

Any correspondence sent to an employee on leave will be sent to their last known address filed with Human Resources. Employees must notify Human Resources of any change of address.

2. Falsification of Forms

An employee will be subject to disciplinary action up to and including discharge for falsifying any information required or requested as part of the process for receiving leave or benefits under the FMLA or this policy.

3. Unlawful Acts by Employer

FMLA makes it unlawful for any employer to:

- a. Interfere with, restrain, or deny the exercise of any right provided under FMLA; and
- b. Discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA.

Section 4.06 PERSONAL LEAVE OF ABSENCE

Only serious compelling reasons shall be considered for granting a request for a leave of absence (i.e. verifiable severe family or personal problems, employer approved educational leave, etc.) Request for leave must be submitted to the employee's immediate supervisor at least 30 calendar days before the commencement. Each request will be reviewed on a case by case basis and decisions made on its merits. Employees shall make arrangements with the HR Department to pay fully for health and other insurance premiums if their leave will extend more than five working days. All other fringe benefits shall be suspended for the duration of the leave except the employee's seniority date.

Section 4.07 MILITARY LEAVE OF ABSENCE

It is the policy of the City of Sheboygan to allow military leave to all employees who temporarily leave the service of the City to join the military forces of the United States. Such leave will be without pay for all regular part-time, seasonal, temporary and grant-funded non-represented employees. Regular full-time employees shall be granted a leave of absence from their position without loss of pay for a period not to exceed two consecutive calendar weeks in any calendar year. The City will pay such an employee for time lost in the amount equaling the difference between the military pay and their normal City pay.

The City of Sheboygan will allow Wisconsin Civil Air Patrol members unpaid leave for up to five consecutive days per incident, not to exceed a total of 15 days of leave in a year.

NOTE: For exigency leave please refer to the City of Sheboygan FMLA policy.

Definitions:

- A. **Escalator position.** This is established by the principle that the returning Service member is entitled to the position of civilian employment that the Service member would have attained had the Service member remained continuously employed by that civilian employer. This may be a position of greater or lesser responsibilities, to include a layoff status, when compared to the employees of the same seniority and status employed by the company.
- B. **Impossible or unreasonable.** For the purpose of determining when providing advance notice of uniformed service to an employer is impossible or unreasonable, the unavailability of an employer or employer representative to whom notification can be given, an order by competent military authority to report for uniformed service within forty-eight hours of notification, or other circumstances that the Office of the Assistant Secretary of Defense for Reserve Affairs may determine are impossible or unreasonable are sufficient justification for not providing advance notice of pending uniformed service to an employer.
- C. **Military necessity.** For the purpose of determining when providing advance notice of uniformed service is not required, a mission, operation, exercise or requirement that is classified, or a pending or ongoing mission, operation, exercise or requirement that may be compromised or otherwise adversely affected by public knowledge is sufficient justification for not providing advance notice to an employer.
- D. **Uniformed service.** Performance of duty on a voluntary or involuntary basis in the Armed Forces, the Army National Guard and the Air National Guard, the commissioned corps of the Public Health Service, and any other category of persons designated by the President in time of war or national emergency , when engaged in active duty, active duty for training, initial active duty for training, inactive duty training, full-time National Guard duty, a period for which a person is absent from a position of employment for the purpose of an examination to determine the fitness of the person to perform such duty, and funeral honors duty performed by members of a Reserve component.

Procedures:

All employees requesting military or Civil Air Patrol leave, whether full or part-time, shall complete the Military Leave Notification form (Exhibit 1). This form shall be completed prior to said leave or the employee will be considered on an unpaid leave, unless precluded by military necessity.

Any regular, full-time employee who, by reason of membership in the United States Military Reserve is ordered by the appropriate authorities to attend a training or encampment under the supervision of the United States Armed Forces or by reason of membership in the National Guard is required by the authority thereof to do so, shall be granted a leave of absence from their position without loss of pay for a period not to exceed two consecutive calendar weeks in any calendar year. The City will pay such an

employee for time lost in the amount equaling the difference, if any, between the military pay and their normal City pay.

For a regular, full-time employee to receive the difference between the military pay and their normal City pay, the employee must complete the Military Leave Notification form prior to said leave unless precluded by military necessity. Upon return from said leave, the employee shall submit to the City the pay records from the military substantiating the pay they received during that time. For employees not contributing towards the Wisconsin Retirement System (WRS), the City shall then pay the difference in the two rates of pay, and contribute the full amount of the costs of the employee's portion of the Wisconsin Retirement Fund, but not to exceed the employee contribution rates for the period of the leave. For employees who are contributing towards the WRS, the state provides that the employee is responsible for making the WRS employee required contributions. Upon returning from unpaid military leave, the employee has the choice whether to make up all, some or none of the total WRS employee required contributions dating to the employee's military leave of absence (Exhibits 2 & 3).

- E. To preserve their rights under the Uniformed Services Employment and Reemployment Rights Act (USERRA), employees shall provide advance written or verbal notice to the City, unless precluded by military necessity or otherwise unreasonable or impossible. Reserve component members should provide notice at least 30 days in advance when it is feasible to do so. This notice requirement can be met by providing the City a copy of the unit annual training schedule and completing the Military Leave Notification form.

- F. Upon completion of service, in order to be re-employed by the City:
 - 1. The employee's cumulative length of absences does not exceed 5 years;
 - 2. The employee reports to, or submit an application for reemployment to, the Human Resources Department within the specified period based on duration of services, as described in section F; and,
 - 3. The person's character of service was not disqualifying as described in sections C. 4 and C. 5 below.

- G. The City is not required to reemploy a person if:
 - 1. The employment with the City was for a brief, non-recurrent period and there was no reasonable expectation that the employment would continue indefinitely or for a significant period.
 - 2. The City's circumstances have so changed as to make reemployment impossible or unreasonable.
 - 3. The reemployment imposes an undue hardship on the City in the case of an individual who:
 - a) Has incurred a service connected disability; or,
 - b) Is not qualified for the escalator position or the position last held and cannot become qualified for any other position of lesser status and pay after a reasonable

effort by the City to qualify the person for such positions.

4. The Service member or former Service member was separated from a uniformed service with a dishonorable or bad conduct discharge, or separated from a uniformed service under other than honorable conditions.
5. An officer dismissed from any armed force or dropped from the rolls of any armed force as prescribed under 10 U.S.C. 1161.
6. The cumulative length of service exceeds five years and no portion of the cumulative five years of uniformed service falls within the exceptions described in section E.

H. The City shall not deny initial employment, reemployment, retention in employment, promotion, or any employment benefit on the basis of membership, an application for membership, performance of service or an obligation for service in the uniformed services. No person, including a non-Service member, shall be subject to employment discrimination or any adverse employment action because they have taken an action to enforce a protection afforded a Service member, has testified or made a statement in or in connection with any proceeding concerning employment and reemployment rights of a Service member, has assisted or participated in an investigation, or has otherwise exercised any right provided by USERRA.

- I. In order to retain reemployment rights and benefits provided by this policy and federal law, the cumulative length of absences from the City cannot exceed 5 years. Not counted toward this limit is:
1. Service beyond 5 years if required to complete an initial service obligation;
 2. Service during which an individual was unable to obtain release orders before the expiration of the 5-year cumulative service limit through no fault of their own;
 3. Required training for Reservists and National Guard members;
 4. Involuntary order, call to active duty or retention on active duty;
 5. Ordered to or retained on active duty during a war or national emergency declared by the President or Congress;
 6. Ordered to active duty in support of an operational mission for which personnel have been involuntarily called to active duty;
 7. Performing service in support of a critical mission or requirement as determined by the Secretary concerned;
 8. Performing service in the National Guard when ordered to active duty by the President to suppress an insurrection, repel an invasion or execute the laws of the United States; and,
 9. Voluntary recall to active duty of retired regular Coast Guard officers or retired enlisted Coast Guard members.

J. Applications for Reemployment:

1. For service of 30 days or less or for an absence for an examination to determine the individual's fitness to perform uniformed service, the Service

member or applicant must report to work no later than the beginning of the first full regularly scheduled work period on the next calendar day following completion of service or the examination, after allowing for an eight-hour rest period following safe transportation home from the military duty location.

2. For service of 31 days or more but less than 181 days, the Service member must submit an application for reemployment no later than 14 days after completion of service or by the next full calendar day when submitting an application within the 14-day limit was impossible or unreasonable through no fault of the Service member.
3. For service of 181 days or more, the Service member must submit an application for reemployment no later than 90 days after completion of service.
4. If hospitalized or convalescing from an illness or injury incurred or aggravated during service, the Service member must, at the end of the period necessary for recovery, follow the same procedures, based on length of service, as described in sections F. 1 through F. 3 above. The period of hospitalization or convalescence may not normally exceed 2 years.
5. Anyone who fails to report or apply for reemployment within the specified period shall not automatically forfeit entitlement to reemployment rights and benefits, but is subject to the rules of conduct, established policies, general practices of the employer pertaining to explanations and discipline because of an absence from scheduled work.

K. If service is for 31 days or more, a Service member must provide documentation, upon request, that establishes:

1. Application to return to work within the prescribed time period;
2. Has not exceeded the 5-year cumulative service limit; and
3. Reemployment rights were not terminated because of character of service as described in paragraphs C. 4 and C. 5 of this policy.

Failure to provide documentation cannot serve as a basis for denying reemployment to the Service member, former Service member, or applicant if documentation does not exist or is not readily available at the time of the City's request. However, if after reemployment documentation becomes available that establishes that the Service member or former Service member does not meet one or more of the requirements contained in this policy, the City may immediately terminate the employment.

L. Position to Which Entitled Upon Reemployment

1. Reemployment position for service of 90 days or less:
 - a) The position the person would have attained if continuously employed (the "escalator" position) and if qualified to perform the duties or can become qualified after reasonable efforts by the City;or,

- b) The position in which the person was employed when they departed for uniformed service, but only if the person is not qualified to perform the duties of the escalator position, despite the City's reasonable efforts to qualify the person for the escalator position.
 - 2. Reemployment position for service of 91 days or more:
 - a) The escalator position or a position of like seniority, status and pay, the duties of which the person is qualified to perform or can become qualified after reasonable efforts by the City; or,
 - b) The position in which the person was employed when they departed for uniformed service or a position of like seniority, status and pay, the duties of which the person is qualified to perform, but only if the person is not qualified to perform the duties of the escalator position after the City has made a reasonable effort to qualify the person for the escalator position.
 - 3. If a person cannot become qualified, after reasonable efforts by the City to qualify the person, for either the escalator position or the position formerly occupied by the employee as provided in this section, for any reason (other than disability), the person must be employed in any other position of lesser status and pay that the person is qualified to perform, with full seniority.
- M. If a person who is disabled because of service cannot (after reasonable efforts by the City to accommodate the disability) be employed in the escalator position, they must be reemployed:
 - 1. In any other position that is equivalent to the escalator position in terms of seniority, status, and pay that the person is qualified or can become qualified to perform with reasonable efforts by the City; or,
 - 2. In a position, consistent with the person's disability, that is the nearest approximation to the escalator or equivalent position in terms of seniority, status and pay.
- N. A person who is reemployed under USERRA is entitled to the seniority and other rights and benefits determined by seniority that the person had upon commencing uniformed service and any additional seniority and rights and benefits they would have attained if continuously employed. A person who is absent by reason of uniformed service shall be deemed to be on leave of absence from the City and is entitled to such other rights and benefits not determined by seniority as generally provided by the City to employees having similar seniority, status and pay who are also on leave of absence, as provided under the contract or policy in effect during the Service member's absence because of uniformed service, except vacation. Employees who are on an unpaid leave of absence for purposes of military leave shall not have their vacation prorated upon their return. However, such employees shall not be entitled to more than one year of benefits upon their return. The individual may be required to pay the employee cost, if any, of any funded benefit to the same extent that other employees on leave of absence are

required to pay.

- O. If, after being advised by the City of the specific rights and benefits to be lost, a Service member, former Service member or applicant of uniformed service knowingly provides written notice of intent not to seek reemployment after completion of uniformed service, they are no longer entitled to any non-seniority based rights and benefits. This includes all non-seniority-based rights and benefits provided under any contract, plan, agreement or policy in effect at the time of entry into uniformed service or established while performing such service and which are generally provided by the employer to employees having similar seniority, status and pay who are on leave of absence.
- P. A person who is reemployed following uniformed service cannot be discharged from employment, except for cause, within 1 year after the date of reemployment if that person's service was 181 days or more; or within 180 days after the date of reemployment if such service was 31 days or more but less than 181 days.
- Q. During any period of uniformed service, a person may, upon request, use any vacation, PTO, or similar leave with pay accrued before the commencement of that period of service.
- R. The City will allow the Service member to elect to continue personal health insurance coverage, and coverage for the Service member's dependents under the following circumstances:
 - 1. The maximum period of coverage of a person and the person's dependents under such an election shall be the lesser of:
 - a) The 24-month period beginning on the date on which the person's absence begins; or
 - b) The day after the date on which the person was required to apply for or return to a position of employment as specified in this policy, and fails to do so.
 - 2. A person who elects to continue health plan coverage may be required to pay up to 102 percent of the full premium under the plan, except that a person on active duty for 30 days or less cannot be required to pay more than the employee's share, if any, for the coverage.
 - 3. An exclusion or waiting period may not be imposed in connection with the reinstatement of coverage upon reemployment if one would not have been imposed had coverage not been terminated because of service. However, an exclusion or waiting period may be imposed for coverage of any illness or injury determined by the Secretary of Veterans' Affairs to have been incurred in or aggravated during, the performance of uniformed service.
- S. A person reemployed after uniformed service shall be treated as if no break in service occurred, with the City maintaining the employee's pension benefit plan. Each period of uniformed service,

upon reemployment, shall be deemed to constitute service with the City for the purpose of determining the non-forfeitability of accrued benefits and accrual of benefits. The City is liable for funding any obligation attributable to the employer of the employee's pension benefit plan that would have been paid to the plan on behalf of that employee but for their absence during a period of uniformed service. Upon reemployment, a person has three times the period of military service, but not to exceed five years after reemployment, within which to contribute the amount they would have contributed to the pension benefit plan if they had not been absent for uniformed service. An employee is entitled to accrued benefits of the pension plan that are contingent on the making of or are derived from, employee contributions or elective deferrals only to the extent the person makes payment to the plan. *CONTACT HR FOR FORMS*

Section 4.08 BEREAVEMENT

The City shall grant employees pay for lost time up to three days due to the death in the employee's family. The City understands that families contain many relationships, both by blood and not, and it is the policy of the City that each employee can best determine who qualifies as family.

In order to be able to use any time under this provision, an employee must contact their Department Head prior to the leave and provide documentation (usually an obituary) to Human Resources establishing the deceased individual. A. Responsibilities and Reporting Procedures

1. Employer Responsibilities

- a. The city will provide a posted notice prohibiting firearms. The posted notice will be at least 5 inches by 7 inches, and will notify individuals not to enter to remain in a part of the building with a firearm (or a particular type of firearm), and will be prominently posted in a place near all of the entrances to the part(s) of buildings to which the restriction applies and any individual entering the building can be reasonably expected to see the sign which may say "Notice: No Firearms Allowed on Premises", "Security Notice: No Concealed Weapons Allowed" or "No Concealed Weapons Allowed on This Property".

The city shall establish a Threat Assessment Team Consisting of a representative from the following Department(s), Police, Fire, Administration, Human Resources and the City Attorney to determine the course of action and the communication plan for the organization and the employee impacted by such an event.

2. Employee Responsibilities

- a. All city employees have a responsibility to notify the police department of the presence of a concealed or unconcealed weapon.

- b. All city employees have a responsibility to notify their immediate supervisor/director, or in the absence of their supervisor, another supervisor/director, of any intimidating or threatening behavior that they witness, receive or have been told that another person has witnessed or received. The notified supervisor shall determine whether to contact the police department.
 - c. Employee involvement entails understanding and complying with the prevention program and security measures; participating in complaint or suggestion procedures covering safety and security concerns; participating on teams when assigned that receive reports of incidents or problems; conducting inspections and making recommendations for corrective strategies; and participating in training and education programs that cover techniques to recognize escalating agitation, assaultive behavior or criminal intent, and discussing appropriate responses.

 - c. Supervisors can help prevent workplace violence and threats by: knowing the early behavior pattern warning signs, knowing the sequence of workplace violence, and reducing the risk of violence. Periodic employee surveys should be conducted for ideas on the potential for violence, holes in security and other risk factors.

B. Retaliation

1. Retaliation against any employee for filing a complaint of workplace violence, or for assisting, testifying, or participating in the investigation of such a complaint, is illegal and is prohibited by the City of Sheboygan and by federal statutes.
2. Retaliation is a form of employee misconduct. Any evidence of retaliation shall be considered a separate violation of this policy and shall be handled by the same complaint procedures established for workplace violence complaints.
3. Monitoring to ensure that retaliation does not occur is the responsibility of city administration, supervisors and the appropriate internal investigative authority.

C. Restraining Orders

1. Individuals who apply for and obtain an injunction or restraining order must provide to their supervisor/director and/or the Safety Officer:
 - a. A copy of the petition and declaration used to seek the order.

2. In cases of potential discrimination and/or sexual harassment allegations or charges, directors/supervisors are obligated to begin the investigatory process.

D. Violence Prevention

1. *Training:* It is critical that the city develop and conduct workplace violence prevention training programs at minimum every other year, including but not limited to topics such as Anti-Harassment, Civility and Tolerance.
2. *Worksite Analysis:* To the extent possible the city should assess the work environment for signs of potential violence or workplace hazards. Formal assessments may include, but are not limited to: analysis of the physical jobsite, operations and procedures for existing or potential hazards for violence, the city's vulnerability to violence and a determination of appropriate preventive actions, a review of discipline, medical, safety, worker's compensation, and insurance records (including OSHA 300 logs and police reports) to identify incidents of threats or violence, trends pertaining to particular areas, units, jobs, activities or times, the frequency and severity of incidents, and the establishment of a baseline for measuring improvement.

The following are examples of different types of preventative measures that may be taken:

- a. **Engineering Measures:** New construction or physical changes to city facilities to control access; installation of alarm systems, panic buttons, cellular phones,

cameras, motion detectors and the like; installation of metal detection devices to discover weapons; mirrors, effective indoor and outdoor lighting, windows in offices; escape routes for employees; secure restrooms, lounges and locker areas for employees; and locking access to unused doors (keeping local fire codes in mind).

- b. Section 5.05 DRUG FREE WORKPLACE POLICY

It is the policy of the City of Sheboygan to provide a drug-free workplace for all of its employees. The City requires that employees neither use nor be under the influence of drugs, intoxicants, alcohol, narcotics or any other controlled substance(s) and that a zero-tolerance standard shall prevail in the workplace. The City recognizes the importance of maintaining a safe, efficient and healthful workplace, as well as the social responsibility to aid its employees to the extent possible. Therefore, employees are expected to report to work free from any alcohol or controlled substances that could inhibit their ability to perform their duties.

Reporting of Drug Conviction:

As required by the Drug Free Workplace Act, Public Law 100-690, Title V, Subtitle D, all City employees are hereby notified that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance, alcohol or drug paraphernalia is strictly prohibited in the workplace. Furthermore, this law makes it a condition of employment that all City employees abide by the Drug and Alcohol-Free Workplace Policy. The employee must notify the City (your immediate supervisor or the Human Resources Director) of any drug statute conviction for a violation occurring in the workplace no later than five (5) days after such a conviction. Within ten (10) days of receiving such notice of conviction, the City will notify the appropriate federal contracting or granting agency as required. The Federal law requires this action.

An employee's failure to abide by the terms of the above paragraph will result in disciplinary action up to and including termination of employment. The actual action taken will be based upon the seriousness of the offense, the employee's past employment record, and the employee's willingness to participate in drug or alcohol abuse assistance or rehabilitation program.

Section 5.06 CITY DRUG AND ALCOHOL POLICY

The City recognizes that the use and/or abuse of illegal drugs and/or alcohol, as well as the abuse of prescribed medications, can have a significant impact on the workplace in terms of safety, worker's compensation claims, sick pay benefits, absenteeism and productivity. The City also recognizes the legal duty to provide a safe workplace. Moreover, the City is concerned about the health and well-being of those employees who use and/or abuse drugs and/or alcohol. In all cases where on-duty impairment an employee by alcohol or drugs is suspected, it shall be there responsibility of the employee's supervisor to assure that the employee safely returns home after any actions under this section are taken.

A. Policy Statement:

It is the City's policy that employee use, manufacture, distribution, possession or sale of illegal drugs at any time, and on the job use of or impairment by drugs and/or alcohol is prohibited. The City will subject its employees to drug and/or alcohol testing as set forth in this policy.

This policy supplements the City's D.O.T. (Department of Transportation) drug and alcohol testing policy covering employees who have a CDL (Commercial Driver's License) and are regularly or occasionally operating a commercial motor vehicle as defined by D.O.T. regulations and will apply to situations not covered under that policy. For employees covered under the D.O.T. drug and alcohol testing policy, in the event a more restrictive provision applies under the already existing policies, the more restrictive provision will apply.

B. Drug and Alcohol Tests

1. *Reasonable Suspicion*

An employee is required to submit to an alcohol or controlled substance test upon a supervisor's reasonable suspicion to believe that the employee is in violation of this policy. The determination of reasonable suspicion must be based on specific, contemporaneous, articulable observations concerning the appearance, behavior, speech or body odors of the employee. The observations may include indications of the chronic and withdrawal effects of controlled substances.

a. Reasonable Suspicion Testing Procedure

1. Upon the employee's removal from the job site, the supervisor should contact the Human Resource Department. If contact cannot be made at that time, the supervisor should proceed to the next step of this procedure and make contact with the Human Resource Department as soon thereafter as possible.
2. The supervisor is to then take the employee to the collection site for drug and/or alcohol testing, and must remain at the site until the test is completed.
3. If the alcohol test is conducted more than two (2) hours, but less than eight (8) hours, after the supervisor makes the reasonable suspicion determination, the supervisor should, if feasible, complete a report explaining the reason for the delay in conducting the test. If the alcohol test is not conducted within eight (8) hours after the supervisor makes such

reasonable suspicion determination, or if the drug test is not conducted within twenty-four (24) hours after such determination, the supervisor should, if feasible, complete a report explaining the reasons why the test was not conducted.

4. Once the drug and/or alcohol test has been completed the supervisor is to make arrangements for the employee to be taken home. The employee will not be permitted to drive their own car home at that time. The employee may have a family member or a friend pick them up or the supervisor may take the employee home.
5. The employee is to be advised not to report to work. The City will contact the employee once the test results are known (this normally takes 24-48 hours) and a decision has been made as to the employee's status.
6. The results of the drug and/or alcohol test will be sent directly to the Human Resource Department. When the results are obtained, the employee's supervisor(s) will meet with the Human Resource Department Representative to determine the appropriate course of action to be taken.
7. This is a confidential process. Test results will be held strictly confidential and are not to be discussed or shared with anyone who does not need to know. Likewise, a supervisor must not discuss the suspected reason for a referral or termination with anyone who does not need to know.
8. Once the test has been completed and the employee has been taken home, the supervisor must submit a written report to the Human Resources Department outlining in detail what happened and what behavior was observed that led the supervisor to believe the employee was under the influence of alcohol and/or drugs. This report is to be done within 24 hours of testing.

2. *Return-to-Duty/Follow-Up Testing*

An employee is required to undergo an alcohol and/or drug test prior to returning to duty, following a violation of this policy and evaluation by a substance abuse professional (SAP). The results of the test must indicate an alcohol concentration of less than 0.02 and/or a negative result for drug use. The City is responsible for deciding whether the employee is returned to duty.

Following successful compliance with a recommendation for education and/or treatment, the employee must submit to the follow-up testing plan established by the SAP, which shall be provided to the City of Sheboygan. The City must carry out the SAP's follow up testing requirements and must ensure that the tests are unannounced with no pattern to their timing and that the employee is given no advance notice.

3. *Test Refusal*

The following behavior constitutes a test refusal for drugs and alcohol:

- a. Failure to appear for the test in the time frame specified by the City of Sheboygan
- b. Failure to remain at the testing site until the testing process is completed
- c. Failure to provide a urine specimen, saliva or breath specimen, as applicable.

- d. Failure to provide a sufficient volume of urine or breath without a valid medical explanation for the failure.
- e. Failure to undergo a medical examination as part of the verification process.
- f. Failure to cooperate with any part of the testing process.
- g. Failure to permit the observation or monitoring of specimen donation when so required.
- h. Failure to take a second test required by the City or collector.
- i. A drug test result that is verified by the MRO as adulterated or substituted (applicable to drug test only).

4. Results of a Positive Alcohol or Drug Test

Any employee who tests positive for drugs or for alcohol concentration of 0.02 or higher is subject to discipline, up to and including discharge.

5. Controlled Substances, Over-the-Counter, and Prescription Medications

a. Non-Safety Sensitive Positions

Prescription and over-the-counter drugs are not prohibited when taken in standard dosage and/or according to a physician's prescription. Any employee taking prescribed or over-the-counter medications will be responsible for consulting the prescribing physician and/or pharmacist to ascertain whether the medication may interfere with safe performance of his/her job. If the use of a medication could compromise the safety of the employee, fellow employees or the public, it is the employee's responsibility to use appropriate personnel procedures (i.e. call in sick, use leave, request change of duty, change medications, notify supervisor, notify City Occupational Health Clinic) to avoid unsafe workplace practices.

b. Safety-Sensitive Positions

The following positions are deemed safety-sensitive and must follow the protocol outlined in this section of the policy: All sworn fire personnel, Police Department Chief, Police Department Captains, Police Department Lieutenants, Police Department Sergeants, Police Department Officers, Police Department Communications and Electronics Technician, Police Department Community Service Officers, Police Department Fleet Mechanic, Building Inspectors, Code Enforcement Officers, Public Works Director, Public Works Supervisors, Public Works Superintendents, Public Works Engineers, Public Works Engineering Technicians, Public Works GIS Project Specialist, Public Works Maintenance Workers, Public Works Seasonal Maintenance Workers, Public Works Bridge Tenders, Public Works Technicians, Public Works Electrician, Public Works Foremen, Public Works Heavy Equipment Operators, Public Works Equipment Operators, Public Works City Forester, Public Works Arborist, Public Works Cemetery Worker, Senior Services Program and Wellness Coordinator, Mead Public Library Public Safety Specialist, Transit Utility Director, Transit Utility Dispatchers, Transit Utility SET Supervisor, Transit Utility Mechanics, Transit Utility Fixed Route and Paratransit Operators, Parking Utility Director, Parking Utility Maintenance Workers, Parking Utility Lead and Maintenance/Ground Workers, Wastewater Utility Superintendent, Wastewater Utility Assistant Superintendent, Wastewater Utility Supervisors, Wastewater Utility Technicians, Wastewater Utility Process System/OPCO, Wastewater Utility Mechanics, Wastewater Utility Operators, Motor Vehicle Supervisor, Motor Vehicle Mechanics.

Before performing any work-related duties, employees must notify their supervisor if they are taking any legally prescribed medication, therapeutic drug (to include the use of CBD Oils), or any non-prescription (over-the-counter) drug especially if it contains any measurable amount of alcohol or if it carries a warning label that indicates the employee's mental functioning, motor skills, or judgment may be adversely affected by the use of this medication. It is the responsibility of the employee to inform their physician of the type of safety-sensitive function that they perform in order that the physician may determine if the prescribed substance could interfere with the safe and effective performance of their duties or operation of City of Sheboygan, vehicle and other equipment. However, as required by the Federal Regulations, any employee who uses or possesses medication containing alcohol or any substance which would cause a positive test while on duty or who tests positive for alcohol or controlled substance(s) will be removed from his or her position, and subject to the provisions of this policy, even though the reason for the positive test is the fact that the employee's prescription medication contains alcohol or a controlled substance.

The appropriate use of Rx and OTC is not prohibited. A legally prescribed drug is one where the employee has a prescription or other written approval from a physician for the use of the drug in the course of medical treatment. The prescription must include the patient's name, the name of the substance, quantity/amount to be taken, and the period of authorization. The misuse or abuse of legal controlled substances while performing City business is prohibited.

It is the responsibility of any employee to remove themselves from service if they are experiencing any adverse effects from medication or the use of a medication that could compromise the safety of the employee, fellow employees or the public. It is the employee's responsibility to use appropriate personnel procedures (i.e., call in sick, use leave, request change of duty, notify supervisor, notify City Occupational Health Clinic) to avoid unsafe workplace practices.

The City may require an employee to provide documentation from a medical professional verifying the use of a prescription or a legal non-prescription controlled substance will not impair his/her ability to safely and effectively perform his/her job. A physician must specifically advise the employee that the substances in a prescription will not adversely affect the employee's ability to safely perform their job.

Depending on the circumstances, employees may be reassigned, prohibited from performing certain tasks, or prohibited from working if they are determined to be unable to perform their jobs safely and properly while taking the prescription.

6. *Medical Review Officer (MRO)*

The MRO serves as an independent, impartial gatekeeper regarding the accuracy and integrity of drug testing. As a safeguard to quality and accuracy, the MRO reviews each test for accuracy.

When the laboratory reports a confirmed positive, adulterated, substituted, or invalid drug test from the laboratory, test results are reviewed and interpreted by the MRO before they are reported to the City. The MRO conducts a verification process with

the employee during which time he/she will obtain information to determine if an alternative medical explanation for the test result.

If the MRO determines that a legitimate medical explanation exists, the drug test result may be reported as negative to the City. Even if there is a legitimate medical explanation and verifies a negative test, the MRO has a responsibility to raise fitness-for-duty considerations with the City. When no legitimate medical reason is established, the MRO may verify a test result as a positive or refusal to test, as applicable.

7. *Confidentiality of Records*

The City respects the confidentiality and privacy rights of all employees. Accordingly, the results of any test administered under this policy and the identity of any employee participating in the City's EAP or other assessment or treatment program will not be revealed by the City to anyone except as required by law. The City will release any employee's records as directed by the express written consent of the employee authorizing release to an identified person. In addition, the City will ensure that any lab, agency or Medical Review Officer (MRO) used to conduct testing under this policy will maintain the confidentiality of employee test records.

The Medical Review Officer (MRO) will not reveal individual test results to anyone except the individual tested, unless the MRO has been presented with a written authorization from the tested employee. The City may be requested by the MRO to have a tested employee contact the MRO if the employee was unable to be reached after a minimum of three (3) attempts over a 24-hour period. The MRO will disclose information related to a verified positive drug or alcohol test of an individual to the Director of Human Resources. The City may disclose information to the employee or to the decision maker in a lawsuit, grievance or other proceeding by or on behalf of the individual which arises from any action taken in response to a positive drug or alcohol test; or as required by law, including court orders and subpoenas; or upon the tested employee's written authorization and consent.

All records related to drug and alcohol tests of individual employees will be maintained in individual files separate from the employee's personnel file. These records will be stored in a locked cabinet and access will only be allowed to those City employees who have a legitimate need to review the records of a particular employee.

C. Prevention and Rehabilitation

The goals of this policy are prevention and rehabilitation whenever possible, rather than discipline or termination. The City encourages employees who have an alcohol or other drug problem to seek help to deal with their problem.

Help is available through the City's Employee Assistance Program (EAP). For more details on this program, view the EAP information in the resources section in ESS.

Section 5.07 DRUG AND ALOCHOL POLICY - D.O.T. COVERED EMPLOYEES

The City of Sheboygan recognizes that the use and/or abuse of alcohol or controlled substances by drivers of our commercial motor vehicles present a serious threat to the safety and health of the driver and the general public. It is the policy of the City of Sheboygan that its drivers should be free of drugs and alcohol at all times while performing any work for the organization, or while on any city property. In order to further the goal of obtaining a drug-free and alcohol-free environment, and to be in full compliance with the DOT-regulated testing requirements of 49 CFR Parts 40 and 382, the City of Sheboygan has implemented a drug and alcohol testing program which is designed to help reduce and prevent vehicle accidents and injuries to the organization's employees and the public, to discourage substance use and alcohol abuse, and to reduce absenteeism, accidents, health care costs, and other drug and alcohol-related problems.

The Federal Motor Carrier Safety Administration (FMCSA) has issued federal regulations (49 CFR Parts 40 and 382) implementing the provisions of the federal Omnibus Transportation Employee Testing Act of 1991 which requires alcohol and controlled substance testing of drivers who are required to have a commercial driver's license (CDL). These regulations include detailed procedures for urine drug testing and breath alcohol testing of employees involved in safety-sensitive functions. Impacted employees can find the specifics of these requirements in the DOT Regulated Employees Drug and Alcohol Policy Documents available on ESS and from their Department Head.

Section 5.08 USE OF CITY EQUIPMENT

The City of Sheboygan provides any supplies, uniforms, equipment, vehicles and materials necessary for employees to perform their job. These items are to be used solely for City related business. Employees will not:

1. Obtain, use or divert city property, including records, for personal use and/or benefit;
2. Materially alter or destroy City property or records without proper authorization; and,
3. Borrow or use City property, unless for City work related use. Any removal of City property for personal non-work-related use is not permissible.

Employees are expected to exercise care in the use of City equipment and property and use such property only for authorized purposes. Loss, damages or theft of City property should be reported to supervisors immediately. Negligence in the care and use of City property may be considered grounds for discipline, up to and including discharge.

Section 5.09 VEHICLE AND DRIVING POLICY

In order to establish and maintain a high level of professionalism in the operation of motor vehicles and equipment within the scope of employment and office, which applies to all City employees and elected officials, the City has created the following standards:

- A. Use of Personal Vehicle on City Business:

1. Requires prior approval (except elected officials) of the appropriate administrative manager;
2. The employee must have auto insurance with the following minimum acceptable limits: \$100,000 liability per person and \$300,000 per occurrence, \$50,000 property damage coverage, and \$100,000 per person and \$300,000 per accident uninsured motorist protection. Reimbursement for mileage shall not be paid if an individual is not in compliance with this requirement;
3. Employees and officials providing their own vehicle to be used on City business will be reimbursed on a per mile basis at a rate determined by the City. All maintenance, operating, insurance and other expenses are the responsibility of the employee and elected official. The employee's or elected official's insurance shall be considered primary.
4. If the employee's or elected official's regular vehicle is out of service or otherwise unavailable, it is the employee's or elected official's responsibility to provide an alternate vehicle;
5. Motorcycles and/or mopeds shall not under any circumstances be used to conduct City business and are not eligible for mileage reimbursement;
6. It is the responsibility of an employee to immediately inform his/her supervisor of any restriction, suspension or revocation of driving privileges that would affect his/her legal ability to operate a vehicle on City business. Failure to comply with this requirement shall result in disciplinary action up to and including termination. An elected official whose driving privilege is restricted, suspended or revoked shall not use his vehicle on City business; and,
7. An employee's failure to comply with City policy, loss of driving privileges or fraudulent reporting of vehicle use could result in disciplinary action or loss of the privilege to operate a vehicle on City business. The City may review the driving records of employees who are required to drive in the course of their employment.

B. Use of City Owned Vehicles:

The operation of a City-owned vehicle is a privilege that may be withdrawn at any time at the sole discretion of the City. An employee or elected official shall not operate a City vehicle of any type unless he/she complies with the following:

1. Maintains a valid Wisconsin Driver's License at all times and maintains a satisfactory driving record. An employee shall immediately report to his/her supervisor any loss or restriction of driving privileges. Failure to immediately inform the supervisor of any restriction, suspension or revocation of driving privileges will result in disciplinary action up to and including termination;

2. Performs all required maintenance and equipment checks in accordance with department policy and keeps the windows and interior clean at all times; and,
3. Does not authorize non-City employees to operate or ride in a City vehicle without departmental permission.

C. Personal Use of City Owned Vehicles:

1. Due to the nature of certain positions, employees may be assigned the use of city owned vehicles. Supervisor approval is required for use of any city vehicle. Upon approval, at times, this assignment may require the employee use the vehicle for transportation to and from their personal residence.
2. Generally speaking, personal use of city owned vehicles is limited to trips to and from home and work locations. However, brief stops along the way to and from a personal residence may be permitted. Brief stops are considered a de minimis benefit; i.e., the stop is so small or insignificant that accounting for it would be unreasonable or administratively impractical and would not be treated as taxable income to the employee. An example of this is an employee who stops for lunch or runs a personal errand while driving a City car on business.
3. If an employee uses the city vehicle for other personal use, proper records of personal use must be maintained by the employee and submitted as established under general city policy and IRS regulations.

D. Seat Belt Use:

All City employees and volunteers are required to use seat belts when operating either their private or City owned vehicle as a part of their job. Any employee who is on duty and is a passenger in another person's vehicle is also required to wear a seat belt.

Employees traveling in a vehicle that does not have seat belts or whose daily job duties are specifically exempted by State Statutes are not covered under this rule.

Section 5.10 CELL PHONE USAGE

The City recognizes the advantages of using cellular phones and Smartphones to conduct City business. In determining which employees will be approved to carry one of these devices, the following criteria will be considered:

1. Employee's position
2. Whether the employee is out in the field as part of their regular duties
3. Whether the employee regularly works in an "on call" capacity
4. Whether the employee has a responsibility for key City operations and is required to respond to emergency incidents

5. Whether the employee is away from their desk or office (while working) for considerable periods of time, and the resulting lack of communication impacts their ability to perform their work
6. Whether the employee needs mobile communication for personal safety

If the device requested is a Smartphone, such as an iPhone or Android (i.e., a cellular device that is capable of both sending and receiving phone calls as well as data such as e-mail), it may be necessary for the employee to respond to e-mail conversations in real time as essential to efficiently perform their duties OR there is a need for the employee to have access to e-mail in order to be notified of emergencies outside of work hours

If a Supervisor wishes to request approval for one of these devices for an employee, the request and justification should be made by the Department Head and to Human Resources and Information Technology in writing.

On a monthly basis, the Purchasing and/or Finance Department shall review each department's City-provided cell phone usage to confirm appropriate use. The Information Technology Department and/or appropriate Department Head will also periodically review usage to verify compliance. Any anomalies or concerns shall be reported to the Director of Human Resources and Labor Relations, and/or the City Administrator.

On an annual basis, Department Heads must conduct a review of the individual cell phone and Smartphone assignments to determine if there is a continuing need, and if the cost is justified.

Any equipment issued by the City of Sheboygan is City property. Loss, theft or damage to a City issued cell phone/device shall be reported immediately to the employee's direct supervisor. Loss or theft of a cell phone/device under the "Personal Device" policy shall also be reported immediately to the employee's direct supervisor. If the employee is found to be at fault for the loss of the City issued cell phone due to gross negligence, this may result in disciplinary action. Each Department shall immediately contact the Information Technology Department upon receiving information of a loss, theft or damage to a City issued cell phone/device or BYOD device. The Information Technology Department is authorized to clear all confidential City information from the phone remotely. This includes City issued phones and phones under the BYOD policy. This may result in personal information being erased from the device as well.

The City prohibits excessive personal calls, texts or other messaging during the workday regardless of the device those phone calls take place on. This interferes with employee productivity. Excessive personal communications may result in disciplinary action.

Employees who are not required by their job duties to use telecommunication equipment for City business but are granted access to the City's information on their personal device out of convenience must adhere to this policy. In addition, only standard business use is to be utilized on personal or city provided devices.

Employees are prohibited from sending, receiving, or accessing electronic communication that is insulting, profane, vulgar, lewd, indecent, sexually explicit, illegal, profit-making, political, unprofessional, or in violation of the City's policies while using a personal or City owned device during work hours. This does not apply to an employee's personal device during non-working hours.

A. Use of City Provided Cell Phones

City owned cell phones and Smartphones are intended for City business only. Personal use of City owned phones is restricted to essential personal calls. Essential personal calls are defined as calls of a minimal duration and frequency that are critical in nature, and are not practical to be made from another phone or at another time. Examples of essential personal calls are calls to arrange for care of a child or other family emergency, to alert a family member of an unexpected delay due to a change in work schedule, to arrange for transportation or service in the event of car trouble, etc.

Personal use of a City cell phone or Smartphone is not intended to be a fringe benefit. Employees have no expectation of privacy or confidentiality in electronic communication sent, received, or accessed on City issued cell phones or Smartphones. As such, the City has the right to monitor, review, audit and otherwise access the content of all electronic communication sent, received, or accessed on City issued cell phones or Smartphones with or without prior notice to the employee for both non-investigative work-related reasons, and for investigation of employee misconduct. Employees are responsible for keeping track of and identifying their personal calls. No more than 30 minutes of essential personal calls should be made and/or received per month ("de minimis use"). Employees making or receiving excessive personal calls on a City cell phone are expected to reimburse the City for any costs or charges relating to personal use of their cell phones. In the event that the department head's review of usage indicates that an employee may have exceeded the de minimis use standard, the employee must document the business purpose of each call that is not a call to a City telephone or cell phone number. The documentation for these calls must include who was called and for what business purpose. Any call that cannot be documented for a business purpose will be treated as a personal (unauthorized) call and must be reimbursed to the City at the per minute rate established under the current City cell phone service contract.

For City phones where texting is enabled for business use, only essential texts, based on the same criteria above, are allowed. No more than 6 non-business texts should be sent per month. The reimbursement policy for telephone calls also applies to personal texts.

Employees are expected to use a City cell or Smartphone responsibly and in accordance with this policy and any applicable work rules. Use of a City cell phone in violation of the City's policies

and work rules, including, but not limited to excessive personal use beyond the di minimis use standard, may result in revocation of the cell phone or smartphone assignment and disciplinary action against the employee, up to and including termination.

Electronic communication made on City issued cell phones is subject to state record retention requirements and may be subject to the Wisconsin Public Records Law. The content of employee electronic communication may be subject to disclosure in litigation, audits, and other purposes. Users are authorized limited incidental use of the City's issued cell phones for personal purposes, but employees have no expectation of privacy or confidentiality in such use. Personal devices of employees being used for government business are subject to the same legal requirement under the Wisconsin Public Records Law in communications related to City business. Communications of purely personal nature are exempt. By accepting reimbursement for their device, employees are authorizing the Information Technology Department to have access to their device.

B. Use of Personal Cell Phone for City Business

The City understands the inconvenience of carrying two phones – one for personal use, and one for business use, and therefore offers certain employees the ability to use their personal phone for City business. This provision is only available for employees approved to carry a City cell phone or Smartphone for City business as qualified under the eligibility and approval process detailed previously in this policy and is subject to Department Head and Human Resources recommendation and City Administrator Approval.

If an employee wishes to purchase and maintain their own device for personal use, and further wishes to use this device for business, they may do so after the City's Information Technology Department is consulted to confirm the device meets the data access and security requirements. The City assumes no responsibility for repairs, replacements, troubleshooting or the carrier's reception quality. The City of Sheboygan Information Technology Department will not provide maintenance under this policy.

By choosing to use a personal device, the employee agrees to password protect their cell phone and provide the IT Department the ability to wipe City e-mails and documents in the event that the device is lost or stolen or the employee leaves City employment. Additionally, the employee consents to the retrieval of files and documents from the device in order to recover City records and documents.

- d. Anyone obtaining electronic access to other organizations', business', companies', municipalities' or individuals' materials must respect all copyrights and cannot copy, retrieve, modify, or forward copyrighted materials except as permitted by the copyright owner.

Employees must understand that the unauthorized use or independent installation of non-standard software or data may cause computers and networks to function erratically, improperly, or cause data loss. Therefore, before installing any new software or data, users should seek assistance of the IT Department. Users must never install downloaded software to networked storage devices without the assistance and approval of appropriate personnel. Most of the City's computing facilities automatically check for viruses before files and data which are transferred into the system from external sources are run or otherwise accessed. On computers where virus scanning takes place automatically, the virus scanning software must not be disabled, modified, uninstalled, or otherwise inactivated. If you are uncertain as to whether the workstation you are using is capable of detecting viruses automatically, or you are unsure whether the data has been adequately checked for viruses, you should contact the Information System Department's Help Desk.

Anyone receiving an electronic communication in error shall notify the sender immediately. The communication may be privileged, confidential and/or exempt from disclosure under applicable law. Such privilege and confidentiality shall be respected.

- e. Employees are prohibited from engaging in the following activities while engaging in the use of the electronic communications system:

2. *Personal Use*

- a. Except as otherwise provided, electronic media and services are provided by the City for employees' business use during City time. Limited, occasional, or incidental use of electronic media (sending or receiving) for personal non-business purposes is permitted as set forth below:

- a. Communications sent or received through the electronic communications system are subject to monitoring, access, auditing, interception, and disclosure by the City of Sheboygan at the city's sole discretion and as permitted by law. As such, no expectation of privacy shall apply to such use, including when such use is for the transmission or receipt of private or personal communications. All communications sent or received through the electronic communications system may constitute a public record under Wisconsin's Public Records Law and, as a result, may be subject to disclosure under the law. Therefore, employees are prohibited from deleting any such communications so as to ensure compliance with the City of Sheboygan's retention requirements. To the extent possible, employees should avoid sending and receiving personal messages through the electronic communications system, particularly when such messages are private or confidential in nature. If an internal communication is business related and confidential, it should be distributed personally or by a confidential routing envelope and not by e-mail

or other electronic forms. If an external communication is business related and confidential, careful dissemination of such communication is required. To ensure careful dissemination of external, confidential communications, employees should consult their Department Head before sending the communication in question.

- b. Electronic communications may reside on the electronic communications system in different recoverable forms (system backup, sent mail folders, spool queues, etc.). Employees should not assume that deleting a personal electronic communication removes all incidents of their existence. If there is a review of the information or an investigation, litigation, or other proceeding that requires or makes desirable the review or production of Employer records, it is likely that electronic communications will be requested and potentially disclosed.

C. PASSWORDS AND ENCRYPTION

1. Access to certain technology and electronic communications systems may require the use of a log-in identification and password. All such log-in identifications and passwords may be assigned to an employee or may be created by the employee using such technology and shall be immediately filed in writing with the appropriate Department Head.
2. Each time an employee changes a log-in identification or password from that which is on file with the Department Head, the employee shall immediately file the new log-in identification and password with the Department Head. Whenever requested, employees are required to cooperate with the City of Sheboygan for purposes of disclosing the log-in identification and password associated with technology. Log-in identifications and passwords constitute the property of the City of Sheboygan and, thus, failure to cooperate with the disclosure of such information may subject an employee to discipline, as well as pursuit of criminal or civil liability. Employees have no expectation of privacy in login identifications and passwords.
3. Unless otherwise authorized or consistent with this policy, employees are required to keep log-in identifications and passwords strictly confidential. Log-in identifications and passwords are never to be disclosed through nonconfidential sources such as over the telephone, through electronic communications, or otherwise posted in public areas.
4. Unless otherwise authorized, employees are strictly prohibited from encrypting any data, software, files, or other information stored, received, sent, or otherwise transmitted on or through technology. Employees are likewise prohibited from installing any encryption software or programs on such technology. Employees with a business need to encrypt certain data, software, files, or other information are required to obtain written

authorization from their Department Head before engaging in encryption. Any passwords and log-in information associated with an employee's encryption must be immediately filed with the appropriate Department Head, and any changes to such log-in information or passwords must be provided to the appropriate Department Head at the time of such change.

Section 5.12 SOCIAL MEDIA AND NETWORKING POLICY

The City of Sheboygan has an overriding interest and expectation in deciding what is “announced” or “spoken” on behalf of the city through the use of social media. This policy establishes guidelines for the establishment and use of social media by the City of Sheboygan for conveying information about the city and its events and activities. This policy also establishes guidance for employees acting in a personal capacity when using social media.

The City of Sheboygan's intent is to create a “government speech forum” or a “limited forum” devoted exclusively to the city's postings to the public. Nothing in this policy shall be applied to prohibit or infringe upon any communication, speech or expression that is protected or privileged under law. This includes speech and expression protected under state or federal constitutions as well as labor laws or other applicable laws.

A. City Website

The City of Sheboygan's website (<http://www.sheboyganwi.gov>) is the City of Sheboygan's primary and predominant internet presence. All of the City of Sheboygan's website content and social media sites that are posted by departments and offices will be subject to approval by the City Administrator or designee. Social media use should complement rather than replace the City of Sheboygan's primary website. Only employees pre-authorized by the City Administrator or designee are authorized to post content on the City of Sheboygan's website.

B. Employee Personal Use of Social Media

1. Employees shall not use their government-issued email address for their primary login for personal social media profiles and/or platforms.
2. Employees should be mindful that personal social media platforms may be subject to legal discovery or record requests.
3. Employees are discouraged from sending or accepting social media friend requests to or from City of Sheboygan clients or contractors, with the exception of LinkedIn requests.
4. Employees shall not conduct any official City business through their personal social media sites. All official City social media content and posts shall be conducted through City social media sites.
5. Employees should ensure that their personal social media sites are personal in nature and are used to only share personal opinion or non-work-related information, with the exception of advertising for the city.
6. When an employee is posting on or from their personal social media account, a disclaimer is required whenever that post, 1. Refers to work being done by the City, or 2. Refers to any City related business or issue. Such disclaimer should clearly state that “the views or comments expressed are my own and do not represent the City's positions, strategies, opinions, or views.”

7. Employees should not use their personal accounts when responding and commenting to questions about City work and operations, and instead should direct traffic and communication to official City pages or websites.
8. Posted content has the potential to be shared broadly, including with individuals you did not intend to communicate. Therefore, an employee is responsible for ensuring that any content related to work is consistent with the City policy regarding how to treat co-workers. For example, an employee should not post content that would violate the City's policy regarding discrimination and harassment.
9. Employees may not post, share, or upload onto their personal page any media containing City personnel, clients, or City of Sheboygan residents, gained in the course of employment without the express permission of the person. This includes images, video, or audio taken at any City sponsored event, inside any City facility, or any other work-related event.
10. Employees should be mindful that being on social media brings with it the possibility that people outside of the intended audience may see or read posts. Further, as an employee of the City, each employee has the potential to be assumed to be a representative of the City at any time. Dishonorable content such as racial, ethnic, sexual, religious, and physical disability slurs are not tolerated in the workplace, and if such a post affects the ability for an employee to effectively do their job at the city, discipline may occur, up to and including termination.

C. Department Use of Social Media

1. Department Heads are responsible for deciding whether the use of social media is appropriate for their department. In the event that it is determined that a department will create or use a social media platform, the Department Head is responsible for maintaining and approving all posts and content.
2. A Department Head may elect to place other employees in charge of the day to day posting, however the Department Head remains the responsible party for any questions, actions, or record requests.
3. Department Social Media platforms are to be used only for City business and events. Department Heads are responsible for ensuring that each platform used is used appropriately.
4. No employee may request the personal social media username and password from any potential or current employee.
5. Use of all social media platforms shall adhere to applicable state, federal, local laws, and regulations, including copyright and trademark infringement laws.
6. The City reserves the right to restrict or remove any content that it deems in violation of this policy or any applicable law.
7. No post may contain video footage or photographs of a minor under the age of 18 without consent by a parent or guardian, unless the minor is unidentifiable. In no case shall the Department identify the minor by name in any posting.
8. No department may post any content related to or including the name of any candidate who is running for any political office.
9. Social media posts should be treated as an extension of the City's official website. Whenever possible, links should direct viewers back to the City's official website for more information.

10. Every departmental page must have at least three (3) individuals listed as an admin on their page, one of whom is the Department Head, and should provide that list to the City Administrator.
11. No post may be removed without the approval of an attorney for the City.

D. Record Retention

The City of Sheboygan must retain all social media content published by the city for the purposes of public records retention as may be required by applicable law. Records required to be maintained pursuant to a relevant records retention schedule for the required retention period in a format that preserves the integrity of the record and is accessible. Any content removed by the City of Sheboygan based on these guidelines must be retained in accordance with the applicable retention schedule including the time, date and identity of the poster, when available.

E. Open Meetings Law Compliance

All conduct by officials serving on a governmental body must comply with Wisconsin's Open Meetings Law. Officials should refrain from discussing business or action of the governmental body with one another while using social media. Authorized employees publishing on the City of Sheboygan's social media profile should not engage officials serving on a governmental body when engaging in the City of Sheboygan's social media activity.

F. Compliance with Policy

The City of Sheboygan reserves the right to monitor and analyze social media use to ensure compliance with policy, directives and expectations, to evaluate use, and to recommend and implement changes to use of social media, among other legitimate government interests. Failure to comply with this policy by any employee may result in disciplinary action up to and including termination of employment. Failure to comply with this policy by any officeholder may result in pursuit of any lawful action against any official in violation of policy.

Section 5.13 CONFIDENTIALITY

The City of Sheboygan recognizes employees may have access to confidential information including Private Health Information ("PHI"), Personally Identifiable Information ("PII"), private payroll and/or miscellaneous data from computer printouts, software, profits, costs, services performed, pricing, etc., and any other information not available to the public.

You may not copy, discuss or distribute any confidential program, material, or other information which comes into your possession as a result of employment with the City of Sheboygan, other than for an approved use. In addition, confidential business information shall not be disclosed via e-mail, the internet or any social media, such as blogging, Facebook, Twitter, instant messaging, etc. In all circumstances, the City of Sheboygan prohibits the recording of information involving customer privacy, HIPAA-protected health information or other proprietary information relating to the City of Sheboygan.

Employees, vendors, elected officials and volunteers may be asked to sign and comply with the provisions of a confidentiality agreement with the City of Sheboygan. Whether or not a confidentiality agreement is signed, all information related to the City of Sheboygan not available to the public must be treated as confidential. It is a condition of employment that such information be maintained on a confidential basis and used prudently to serve the best interest of the City of Sheboygan.

In addition, it is against the City of Sheboygan policy for any employee to work for another company, contractor, or organization or the like during his/her “on-duty” hours. Employees who engage in such activity are subject to disciplinary action, including termination of employment on the first offense.

Requests for confidential information from any internal or external source, or requests for media interviews, should be referred to the Office of the City Attorney or City Administrator.

If in doubt as to whether any program, material or other information is confidential, you must ask the City Attorney, Assistant City Attorney, or Director of Human Resources and Labor Relations prior to such disclosure.

Upon termination of employment, you will be required to return all materials and information, and any copies of such materials, to your supervisor.

Unauthorized release or misuse of City of Sheboygan information, including employees, contractors, elected officials and volunteers, will be investigated thoroughly. Any actions found to have violated this policy will face corrective action, including termination of employment and/or possible personal/criminal liability, subject to criminal sanctions under the Privacy Act, for any violation that may occur due to an oversight or negligence.

Section 5.14 DRESS CODE

At the City of Sheboygan, we strive to present a positive and professional image to the community we serve. This guidelines policy serves a large number of city employees. However, employees who are part of a Collective Bargaining Agreement (CBA) and/or work within a department with additional Dress and Grooming guidelines policy may experience differences. Employees should consult their supervisor/director to clarify the appropriate dress and grooming guidelines policy within their respective department.

We ask that our City of Sheboygan employees use good judgment when deciding what to wear to work. Employees will wear attire appropriate to their workday and anticipate interaction with customers. In general, the acceptable attire for city workplaces is business casual clothing.

Employee identification (ID) badge, or each departments’ respective form of ID, should be worn during work hours whenever possible. There may be instances, such as while running equipment, where it may be hazardous to wear an ID badge. If an employee is not able to wear an ID badge for safety reasons, the employee should have the ID badge accessible for security reasons.

Supervisors/Directors are responsible for assuring that employees are appropriately dressed for their assigned work area. If a supervisor/director determines that an employee's dress is not appropriate, the supervisor/director should discuss the attire with the employee, or contact the Human Resources Department to engage in that discussion.

Employees' are expected to take pride in representing the City of Sheboygan and the residents we serve. We ask our employees to please avoid the following items unless approved by your supervisor:

- Sweat pants or pajama pants
- Exercise wear
- Extremely worn out and torn pants or jeans
- Shorts
- Shirts with significant holes or frays (t-shirt and/or sleeved shirt)
- Tank tops, muscle shirts, crop tops, halter tops
- Caps/hats (unless required for your position)
- Any clothing displaying offensive language, signs or symbols, or political endorsements

Section 5.15 POLITICAL ACTIVITY

Employees will not be discriminated in favor or against because of political contribution, permitted political activity or neutrality. Employees may not engage in any form of political activity on-the-job. Employees may not engage in political activity off-the-job to such an extent that it interferes with doing his/her job.

Section 5.16 SMOKING AND TOBACCO USE

It is the policy of the City that any City employee who continues to smoke during working hours will limit such smoking only during the employee's normal break(s) or lunch period. Failure to comply will subject the employee to discipline up to and including termination. No employee will be permitted to use tobacco or e-cigarettes while in a City building or in any City-owned vehicle. Failure to comply will subject the employee to discipline up to and including termination.

Under Sheboygan Municipal Code, no employee shall smoke within 25 feet of a main entrance of any City owned Building.

Section 5.17 SECONDARY EMPLOYMENT

Employment with the City by regular part-time and regular full-time employees should be considered the employee's primary employment. Secondary employment with other entities must not conflict, whether real or implied, with the duties of the employee. The City shall have priority call on the services of its employees regardless of any conflict with secondary employment. An employee who engages in secondary employment must clearly define himself or herself as an employee of the secondary employer and not act or treat himself or herself as an employee or agent

of the City. Employees must still comply with all policies, rules and general expectations of conduct when engaging in off-duty behavior regardless of such secondary employment. The City may terminate the employment of an employee whose secondary employment may interfere with the performance of his or her work, where a conflict, whether real or implied exists, where the interests of the City are impacted as a result of the secondary employment, or where such employment or conduct negatively affects the image of the City or its employees. An employee will not be permitted to work for another employer while on a leave of absence or while absent for illness from the City. An employee who holds secondary employment while employed by the City must notify his or her supervisor of such secondary employment.

Employees who engage in outside employment shall not conduct any business related to such employment on City premises or during hours in which such employees are working for the City or advertise the outside employment either directly or indirectly on City premises during work.

Section 5.18 EMPLOYEE PERSONAL RELATIONSHIPS

The City of Sheboygan strongly believes that an environment where employees maintain clear boundaries between employee personal and business interactions is most effective for conducting business. Although this policy does not prevent the development of friendships or romantic relationships between coworkers, it does establish very clear boundaries as to how relationships will progress during working hours and within the working environment. Individuals in supervisory relationships or other influential roles are subject to more stringent requirements under this policy due to their status as role models, their access to sensitive information, and their ability to influence others.

- A. During working time and in working areas employees are expected to keep personal exchanges limited so that others are not distracted or offended by such exchanges and so that productivity is maintained.
- B. During non-working time, such as lunches, breaks and before and after work periods, employees are not precluded from having appropriate personal conversations in non-work areas as long as their conversations and behaviors could in no way be perceived as offensive or uncomfortable to a reasonable person.
- C. Employees are strictly prohibited from engaging in physical contact that would in any way be deemed inappropriate by a reasonable person while anywhere on City premises, whether during working hours or not.
- D. Employees who allow personal relationships with coworkers to affect the working environment will be subject to the appropriate provisions of the City's disciplinary policy. An employee's failure to change such behavior and maintain work performance and environment is viewed as a serious disciplinary matter.
- E. Employee off-duty conduct is generally regarded as private, as long as such conduct does not create problems within the workplace. An exception to this private-conduct

principle, however, is romantic or sexual relationships between supervisors and subordinates, which are never appropriate.

- F. Supervisors, managers, executives, or anyone else in sensitive or influential positions must disclose the existence of any relationship with another coworker that has progressed beyond a platonic friendship. Disclosure may be made to the immediate supervisor or the Human Resources Manager. This disclosure will enable the organization to determine whether any conflict of interest exists because of the relative positions of the individuals involved.
- G. Where problems or potential risks are identified, the organization will work with the parties involved to consider options for resolving the problem. The initial solution may be to make sure that the parties involved no longer work together on matters where one is able to influence the other or act for or regarding the other. Matters such as hiring, firing, promotions, performance management, compensation decisions, financial transactions, etc. are examples of situations that may require reallocation of duties to avoid any actual or perceived reward or disadvantage. In some cases, other measures may be necessary such as transfer to other positions or departments. Refusal to accept reasonable alternative positions, if available, will be deemed a voluntary resignation.
- H. Continued failure to work with the organization to resolve such a situation in a mutually agreeable fashion may ultimately be deemed insubordination and therefore serve as cause for discipline, up to and including, termination. The organization's disciplinary policy will be consulted to ensure consistency, however, before any such extreme measures are undertaken.
- I. The provisions of this policy apply regardless of the sexual orientation of the parties involved.
- J. Where doubts exist as to the specific meaning of the terms used above, employees should consult their supervisors and make judgments on the basis of the overall spirit and intent of this policy.
- K. Notwithstanding anything else contained in this policy, there are certain positions for which very close personal and romantic relationships with fellow employees are never acceptable. This includes such relationships between supervisors and subordinates. In addition, because of the sensitive nature of personal employee information available to members of the Human Resources Department, it is never appropriate for members of the Human Resources Department to have close personal and romantic relationships with any other City employee.
- L. Any employee who feels they have been disadvantaged as a result of this policy, or who believes this policy is not being adhered to, should make their feelings known to the Human Resources Manager or other designated individual.

Section 5.19 PUBLIC RECORDS

It is public policy that all individuals are entitled to as much information as provided by law regarding the affairs of government and the official actions of representatives of government.

Per Wisconsin Statute §19.34(1), the City of Sheboygan is required to adopt, display and make available for inspection and copying at its offices, a notice containing a description of the City and the established times and places at which the public may obtain information and access to records from the legal custodian of the department, make requests for records, or obtain copies of records, and how much will be charged for the copies. Per Wisconsin Statute §19.34 2(a) and 2(b), access to records must be provided during office hours if there are regular hours at the location where the record is. If there are not regular hours, the City must provide access (1) on 48 hours advance notice; or (2) in an established period of at least 2 consecutive hours per week.

A record requester shall be allowed to inspect or copy a record and the City must provide facilities comparable to those used by its employees during established office hours. The City is not required to purchase or lease equipment or to provide a separate room for the inspection, copying or abstracting of records (§19.35 (2). However, the law does not require the immediate, unlimited access to records, and there are certain records that may not be disclosed to the public under any circumstances. Under no circumstances is the City required to create a record to respond to a public records request. In addition, the law permits a records custodian time to reflect upon the request and assure a proper disclosure is made.

Upon receiving a request for open records under the Wisconsin Public Records Law, record custodians shall follow the following procedures:

1. Do not agree, upon first contact with the requestor, to release any records;
2. If the request is made orally, memorialize the information sought. Advise the requestor that he/she will receive a response as soon as practicable and without delay. Do not promise a response by any particular date.
3. Contact the City Attorney's Office for advice and guidance as to your response.

Section 5.20 GIFTS AND FAVORS

City employees are trusted to act in the public's best interest when fulfilling their employment duties. It is inconsistent with that trust to accept gifts or favors for the execution of their duties.

City employees shall not directly or indirectly solicit or accept any personal gifts, favors, services, money or anything with an individual or cumulative value of \$40.00 or more from the public or any organization. Employees shall not accept gifts, money, or anything of value for services which they are employed by the City to provide.

Employees are required to immediately disclose to their Supervisor and the Human Resources Department any offer or receipt of a gift or money or anything of value which may tend to influence the impartial discharge of the employee's duties from any person, business entity or other organization to the employee or a member of his/her immediate family.

Employees with enforcement/inspection/decision-making responsibilities should bear in mind that the donor of gifts, presents, or favors may come to expect or seek preferential treatment later. Gifts from “grateful/appreciative” citizens are to be discouraged. If gifts cannot be declined gracefully, the employee should report receipt of his/her immediate supervisor who will coordinate appropriate disposition.

This rule does not apply to gifts, favors, services, money, or anything of value if the receipt of such gift is completely random or occurs by chance (such as a raffle or drawing) where any non-employee would have the same chances of receiving the item as the employee, and there is no expectation or services from the City.

Section 5.21 WHISTLEBLOWER POLICY

This whistleblower policy is intended to encourage and enable employees to raise serious concerns internally so that the City of Sheboygan can address and correct inappropriate conduct and actions. It is the responsibility of all elected officials and employees to report concerns about suspected violations of the City of Sheboygan’s code of conduct or violations of laws, regulations, ordinances or policies which govern the City of Sheboygan’s operations.

A. No Retaliation

It is contrary to the values of the City of Sheboygan for anyone to retaliate against any elected official, employee, or member of the public who in good faith reports an ethics violation, a suspected violation of law, such as a complaint of discrimination, fraud, or a suspected violation of any regulation governing the operations of the City of Sheboygan. An employee who retaliates against someone who has reported a violation in good faith is subject to discipline up to and including termination of employment.

B. Reporting Procedure

The City of Sheboygan has an open-door policy and recommends that employees share their questions, concerns, suggestions or complaints with their direct supervisor. If an employee is not comfortable speaking with their direct supervisor, or is not satisfied with their supervisor’s response, they are encouraged to speak with their Department Head, the City Attorney, or the Director of Human Resources. Employees with concerns or complaints may also submit their concerns in writing directly to their supervisor, their Department Head, the City Attorney or the Director of Human Resources. Supervisors and managers are required to report complaints or concerns about suspected ethical and legal violations in writing to the City Attorney or the Director of Human Resources.

C. Acting in Good Faith

Anyone filing a written complaint concerning a violation or suspected violation must be acting in good

faith and have reasonable grounds for believing the information disclosed indicates a violation. Any allegations that prove not to be substantiated and which prove to have been made maliciously or knowingly to be false will be viewed as a serious disciplinary offense.

D. Confidentiality

Violations or suspected violations may be submitted on a confidential or anonymous basis by the complainant. Reports of violations or suspected violations will be kept confidential to the extent possible, consistent with the need to conduct an adequate investigation.

E. Handling of Reported Violations

The City Attorney or the Director of Human Resources will notify the person who submitted a complaint (if known) and acknowledge receipt of the reported violation or suspected violation. All reports will be promptly investigated and appropriate corrective action will be taken if warranted by the investigation.

The City Attorney and Director of Human Resources are the only persons with access to this voicemail and email address to ensure confidentiality. The City Attorney and Director of Human Resources will review each complaint and investigate or forward the complaint to the appropriate authority(ies) for investigation depending on the nature of the complaint. If either the City Attorney or the Director of Human Resources is the subject of the concern or complaint, that person will not take part in the investigation.

Section 5.22 HANDLING CITIZENS' COMPLAINTS

Citizens' complaints provide an opportunity for feedback and identifying problem areas. How well complaints are handled determines the level of confidence and respect the public holds for its municipal government. When handling a complaint, be polite and never argue with the complainant even if he/she is angry, unreasonable or insulting towards you and the City. Stay calm, cool and collected.

When you receive a complaint, it is very important to follow through properly. This can be accomplished by doing the following:

1. Receive and record information pertinent to the complaint.

2. Determine which City employee is responsible to investigate and take corrective action and forward the complaint accordingly.

Section 5.23 TELEWORK/ REMOTE WORK

A. Primary Office

The sole determination of whether a long-term remote work arrangement will be effective will be made by each employee's Department Head after consulting the Director of Human Resources and the City Administrator, and considering the needs of the position, the department, the City of Sheboygan, employee performance, and whether the work and member and/or team communication can be accomplished remotely.

B. Remote Location Needs

The City of Sheboygan will provide the equipment necessary for employees to work remotely, including a laptop, docking station, monitor (if deemed necessary), and keyboard/mouse. In order to work remotely, the employee must have a reliable private, secured internet connection with which they can connect to the city's virtual private network (VPN). The remote location must be within a private home setting, rather than a public communal area. All other furniture, equipment, utilities, insurance, taxes, telephone, and internet access are provided by the employee at the employee's expense and are not reimbursable to the employee by the city.

Employees and their supervisor/director will work directly with Information Technology department to arrange for the remote work equipment, and to ensure proper set-up and connection to the city's VPN.

C. Remote Employee Expectations

The City of Sheboygan Administration reserves the right to modify a remote work arrangement at any time and to remove the employee from the arrangement for any reason. With proper notice to their supervisor/director, the employee may discontinue the remote work arrangement at any time.

Employees should be available during their scheduled work hours, or the specific hours as required by their department for communication through phone, e-mail, video-conferencing, in-person or other appropriate communication tools (i.e. text). Employee initiated schedule changes must be approved in advance by their supervisor/director.

Employees who participate in a remote work arrangement agree that City of Sheboygan Administration or their Department Head may make onsite visits during established work hours and that such visits may be made without notice.

All records, papers, and correspondence done remotely are considered the City of Sheboygan's business and property, and employees should take precautions to protect records from unauthorized disclosure or damage. Employees must continue to maintain all information which is protected by federal or state regulations in a confidential manner. Telephone contacts involving

such information should be conducted in a private area. Passwords and authenticator codes to the City of Sheboygan's software must be kept confidential. Employees must ensure that family members and others will not have access to protected information at any time.

Occasionally a remote employee's presence may be required in the traditional office for meetings or other purposes and it is the responsibility of the employee to be present when requested. In most cases the employee will be notified in advance of the requirement.

D. Remote Office Requirements

Remote employees must have safe and adequate workspace to work from home. Following are criteria must be met for home office safety requirements:

- The temperature, noise, ventilation, and lighting levels of the dedicated office area must be adequate for maintaining normal levels of job performance.
- The employee must have a space designated for work (i.e. a desk, table, work station) and cannot consistently work from other areas (a bed, couch, etc.).
- The employee must have reliable internet and telephone/cell phone coverage and be able to respond at any time.
- Data lines, electrical cords and other extension wires are secured.
- Aisles, corners, and doorways in the work area are free of obstructions.
- Require the use of surge protectors for the City of Sheboygan's equipment while working from home.

E. Child/Elder Care

Remote work is not an alternative for child or elder care and the remote employee agrees to make other dependent care arrangements during remote work. Any employee who is working remotely must attest that they are not responsible for the full-time supervision of a child or elder while working remotely. The City understands that there may be childcare/elder care needs that arise while working remotely, and short non-substantial breaks are permitted. However, at no time should an employee be working remotely while also providing full time supervision of others in their care. If this situation arises, the employee must request and take paid time off (PTO).

Examples: An employee with a one year old who needs to be watched all the time would be unable to work remotely without having secured alternative child care for the child. However, an employee with a 10-year-old child who can be left to entertain and supervise themselves, but cannot be left home alone would be allowed to work from home so long as the employee only needed to take breaks for minor issues (such as making lunch, answering questions, putting on a movie, etc.)

F. Remote Office Equipment

The City of Sheboygan reserves the right to make the determination as to the appropriate equipment which is subject to change at any time. Equipment needs may be periodically assessed

by the Information Technology Department to ensure that the employee is equipped for remote work based on the needs of the position. The city will provide necessary computer equipment including laptop pre-loaded with required standard programs, docking station, monitor (if deemed necessary), keyboard/mouse, and a FortiClient “FortiToken” to establish the required secure VPN connection.

Remote employees will be responsible for providing Internet connectivity that is at least a standard speed, which doesn’t impede the employee from completing online work in an efficient manner. Connectivity should be checked before the employee begins working remotely.

In no event shall the use of the City of Sheboygan’s equipment change the ownership of or impede the city’s access to their equipment. All equipment and materials provided by the City of Sheboygan shall remain city’s property. The employee agrees to return all City of Sheboygan-owned hardware, software, furniture, equipment, and supplies in proper working condition and agrees to take financial responsibility for missing and/or broken items upon the termination of the remote working arrangement or termination from employment. If the employee’s own home equipment (i.e. home phone) is used, it will be at the employee’s expense. Special supplies not normally provided by City of Sheboygan may be the employee’s responsibility. Expenses for supplies normally available in the office may or may not be reimbursed depending on the circumstances.

Equipment provided by the City of Sheboygan must not be used for purposes other than city business and must be kept in a secure, confidential location, and protected against damage and unauthorized use. The City of Sheboygan equipment will be serviced and maintained by city during normal business hours (8:00 a.m. – 4:30 p.m. CST). Equipment used remotely may be initially set up by the City of Sheboygan’s Information Technology Department, if feasible. Employees should make arrangements directly with the Information Technology Department if this is the case.

If equipment requires repair or replacement where it is impossible for the employee to work remotely, the employee may be temporarily assigned to another location or may suffer loss of pay for hours not worked. Any lost hours may be made up within the confines of the Fair Labor Standards Act (FLSA).

The City of Sheboygan will not be responsible for operating costs, home maintenance, or any other incidental costs (i.e. internet cost, utilities) associated with the use of the employee’s residence. The City of Sheboygan is not responsible for insuring any personal equipment in the employee’s remote office. The employee understands that they responsible for any tax and insurance from this arrangement.

G. Legal Compliance

1. Liability

The City of Sheboygan will not be liable for damages to the employee’s property resulting from participation in the Remote Work Agreement. By participating in this agreement, the employee agrees to hold the City of Sheboygan harmless against any

and all claims including injuries to others at the remote location. If an employee is injured while working remotely, the employee should follow City of Sheboygan's established procedures for reporting on-the-job injuries.

2. Employment Laws

Remote employees will be held to the same employment law standards as employees in the working in the City of Sheboygan's office. They will adhere to normal work schedules and will have to obtain prior management approval for any change to their normal work schedule (including overtime).

3. Time Off

Remote employees agree to follow established procedures for requesting and obtaining approval of leave, including PTO usage (in the event of illness). Remote work may be used as a temporary arrangement in lieu of paid time off at the Department Director and Human Resource Director's discretion.

Section 5.24 EMPLOYEE FRATERNIZATION POLICY

The City of Sheboygan expects employees to work together as team members to efficiently provide for the needs of the City and its citizens. It is in the best interests of City employees to keep work relationships separate from personal relationships. All employees shall exercise good judgment and discretion in engaging in consensual social personal relationships.

Under no circumstances shall an employee in a management or supervisory position enter into a romantic relationship with a subordinate.

Provisions/Requirements

1. If employees choose to enter into a consensual social relationship, the relationship will not be allowed to disrupt City business.
2. If employees marry each other, they will not be allowed to report to the same immediate supervisor after they are married. One spouse will not be allowed to supervise the other.
3. If a manager/supervisor enters into a consensual social relationship with any City of Sheboygan employee, that changes into romantic involvement, the management level employee shall promptly and confidentially provide a written notice to his/her immediate supervisor and the Human Resources Manager. The supervisor and the Human Resources Manager will immediately review the duties and responsibilities between the employees to determine if their relationship may disrupt City business. Although the relationship is not prohibited (except as provided below), it will not be allowed to disrupt business.

The City expressly prohibits any consensual social relationship, including marriage, between a manager/supervisor and an employee in his/her line of authority.

4. If a consensual social relationship is either prohibited or disrupts City business, the City

will take appropriate action to transfer one or both of these employees if possible and in the City's best interests. If transfer is not possible, termination of the employment of one or both employees may be necessary. Failure to promptly and voluntarily report a consensual social relationship as required above may result in immediate transfer or termination of one or both employees,

ARTICLE VI: DISCIPLINE AND GRIEVANCE

Section 6.01 GRIEVANCE PROCEDURE

The purpose of this article is to provide guidance for employees and supervisors concerning discipline of covered city employees. In addition, the purpose of this article is to establish a procedure to provide those city employees who are not covered by a grievance procedure as part of a collective bargaining agreement to resolve grievances while in the employ of the city.

This procedure is intended to comply with Wis. Stats. § 66.0509, and provides a grievance procedure addressing issues concerning workplace safety, discipline, and termination. This procedure applies to all employees covered under Wis. Stats. § 66.0509, and excepts all police and fire employees subject to Wis. Stats. § 62.13(5). A covered employee may appeal any level of discipline under this grievance procedure. Any grievance filed under the article shall be filed on behalf of an individual employee. No grievance may be filed on behalf of more than one employee, a group of employees, or any collective bargaining unit.

Nothing in this article is intended to create a legally binding contract between the city and covered employees or to change the at-will nature of employment for covered employees with the city. Employment with the city is voluntarily entered into and employees are free to resign at any time with or without cause. Similarly, the city may terminate the employment of any covered employee, at any time with or without cause, subject to applicable federal, state, or local law.

The city reserves its management rights to exclusively manage its operations.

A grievant is the only person who may file a grievance. The issue raised in the grievance must relate to issues personal to the grievant filing the grievance and may not relate to matters affecting other parties.

B. Procedure

1. *Grievance Processing*

An employee must process his/her grievance outside of normal work hours, unless the employee elects to use accrued paid time off in order to be paid for time spent processing his/her grievance through the various steps of the grievance procedure.

A written grievance filed under this policy must contain the following information:

- The name and position of the employee filing it;
- A statement of the issue involved;
- A detailed explanation of the facts supporting the grievance;
- The date the event giving rise to the grievance took place;
- The identity of the policy, procedure or rule that is being challenged; and
- A statement of the remedy sought.

2. *Steps of the Grievance Procedure*

Employees should first discuss complaints or questions with their immediate supervisor. Every reasonable effort should be made by supervisors and employees to resolve any questions, problems or misunderstandings that have arisen before filing a grievance.

Step 1 – Written Grievance Filed with the Department

The employee must prepare and file a written grievance with his/her Department Head within five (5) days of when the employee knows, or should have known, of the events giving rise

to the grievance. The Department Head or his/her designee will investigate the facts giving rise to the grievance and inform the employee of his/her decision, if possible within ten (10) days of receipt of the grievance. In the event the grievance involves the Department Head, the employee may initially file the grievance with the Human Resources Director, who shall conduct the Step 1 investigation.

Step 2 – Review by Human Resources Director [or City Administrator]

If the grievance is not settled at Step 1, the employee may appeal the grievance to the Human Resources Director [or City Administrator] within five (5) days of the receipt of the decision of the Department Head at Step 1. The Human Resources Director [or City Administrator] or his/her designee will review the matter and inform the employee of his/her decision, if possible within ten (10) days of receipt of the grievance.

Step 3 – Impartial Hearing Officer

If the grievance is not settled at Step 2, the employee may file, within five (5) days following receipt of the decision of the Human Resources Director [or City Administrator], a written appeal for review by an impartial hearing officer. The City shall select the impartial hearing officer, who shall not be a City employee. In all cases, the grievant shall have the burden of proof. The jurisdiction of the impartial hearing officer is limited to answering the following question: Based upon the preponderance of the evidence, has the Grievant proven that the action of the City was arbitrary and capricious?

This process does not involve a hearing before a court of law; thus, the rules of evidence will not be followed. Depending on the issue involved, the impartial hearing officer will determine whether a hearing is necessary, or whether the case may be decided based on a submission of written documents. The impartial hearing officer may admit all evidence that he/she deems relevant to the issues raised, and may exclude immaterial, irrelevant or repetitious testimony or evidence. After the Grievant and the City have presented all relevant witnesses and evidence, the impartial hearing officer shall close the hearing. The impartial hearing officer may ask for oral or written closing statements.

The impartial hearing officer shall prepare a written decision within ten (10) days of the close of the hearing. The impartial hearing officer shall have no authority to issue a remedy, but the impartial hearing officer may recommend remedy. Remedial action and authority shall be subject to the determination and approval of the City Council, and shall be addressed in the event a grievance is sustained.

Step 4 – Review by the Governing Body

If the grievance is not resolved after Step 3, the Grievant or the City may request, within five (5) days of receipt of the written decision from the hearing officer, a written review by the Governing Body. In most instances, the appeal shall be heard by the City Council. For Library, Transit and Water Utility employees, the appeal shall be filed with the Library Board, Transit Commission, or Water Utility Board.

The Governing Body shall not take testimony or evidence; it may only determine whether the impartial hearing officer reached an arbitrary or incorrect result based on a review of the record before the impartial hearing officer. The matter will be scheduled for the Governing

Body's next regular meeting. If it is impossible to comply with the deadlines due to meeting notice requirements or meeting preparation, the grievance will be reviewed at the next possible meeting date. The Governing Body shall not substitute its judgment for that of the impartial hearing officer. Findings of fact shall be upheld unless they are clearly erroneous. The Governing Body will inform the employee of its findings and decision in writing within ten (10) days of its meeting. The Governing Body shall decide the matter by simple majority vote and this decision shall be final and binding.

Employee Representation

An employee shall have the right to be represented by an attorney or other representative at Step 3 of the grievance procedure at the employee's expense. The representative may not be a material witness to the dispute. Employee discussion with his/her representative shall not take place during working hours.

Time Limits

The timelines provided in this policy must be strictly followed. If the Grievant fails to meet the timelines set forth above, the grievance shall be considered resolved. If the City fails to meet the timelines set forth above, the grievance shall advance to the next step of the process. The only exception to this policy is if the Grievant and the City mutually agree in writing to waive a timeline, but such waiver must occur in advance of the expiration of the timeline.
