2026-2027 School Year

Per §74.09(3)(db) a school board is required to separately report any tax levies that exceed its annual revenue limit as a result of a successful referendum to exceed the limit on a non-permanent basis. State law requires the levies associated with all debt and non-recurring operation referendums passed after December 31, 2014 to be listed separately. The property tax bill must also include the year in which the non-permanent referendum to exceed the revenue limit no longer applies.

List of approved 2026-2027 debt and non-recuring operating referenda which will allow the district to exceed its revenue limit on a non-permanent basis.
